Dear Players, Parents and Friends of DePaul Catholic Athletics, Welcome!

Faith, Family and Friends

DePaul Catholic has a storied history of athletic excellence and achievement. Dedicated players, supportive families, great school and student support, and, of course, great coaches.

I had the good fortune to play football for Coach Keil and to coach for Coaches Jones and Coach Lennon. The words below best describe why we compete in sports.

Faith. Athletic success is based on faith in oneself as a player, faith in your teammates and faith in your coach to guide you down the road to success. Without faith in God, yourself, your teammates and your coaches there is very little chance of success, no matter what the team talent level.

Family. For the player and coach, the team is a second family. Loyalty to each other and the willingness to protect and defend your home, your field and your school are characteristics of any successful team.

Friends. I took my helmet off for the final time over 52 years ago. No, it was not made of leather! It seems like only yesterday, and as with most players and coaches, the memories of football and all athletic competition are still with me to this day.

To the young people who participate in DePaul athletics today, I ask the following:

Continue to carry the torch of DePaul Catholic proudly, and when your game gets tough, ask the Holy Spirit for the strength to successfully do your job and always remember that the spirit of the players and coaches from the past are standing right next to you. They are always ready to enter the game by your side to help you to win the day.

Before every game that has ever been played in the history of DePaul Athletics, the team prays. We pray for protection from injury. We pray that God will assist us to play smart and fast. We pray that God will give us the strength to play our best game, every game. Finally, we offer a prayer of thanks to God for giving us the ability to play the game we love.

Why do Spartans Compete? To Honor God, To Honor Family, and To Honor DePaul Catholic. It's all about Faith, Family and Friends....for Life

Enjoy the game!

John Merritt '71
President

Dear Parents, Families, and Friends of Spartan Football:

Welcome to the 2022 DePaul Catholic High School Football season which promises to be exciting and action packed. Our student athletes have worked hard all summer to prepare for this season. I am looking forward to your game at my alma mater, Rutgers University. I am impressed with the dedication and commitment of both our student athletes and coaches who spend countless hours training and learning what it takes to build a successful program. Whether it is on the field, in the classroom, the cafeteria, or hallway...they constantly look out for each other and the overriding factor is always...the team!

Leadership is important in almost every situation in life. Someone once told me, "Leadership is the only ship that does not pull into a port during a storm". This team is fortunate to have senior members who have four years invested in this program and who provide that leadership on a day in, day out basis. The underclassmen are well served by our senior leaders. It is my hope that the leadership skills learned on the field translate into a trait that far surpasses any student's particular time on the field.

The entire DePaul Catholic High School community is proud to support this team and all that they are striving for...I am proud to be your principal and number one supporter!

St. Vincent DePaul, Pray for Us!

Russell D. Petrocelli
Principal

Dear Parents, Alumni and Friends of DePaul Catholic,

Welcome to the 2022 Season and another year of Spartan Football! The coaching staff and players have been working hard to build on the foundation laid by the championship caliber teams that came before them. As always, the goal of a coaching staff is to continue to develop young men of character on and off the playing field. To be a student-athlete at DePaul requires a great deal of time and energy to balance the academic workload with the time required on the playing field to excel.

It has already been demonstrated that we have the ability to be a competitive, disciplined, and successful team. Following in the footsteps of those who have come before us, we understand that we have high standards of excellence to maintain. However, I am confident that we have the experience and determination to be successful.

Even though I am not an official member of the Spartan coaching staff this season, I am confident that Coach Campanile will continue with the belief that there is a fundamental responsibility to educate and train our players in the way of championship football. We, as coaches, have had great role models in the former Spartan leaders: Coach Fred Keil, Coach Jack Jones, and Coach Joe Lennon. These coaches instilled the importance of building young men of "Championship Character" who will become leaders in the community, at school, and in their homes.

Thank you for continuing to support The Spartans!

Why Football?

My favorite thing about football is seeing all the progress a team can make as a single unit. To see hard work pay off with the people you train every day with is something that I treasure so much about football.

Most memorable moment?

THE FIFTH RECIPIENT OF THE FRED KEIL AWARD EXCELLENCE, PERSEVERANCE, LEADERSHIP

THE FRED KEIL AWARD WAS ESTABLISHED IN 2017 IN THE MEMORY OF DEPAUL CATHOLIC'S FIRST VARSITY HEAD FOOTBALL COACH, FRED KEIL. IN HIS FOURTEEN SEASONS COACHING AT DEPAUL CATHOLIC HIGH SCHOOL THE SPARTANS ACHIEVED A RECORD OF 93-15-2 AND WERE AWARDED TWO STATE CHAMPIONSHIPS. BUT COACH KEIL'S INFLUENCE EXTENDED FAR BEYOND THE FOOTBALL FIELD. HE WORKED ENDLESSLY TO INSTILL THE QUALITIES OF EXCELLENCE, PERSEVERANCE, AND LEADERSHIP, IN ALL THE ATHLETES WHO WORE THE GREEN AND WHITE. HIS LEGACY HAS REMAINED ALIVE AT DEPAUL CATHOLIC THROUGH THE GREAT COACHES WHO HAVE FOLLOWED HIM AND THROUGH THE FRED KEIL CENTER FOR SPORTS MEDICINE.
