Subject: FOIA Request for Island Packet (February 14, 2022)

Hi Sofia,

Attached are documents responsive to your request – shown below. Exemptions and redactions have been done in accordance with S.C. Code Ann. 30-4-40(a)(2), (4) and (7). Per your request, the documents are attached hereto electronically.

Please be advised some SROs included CAD numbers in their reports, and other did not. These are used for non-criminal behavior, such as to document classes given, counselling provided, or when parents are called, etc.

“Electronic copy of the end-of-year report for the 2020-21 school year created by the law enforcement agencies that provide school resource officers to the Beaufort County School District. The requested documents will be made to the general public, and this request is not being made for commercial purposes; fees have been waived.”

Kindest regards,
