

# Financial Sponsor Support Form for F-1 International Student Applicants

Once recommended for admission, applicants from other countries must submit evidence of adequate support to cover the costs of one full year of study at Wingate University before a certificate of eligibility (I-20) will be issued. Students who provide a bank or financial statement in the name of someone other than themselves (including parents) must accompany that bank statement with this signed sponsor support form.

*Note: An original financial statement in the person's name listed above showing a current bank balance must be included with this form. This form alone does NOT account for proof of financial support. The financial statement must be for a liquid account (such as checking, savings, deposit) and include: account holder name on the document, bank logo, currency symbol or name, total amount, date of document (within the last 12 months). No IRAs, tax returns, or business account statements accepted. Documents in English are preferred but not required.*

**Instructions:** The student should fill out the personal information (Part A), then provide the form to the sponsor to complete the bank account information, contact information, and signature (Parts B-D). The signed form can then be scanned and emailed to Admissions staff.
