- Enrolled: 13/30
- Wait: 0/5

2. Creating Engaging Lessons Using Safari Montage and Discover Education (AM)

Event: Summer Institute 2022

Program: District Catalog

Audience: All

Dates: 8/2/2022

Location: May River High School

New

Learn how to utilize the tools in Discovery Education and Safari Montage to create engaging and differentiated lessons. During this session educators will explore the resources available and ways to integrate. Go beyond traditional learning with resources that will grab your students' attention and improve learning outcomes. *Please bring your district laptop to this session.

- Hours: 2
- Enrolled: 5/30
- Wait: 0/5

3. E^3 - Engaging, Empowering and Enlightening Parents using Communication and Documentation (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: All Educators

Dates: 8/2/2022

Location: May River High School

It is important to allow parents to be active participants in their child's education and to assist you as the educator to provide the best possible educational experience. Strategies will be shared how to document your outreach and build relationship with parents.

- Hours: 2
- Enrolled: 5/30
- Wait: 0/5

4. Edpuzzle: The Basics (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Teachers grades 2-12

Dates: 8/2/2022

Location: May River High School

New

Edpuzzle is a web-based tool for editing online videos and adding interactive content to target specific learning objectives. Teachers will learn how to find videos, embed questions, assign to a class, and more. Leave this session with everything you need to get started with Edpuzzle in your classroom! *Please bring your district laptop to this session.

- Hours: 2
- Enrolled: 6/30
- Wait: 0/5

5. Effectiveness of SIPPS Intervention Through the Use of Data (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Administrators, Literacy Coaches, Literacy Interventionist

Dates: 8/2/2022

Location: May River High School

Are your students struggling with foundational reading skills? Teachers will learn how to identify student needs through a SIPPS placement assessment. Using the initial placement data, teachers will learn how to create groups and provide targeted systematic instruction, with ongoing progress monitoring. Tools for using reteach lessons and multisensory approaches to scaffold instruction for all learners will be presented. Through effective implementation at all tiers our school will share the success of SIPPS in providing students with the foundational reading skills they need to be confident readers.

- Hours: 2
- Enrolled: 3/30
- Wait: 0/5

6. FOSS Kit Fun (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: K-8 Science Teachers

Dates: 8/2/2022

Location: May River High School

FOSS kits are an interactive supplement to the science curriculum to provide students with a hands-on learning experience in the classroom. 83. Google Forms Awesomeness (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: All

Dates: 8/3/2022

Location: May River High School

New

Google Forms is awesome, but you already knew that. It's great how responses feed directly into a spreadsheet for easy access and analysis. You can create assessments, surveys, checkout forms, and quizzes for students. You can also poll colleagues, collect information from parents, and keep logs. If you dig into the settings, you can do even more! Let's take a look at things like limiting response length, pre-filling responses, tweaking confirmation messages, locking a form with a passcode, and authoring interactive stories. Let's also explore add-ons that can send email notifications, turn off a form automatically, randomly pick names, and more. *Please bring your laptop to this session.

- Hours: 2
- Enrolled: 21/30
- Wait: 0/5

84. Google Workspace Apps-Slides, Classroom, Jamboard (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Teachers grades 2-5

Dates: 8/3/2022

Location: May River High School

Whether you are just starting with... (Slides, Classroom, or Jamboard), or looking for new ideas to implement into your classroom then this sessions is for you. In this hands-on session I'll give you tips and tricks for setting everything up at the beginning of the year and show you ways to make your teaching and learning more interactive. We will look at both the teacher and student side of the app. You will have time to explore and create so you are ready for a great new year!

- Hours: 2
- Enrolled: 17/30
- Wait: 0/5

85. Handwriting Without Tears Implementation (AM Session)

Event: Summer Institute 2022
 Program: District Catalog
 Audience: Prek Teachers and Occupational Therapists
 Dates: 8/3/2022
 Location: May River High School

New

Both AM and PM sessions will be the same. Last year was a soft implementation of Handwriting without Tears in Kindergarten. This session will review key elements of HWT and the presenter will give you the WHY/purpose of the program as well as the developmentally appropriate progression of teaching handwriting to your students. This session will also provide support for the successful implementation of Handwriting without Tears in your Kindergarten classroom.

92. Overview of Feierabend's First Steps in Music Curriculum (AM session)

Event: Summer Institute 2022
Program: District Catalog
Audience: Elementary General Music Educators

Dates: 8/3/2022

Location: May River High School

This session will provide an overview of Dr. John Feierabend's First Steps in Music curriculum for elementary general music teachers. During our time together, we will explore how the 8-step lesson plan can be implemented during class, how the steps align with our state and national standards, and how this curriculum can be used as a building block for later music learning. Participants should expect to actively participate at various points throughout the session - including singing, playing classroom instruments, and moving! (If you have your own copy of the First Steps in Music Curriculum, it is recommended to bring it with you but not required.)

- Hours: 2
- Enrolled: 2/25
- Wait: 0/5

93. Planning for Student Success: Instructional Alignment (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Secondary -- Novice teachers should be in a separate section if possible, to allow for differentiation.

Dates: 8/3/2022

Location: May River High School

This course will provide teachers with the opportunity to (1) analyze the standards, (2) connect standards with required academic vocabulary -- Tier 2 (3) link the lesson to the necessary content vocabulary -- Tier 3, and (4) Align standards and objectives, assessments, and instructional strategies to plan for student success.

- Hours: 2
- Enrolled: 1/25

94. Reading Plus in the Classroom. How to Use Data to Motivate Students? (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Classroom teachers who are currently using or will be using Reading Plus in the future

Dates: 8/3/2022

Location: May River High School

In this session I will share how I have used Reading Plus in my classroom and how to navigate the website. Reading Plus has many resources. I will share how to get parents involved. How to use the data to motivate students.

- Hours: 2
- Enrolled: 4/25
- Wait: 0/5

95. Rebounding in the Math Classroom

Event: Summer Institute 2022

Program: District Catalog

Audience: Math teachers

Dates: 8/3/2022

Location: May River High School

The session will cover strategies that will promote student achievement through identifying learning gaps and misconceptions. The educators will use data to identify areas of intervention and enrichment; and how to structure the environment to include flexible and structured small groups.

- Hours: 2
- Enrolled: 6/25
- Wait: 0/5

96. Rejuvenate Your Classroom through Arts Integration (AM Session) BMS/LIMS Teachers Only

Event: Summer Institute 2022

Program: District Catalog
Audience: BMS/LIMS Teachers
Dates: 8/3/2022
Location: Beaufort Middle School

New

This amazing class is designed for the teachers in the MedTech7 and ABC schools. Teachers who attend this Training will walk away with some fresh and innovative ideas on how to bring life back into the classroom. This session will focus on integrating the arts in the classroom. Teachers will be able to recognize what an arts integrated classroom should look like, how to add the arts to lessons plans, strategies for classroom expectations, and most importantly they will have access to The Institute for Arts Integration STEAM web site as well as the Arts Integration phone App. By the end of this training teachers will have the tools needed to start implementing the Arts for a stronger classroom environment and lessons.

- Hours: 2
- Enrolled: 2/30
- Wait: 0/5

97. Rejuvenate Your Classroom through Arts Integration (AM Session) WBMS Teachers Only

Event: Summer Institute 2022
Program: District Catalog
Audience: WBES Teachers
Dates: 8/3/2022
Location: Whale Branch Middle School

New

112. Be the "CHAMP" in the Classroom (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: K-8 teachers and staff

Dates: 8/3/2022

Location: May River High School

Student misbehavior has always been the leading cause of teacher frustration. CHAMPS empowers teachers to improve student behavior and motivation by creating classrooms where all students can thrive. By reducing misbehavior, teachers focus their time and energy on instruction and student success. This workshop will focus on creating rules and procedures and "CHAMPING" them out each time a new activity is started. Come join the rest of BCSD "CHAMPS" to get 2022 started off on the right foot.

- Hours: 2
- Enrolled: 7/30
- Wait: 0/5

113. Crafting Questions that Drive Products (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: All

Dates: 8/3/2022

Location: May River High School

New

Not only do projects motivate students because they can be an authentic use of technology, they also facilitate active learning, critical thinking, collaboration, and creativity. In this session Tony Vincent showcases several inspiring projects. Each project begins with a driving question-an open-ended question that focuses the project by creating interest and curiosity. Writing effective driving questions is surprisingly challenging. You want the question to be irresistible to students, which means it cannot sound like a test question. Tony Vincent gives strategies for refining driving questions that lead to student-focused inquiry. The group will write and share some of their ideas for driving questions. *Please bring your laptop to this session.

- Hours: 2
- Enrolled: 19/30
- Wait: 0/5

114. E³ - Engaging, Empowering and Enlightening Parents using Communication and Documentation (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: All Educators

Dates: 8/3/2022

Location: May River High School

It is important to allow parents to be active participants in their child's education and to assist you as the educator to provide the best possible educational experience. Strategies will be shared how to document your outreach and build relationship with parents.

- Hours: 2
- Enrolled: 16/30
- Wait: 0/5

115. Effectiveness of SIPPS Intervention Through the Use of Data (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Administrators, Literacy Coaches, Literacy Interventionist

Dates: 8/3/2022

Location: May River High School

Are your students struggling with foundational reading skills? Teachers will learn how to identify student needs through a SIPPS placement assessment. Using the initial placement data, teachers will learn how to create groups and provide targeted systematic instruction, with ongoing progress monitoring. Tools for using reteach lessons and multisensory approaches to scaffold instruction for all learners will be presented. Through effective implementation at all tiers our school will share the success of SIPPS in providing students with the foundational reading skills they need to be confident readers.

- Hours: 2
- Enrolled: 0/30
- Wait: 0/5

116. FOSS Kit Fun (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: K-8 Science Teachers

Dates: 8/3/2022

Location: May River High School

FOSS kits are an interactive supplement to the science curriculum to provide students with a hands-on learning experience in the classroom. This session will be full of ideas on how to use the materials, create lessons, and discover ways to enhance any science lesson with phenomena. This course will be interactive so come ready to play!

- Hours: 2
- Enrolled: 0/30
- Wait: 0/5

117. From Surviving to Thriving! Supports for New Age Students & Educators (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Teachers, administrators, behavior management specialists

Dates: 8/3/2022

Location: May River High School

Interactive session focused on building effective social and emotional supports in classrooms which lead to enhanced classroom culture, better classroom management, positive student outcomes, and reducing teacher burnout. Educators will engage and create utilizing evidence based modalities and innovative practices to create a plan for a thriving classroom. 139. Tips and Tricks: Classroom Management & Behavior Supports (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Teachers

Dates: 8/3/2022

Location: May River High School

In this course, we will look at specific ways to help you make teaching easier and keep students engaged, learning, and successful all day long. Tips and tricks shared in this course will be easily implemented into your daily routine. By using a tiered system of simple supports, your classroom management will flow with ease and you will learn how to create a happy classroom of lifelong learners!

- Hours: 2
- Enrolled: 5/25
- Wait: 0/5

140. VEX IQ Challenge Engaging Students in Robotics Through Competition (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Elementary and Middle School Science, STEM, PLTW, Engineering teachers

Dates: 8/3/2022

Location: May River High School

The VEX IQ Challenge is a fun, engaging way to expose students to robotics, coding and engineering. This session will introduce teachers to the VEX IQ challenge, the game elements, the robots, and the software. We will talk about how to start a team, entering competitions, and grant opportunities that are available. I think VEX IQ competitions are a great opportunity for our students and I would like to see this program grow within our elementary and middle schools in Beaufort County.

- Hours: 2
- Enrolled: 1/25
- Wait: 0/5

141. Woodcock Munoz Language Survey (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: ESOL Teachers, RtI/MTSS Coordinators

Dates: 8/3/2022

Location: May River High School

Overview of the Woodcock Munoz Language Survey; this includes an introduction to the test, test components, guidelines for testing, administration instruction and demonstrations of each test, scoring overview, interpretation, and the online scoring and reporting system.

- Hours: 2
- Enrolled: 5/25
- Wait: 0/5

142. Writing Skills Across the Curriculum with the ML student in Mind (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Teachers of grades 4-12 in Science, Social Studies, Math, and Language Arts

Dates: 8/3/2022

Location: May River High School

New

The ELD standards of Language Arts, Math, Social Studies, and Science will be broken down by grade clusters: grades 4-5, 6-8, and 9-12. 144. Reading Plus in the Classroom. How to Use Data to Motivate Students? (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Classroom teachers who are currently using or will be using Reading Plus in the future

Dates: 8/3/2022

Location: May River High School

In this session I will share how I have used Reading Plus in my classroom and how to navigate the website. Reading Plus has many resources. I will share how to get parents involved. How to use the data to motivate students.

- Hours: 2
- Enrolled: 1/25
- Wait: 0/5

145. TESOL Strategies for ALL Students (PM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: ALL Teachers

Dates: 8/3/2022

Location: May River High School

TESOL is an acronym for Teaching English to Speakers of Other Languages. Many school districts across the United States are faced with rising numbers of MLs and teachers need to be prepared for the challenge. Participants will receive training on best practices and strategies to support MLs as well as all students in their classrooms. Participants will also walk away from this PD with scores of easy-to-use, high-yield strategies they can apply the next day without preparation. After this training, teachers will feel better prepared to meet the needs of their students.

- Hours: 2
- Enrolled: 7/30
- Wait: 0/5

146. 504 Process, Procedures, and Protocol (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: 504 Coordinators, LEA's, and School Psychologists

Dates: 8/4/2022

Location: May River High School

This training will provide an overview of Section 504 of the Rehabilitation Act. The eligibility process, sample 504 accommodations, and required team members will be discussed. Participants will be taken through the Enrich process as it relates to the Referral, Eligibility, Accommodation Plan, and Reevaluation Review process. Protocol for handling difficult situations will be discussed.

- Enrolled: 15/30
- Wait: 0/5

147. AM-Learning Without Tears-Getting started. PM-Learning Without Tears A Deeper Dive (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Prek Teachers and Occupational Therapists

Dates: 8/4/2022

Location: May River High School

New

The AM session will help new teachers become familiar with LWT in prek. The presenter will teach the program framework, materials, and ways to successfully implement in your classroom. You will learn about the WHY/purpose of the program as well as the developmentally appropriate progression of teaching handwriting to your students.

- Hours: 2
- Enrolled: 3/30
- Wait: 0/5

148. Creating in the Classroom (Adobe Creative Cloud Express/Canva) (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Teachers grades 2-12

Dates: 8/4/2022

Location: May River High School

New

Get inspired to create engaging projects as we explore the features of Adobe Spark and Canva. Gain ideas for student-created projects and content for your diverse learners while getting hands-on practice creating resources. *Please bring your district laptop to this session.

- Hours: 2
- Enrolled: 13/30
- Wait: 0/5

149. Effectiveness of SIPPS Intervention Through the Use of Data (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Administrators, Literacy Coaches, Literacy Interventionist

Dates: 8/4/2022

Location: May River High School

Are your students struggling with foundational reading skills? Teachers will learn how to identify student needs through a SIPPS placement assessment. Using the initial placement data, teachers will learn how to create groups and provide targeted systematic instruction, with ongoing progress monitoring. Tools for using reteach lessons and multisensory approaches to scaffold instruction for all learners will be presented. Through effective implementation at all tiers our school will share the success of SIPPS in providing students with the foundational reading skills they need to be confident readers.

- Hours: 2
- Enrolled: 1/30
- Wait: 0/5

150. FOSS Kit Fun (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: K-8 Science Teachers

Dates: 8/4/2022

Location: May River High School

FOSS kits are an interactive supplement to the science curriculum to provide students with a hands-on learning experience in the classroom. This session will be full of ideas on how to use the materials, create lessons, and discover ways to enhance any science lesson with phenomena. This course will be interactive so come ready to play!

- Hours: 2
- Enrolled: 1/30
- Wait: 0/5

151. From Surviving to Thriving! Supports for New Age Students & Educators (AM Session)

Event: Summer Institute 2022

Program: District Catalog

Audience: Teachers, administrators, behavior management specialists

Dates: 8/4/2022

Location: May River High School

Interactive session focused on building effective social and emotional supports in classrooms which lead to enhanced classroom culture, better classroom management, positive student outcomes, and reducing teacher burnout. Educators will engage and create utilizing evidence based modalities and innovative practices to create a plan for a thriving classroom. Participants will walk away with renewed confidence, additional tools in their educator toolbox, and work plan for a thriving classroom and successful school year.

156. Helping New Teachers of Chinese to Adjust to New Job/Life

Event: Summer Institute 2022
Program: District Catalog
Audience: New Chinese Teachers
Dates: 8/4/2022
Location: May River High School

New

I'd like to provide new teachers of Chinese with information, such as classroom management, dos and don'ts (Many teachers don't know they shouldn't post photos or videos of their students in their personal social media.), resources for lesson plans, and even personal life assistance. A lot of common things in American schools are new to new teachers of Chinese, such as referrals, lock down, fire drill, hall way pass. New teachers of Chinese don't know what their job will be like, what questions to ask, what help they can ask for, who they can ask about certain questions. The objective of this session is to make the new teachers of Chinese prepared for their daily job and know where they can find help.

- Hours: 4
- Enrolled: 5/30
- Wait: 0/5

157. Incident Management/Educator's Handbook (AM Session)

Event: Summer Institute 2022
Program: District Catalog
Audience: Principals, APs, Teachers, Attendance Clerks, Data Specialists
Dates: 8/4/2022
Location: May River High School

- How to write incidents for behavior and truancy
- How to create a report
- How to create a roster
- How to import incidents into PowerSchool

- Hours: 2
- Enrolled: 2/25
- Wait: 0/5
