

AMERICAN RESCUE PLAN ACT-ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF (ARP-ESSER) AGREEMENT

This agreement (“Agreement”) is made by and between the Commonwealth of Pennsylvania (“Commonwealth”), through its Pennsylvania Department of Education (“Department”), and Downingtown Area SD located at 540 Trestle Place, Downingtown, PA 19335, (“Grantee”).

The Department, created by Section 201 of the Administrative Code of 1929, as amended, 71 P.S. § 61, is the State Education Agency responsible for administration of grant programs pursuant to the General Appropriation Acts and the Public School Code of 1949, as amended, 24 P.S. § 1-101 et seq. and has been awarded funds by the US Department of Education for American Rescue Plan Act - Elementary and Secondary Emergency Relief (ARP-ESSER) programs under the American Rescue Plan (ARP) Act of 2021, Public Law 117-2.

The parties, intending to be legally bound, agree as follows:

1. Pursuant to this Agreement, Grantee will receive funds in the amount of \$2,497,710.00. The grant shall be used to defray program costs incurred from March 13, 2020 to September 30, 2024.
2. The Agreement shall become effective on the date it is fully executed by all required parties and shall terminate on September 30, 2024, unless terminated earlier in accordance with the terms hereof.
3. Grantee shall furnish all qualified personnel, facilities, materials and other services and in consultation with the Department, provide the services described in Appendix B.
4. This Agreement is comprised of the following Appendices which are hereby incorporated by reference into this Agreement:

Appendix A – Special Program Terms

Appendix B – Grantee’s Program Narrative and Budget

Appendix C – Payment Terms, Responsibilities and Contact Information

5. Grantee acknowledges having reviewed a copy of the Department’s Master Standard Terms and Conditions, which are available at www.education.pa.gov/mstc and are incorporated by reference into and made a part of this Agreement as if fully set forth herein.

The parties, intending to be legally bound, have signed this Agreement below:

FOR THE GRANTEE

Signature: Emilie Lonardi - Electronic Signature Date: 2/25/2022

Title: Superintendent

Signature: _____ Date: _____

Title: _____

FOR THE COMMONWEALTH

For the Secretary of Education: Susan McCrone - Electronic Signature Date: 3/23/2022
Title: Division Chief

APPROVED AS TO FORM AND LEGALITY

Office of Chief Counsel: Patrick Lord - Electronic Signature Date: 3/24/2022
Department of Education
Office of General Counsel: _____ Date: _____
Office of Attorney General: _____ Date: _____

Form Approval No. 6-FA-49.0

Comptroller: Rick Zettlemyer - Electronic Signature Date: 4/5/2022

Vendor Name: Downingtown Area SD
Address: 540 Trestle Place, Downingtown, PA 19335
Fed ID #: 231669834
Vendor #: 0000119438

Grant Title	Funding Source	Project Number	CFDA Number	Allocation Amount	Award Amount
American Rescue Plan - Elementary and Secondary Schools Emergency Relief Fund (ARP-ESSER)	Federal	223-21-0121	84.425U	\$2,497,710.00	\$2,497,710.00

Grantee agrees to comply with the following terms and conditions:

1. The development and execution of the program outlined in this Agreement and subsequent reimbursement for such program by the Department will be in accordance with this Agreement's provisions as finally approved by the Department and shall comply with all applicable provisions of federal, state and local laws, the official regulations pertaining thereto, program guidelines and instructions issued by the Pennsylvania Department of Education.
2. Grantee will comply with all reporting requirements in relation to program and fiscal components of the ARP-ESSER program as defined by the Department and/or federal governing agencies.
3. Grantee will maintain documentation of expenditures, procurement and activities carried out through this grant for a period of the current year plus six years in accordance with Department guidelines. Grantee will provide records to Department, monitors or federal awarding agency upon request.
4. Grantee will comply with all reporting requirements in relation to any waiver authorized under the ARP-ESSER and applied for and approved through the grantee agency. The Department will provide reporting requirements and due dates when available from the federal awarding agency.
5. Payment to Grantee under this Agreement is contingent upon appropriation and availability of funds to the Commonwealth.
6. Grantee will reserve at least 20% for learning loss mitigation, including through:
 - Afterschool, summer schools, extended day/year programs.
 - Targeted to ESEA subgroups, students experiencing homelessness, and children and youth in foster care.

General Federal Requirements:

1. Grantee shall use such fiscal control and fund accounting procedures necessary to ensure the proper disbursement of, and accounting for, federal funds paid to the applicant under each such program.
2. Grantee shall comply with the Uniform Grant Guidance – Subpart D (Post Federal Award Requirements) Standards for Financial and Programs, 2 CFR §200.300-§200.345, as applicable.
3. Grantee shall comply with the Uniform Grants Guidance -- Subpart D (Post Federal Award Requirements) methods of procurement to be followed, 2 CFR §200.320.
4. Grantee shall ensure that all written policies and procedures required by the Uniform Grants Guidance for the administration of federal grant dollars are created, approved, implemented and are available for review by monitors.
5. Grantee shall comply with the Uniform Grants Guidance – Subpart E (Cost Principles) 2 CFR §200.400-§200.417 and 2 CFR §200.420-§200.475, as applicable.
6. Grantee shall comply with the Uniform Grants Guidance – Subpart F – Audit Requirements, specifically sections 2 CFR §200.500-§200.512, as applicable.

Other Federal Requirements:

1. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with federal money, Grantee shall clearly state:
 1. the percentage of the total costs of the program or project that will be financed with federal money;
 2. the dollar amount of federal funds for the project or program; and
 3. the percentage and dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.
2. Grantee shall ensure that its personnel, whose salaries and/or benefits are federally funded are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately owned vehicle during official business, or from using government supplied electronic equipment to text message or email when driving.

3. Insofar as any construction projects are funded with this Agreement, Grantee shall comply with all applicable federal and state legal requirements with respect to such construction projects, including, without limitation, the pre-approval requirements set forth in 2 CFR §200.439, the construction requirements set forth in 34 CFR §§ 75.600-75.617 (such as 34 CFR 75.609 (Safety and Health standards) and 75.616 (Energy Conservation)), and the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). The federal equal opportunity clause applicable to federally assisted construction contracts contained at 41 CFR § 60-1.4 is incorporated herein by reference.
4. Grantee acknowledges that this Agreement may be revised pursuant to ongoing guidance from the relevant federal or Commonwealth agency regarding requirements for the funds subject to this Agreement. Grantee agrees to abide by any such revisions upon written notification from Commonwealth of the revisions, which will automatically become a material part of this Agreement, without the necessity of either party executing any further instrument.

Section: Narratives - Assessing Impacts and Needs

LEA ARP ESSER APPLICATION

The Pennsylvania Department of Education (PDE) recognizes the extraordinary efforts made by Local Education Agencies (LEAs), schools, and educators to support students during the COVID-19 pandemic. The application below requests information from LEAs about: (1) Needs and impacts resulting from the pandemic, (2) Stakeholder engagement in the development of local plans to respond to these needs and impacts, (3) Specific elements in the LEA Plan for the Use of ARP ESSER Funds; and (4) Plans for monitoring and measuring progress. As submitted and accepted by PDE in final form, this application shall become part of the Grant Agreement for ARP ESSER funds as Appendix B. As used in this application, "the LEA" refers to the Grantee defined in the Grant Agreement.

ARP ESSER includes a significant focus on vulnerable student populations. Given these requirements, as well as PDE's own equity commitments, the LEA application includes specific fields requesting information on programs to serve student groups that have experienced disproportionate impacts from the pandemic. Student groups are inclusive of the following:

- Students from low-income families;
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity);
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender);
- English learners;
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA]);
- Students experiencing homelessness;
- Children and youth in foster care;
- Migrant students; and
- Other groups disproportionately impacted by the pandemic that have been identified by the LEA (e.g., youth involved in the criminal justice system, students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years, students who did not consistently participate in remote instruction when offered during school building closures, and LGBTQ+ students).

Section I: Assessing Impacts and Needs

In this first section, LEAs are asked to describe the impact of the pandemic on their students, examine disproportionate impacts on specific student groups, and highlight the LEA's promising practices in supporting student needs since March 2020.

Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the LEA has identified or will identify the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys,

and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Academic impact of lost instructional time, (2) Chronic absenteeism, (3) Student engagement, and (4) Social-emotional well-being?

	Methods Used to Understand Each Type of Impact
Academic Impact of Lost Instructional Time	DASD utilizes a variety of assessment measures to assess student progress on a regular basis and has used these measures to assess the impact of learning loss during the pandemic. In grades K-7, all students are administered the AimswebPlus universal screener in both reading and math. These results have been compared to prior years' cohort data to make comparisons about the impacts of school closures and virtual learning during the pandemic. Similarly, student grades and credit totals for students in grades 8-12 have been used to evaluate the impact of lost instructional time for our secondary students.
Chronic Absenteeism	DASD maintains regular attendance for all students in our Student Information System, Infinite Campus. Automated alerts are sent to the parents of students who are absent on a given day and additional notices are sent to the families of students who have 3 or more unexcused absences. Attendance data is monitored regularly.
Student Engagement	Student engagement is evaluated through a variety of quantitative and anecdotal measures including student attendance, student performance and grades, and regular communication with parents and families. In addition, beginning in the 2020-2021 school year, DASD began administering the Youth Truth survey, a culture/climate measure that will be given on an annual basis. This gave us insight from students on a variety of topics, including specific feedback related to how our students managed during the pandemic.
Social-emotional Well-being	DASD utilizes the BASC/BESS behavior screening tool to serve as an early warning system in identifying student social-emotional needs. The results of the screener indicate whether a student may be at-risk and provides information from which to derive interventions as needed. Additional data is maintained by our school counselors with respect to student office visits, and districtwide we maintain data related to suicide risk assessments.
Other Indicators	

Documenting Disproportionate Impacts

2. Identify **at least three student** groups in the LEA that faced particularly significant impacts from the pandemic. For each, provide specific strategies that were used or will be used to identify and measure impacts.

Student Group	Provide specific strategies that were used or will be used to identify and measure impacts

Student Group	Provide specific strategies that were used or will be used to identify and measure impacts
<p>Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA])</p>	<p>For our students with IEPs, our IEP teams assessed the degree to which services disruption may have occurred for students as a result of school closures and ensured that any missed services/specially designed instruction were made up and provided at a later date. Fortunately for our low-incidence disability population, we were able to maintain in-person learning for the entirety of the 2020-2021 school year.</p>
<p>Students from low-income families</p>	<p>Student grades and universal screening data was analyzed across demographic areas, including students from low-income families. Particular attention was paid to the scores of students in our 4 Title 1 elementary buildings. Generally, our data indicated that students in our Title 1 schools were not disproportionately affected, rather, students in grades K, 1 and 2 across all 10 elementary schools are demonstrating the largest gaps.</p>
<p>Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)</p>	<p>Student grades and universal screening data was analyzed across demographic areas, including students from different racial and ethnic backgrounds who speak English as a Second Language. We will continue to monitor AimswebPlus benchmarking data for these students as well as those across all ethnic groups to assist in identifying any discrepancies in student performance.</p>

Reflecting on Local Strategies

3. Provide the LEA’s assessment of the top two or three strategies that have been most effective in supporting the needs of students, in particular specific student groups most impacted by the COVID-19 pandemic. Include at least one strategy addressing **academic needs** and at least one strategy addressing **social-emotional needs**.

	Strategy Description
<p>Strategy #1</p>	<p>Small-group, evidence-based instruction. The primary way that we have attempted to make up for lost learning time with students has been through the provision of extra evidence-based instruction after-school and during</p>

	Strategy Description
	the summer. We were able to serve over 400 students in the summer of 2021 and expect to serve a similar number in the summer of 2022.

i. **Impacts that Strategy #1 best addresses:** (select all that apply)

- Academic impact of lost instructional time
- Chronic absenteeism
- Student engagement
- Social-emotional well-being
- Other impact

ii. **If Other is selected above, please provide the description here:**

iii. **Student group(s) that Strategy #1 most effectively supports:** (select all that apply)

- Students from low-income families
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)
- English learners
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))
- Students experiencing homelessness
- Children and youth in foster care
- Migrant students
- Other student groups: (provide description below)

iv. **If Other is selected above, please provide the description here.**

Reflecting on Local Strategies: Strategy #2

	Strategy Description
Strategy #2	The addition of a home/school visitor and a school counselor has been a tremendous support for students relative to their social-emotional needs. Previousy, we had only one home/shool visitor for our entire district (13,000 students) and as a result our ability to be proactive in addressing student attendance needs was severely hampered. The addition of another staff member has allowed us to better track and support students who are struggling with attendance. Similarly, the addition of two school counselors has diminished counselor to student caseloads at our high school level, allowing counselors to have more focused time with students. even prior to the pandemic, we were facing a significant mental health need among our student body and that has only been exacerbated.

i. **Impacts that Strategy #2 best addresses:** (select all that apply)

- Academic impact of lost instructional time
- Chronic absenteeism
- Student engagement
- Social-emotional well-being
- Other impact

ii. **If Other is selected above, please provide the description here:**

iii. **Student group(s) that Strategy #2 most effectively supports:** (select all that apply)

- Students from low-income families
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)
- English learners
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))
- Students experiencing homelessness
- Children and youth in foster care
- Migrant students

Other student groups: (provide description below)

iv. **If Other is selected above, please provide the description here.**

Reflecting on Local Strategies: Strategy #3

	Strategy Description
Strategy #3	

i. **Impacts that Strategy #3 best addresses: (select all that apply)**

- Academic Impact of Lost Instructional Time**
- Chronic absenteeism**
- Student engagement**
- Social-emotional well-being**
- Other impact**

ii. **If Other is selected above, please provide the description here:**

iii. **Student group(s) that Strategy #3 most effectively supports: (select all that apply)**

- Students from low-income families**
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity)**
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender)**
- English learners**
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act (IDEA))**
- Students experiencing homelessness**
- Children and youth in foster care**
- Migrant students**
- Other student groups: (provide description below)**

iv. **If Other is selected above, please provide the description here:**

Section: Narratives - Engaging Stakeholders in Plan Development

Section II: Engaging Stakeholders in Plan Development

In this second section, LEAs are asked to provide information on how stakeholders will be engaged in planning for the use of ARP ESSER funds, how stakeholder input will be utilized, and how the LEA will make its LEA Plan for the Use of ARP ESSER Funds transparent to the public—all critical components in developing, implementing, and adjusting plans based on the differential impacts of the COVID-19 pandemic.

4. Stakeholder Engagement

Describe how the LEA, in planning for the use of ARP ESSER funds, has engaged or will engage in meaningful consultation with stakeholders. **(3,000 characters max)**

(Stakeholders include students; families; school and district administrators (including special education administrators); teachers; principals; school leaders; other educators; school staff; and unions. In addition, to the extent that the following groups are present in or served by the LEA, stakeholders also include community partners, civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migrant students, children who are incarcerated, and other underserved students; and tribes.)

In the Spring of 2021, we sent a survey to district stakeholders including parents, teachers, administrators, and staff. The survey explicitly asked stakeholders to provide feedback regarding how we should spend the funds being made available to us in response to the pandemic. Responses were organized by categories that included enhancing facilities, technology, communications, addressing learning loss, Covid testing, student mental health, and several others.

5. Use of Stakeholder Input

Describe how the LEA has taken or will take stakeholder and public input into account in the development of the LEA Plan for the Use of ARP ESSER Funds. **(3,000 characters max)**

In planning for the use of grant funds, we used the results of the survey to prioritize and drive decision-making. The highest percentage of feedback centered around the use of evidence-based interventions, after-school and summer programs, addressing student social-emotional and mental health needs, curriculum enhancements, supporting at-risk students, and maintaining healthy facilities. We believe that our current plan for the use of ARP ESSER funds relates to each one of these areas.

6. Public Access to LEA Plan for the Use of ARP ESSER Funds

Describe the process for development, approval, and making public the LEA Plan for the Use of ARP ESSER Funds. The LEA Plan for the Use of ARP ESSER Funds must be made publicly available on the LEA website and submitted to PDE within 90 days of LEA receipt of ARP ESSER funding, must be written in a language that parents/caregivers can understand, and must be provided in alternate format upon

request by a parent/caregiver who is an individual with a disability. **(3,000 characters max)**

Our plan for the use of ARP ESSER funds will be posted prominently on our District website in its entirety.

Section: Narratives - Using ARP ESSER Funds to Plan for Safe, In-Person Instruction

Section III: Using ARP ESSER Funds to Plan for Safe, In-Person Instruction

In this third section, LEAs are asked to reflect on both the impacts and needs described in Section I and stakeholder engagement described in Section II to provide a description of the LEA plan for the use of ARP ESSER funds, beginning with the minimum 20 percent reservation, to address the impact of lost instructional time as required by section 2001(e)(1) of the ARP Act.

Instructions: For both (a) the 20 percent reservation to address the impact of lost instructional time and (b) remaining funds, describe the LEA's principles for emphasizing educational equity in expending ARP ESSER funds, including but not limited to:

- Responding to students' academic, social, emotional, and mental health needs, and addressing opportunity gaps that existed before—and were exacerbated by—the pandemic.
- Allocating funding to individual schools and for LEA-wide activities based on student need.
- Implementing an equitable and inclusive return to in-person instruction. An inclusive return to in-person instruction includes, but is not limited to, establishing policies and practices that avoid the over-use of exclusionary discipline measures (including in- and out-of-school suspensions) and creating a positive and supportive learning environment for all students.
- Taking steps to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the ARP ESSER-supported program, in compliance with the requirements of section 427 of GEPA (20 U.S.C. 1228a).
- Attending to sustainability of plans supported by non-recurring ARP ESSER funds beyond the ARP ESSER funding period.

7. Plan for 20 percent Reservation to Address the Impact of Lost Instructional Time (**Learning Loss**)

How will the LEA use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs? **(3,000 characters max)**

The response must include:

- a. A description of the evidence-based interventions (e.g., providing intensive or high-dosage tutoring, accelerating learning) the LEA has selected, and how the LEA will evaluate the impact of those interventions on an ongoing basis to determine effectiveness.
- b. How the evidence-based interventions will specifically address the needs of student groups most disproportionately impacted.
- c. The extent to which the LEA will use funds it reserves to identify, engage, and support (1) students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years; and (2) students who did not consistently participate in remote instruction when offered during school building closures.

Our plan to address learning loss using evidence-based interventions is primarily three-fold. First, during the summer of 2021, 2022, and 2023 we will provide programming for students in grades K-7 who are performing below benchmark, according to AimswebPlus, in both math and reading. The program will be four weeks in lengths and run four hours per day. Instructional materials will target foundational reading skills (Foundations, Geodes, etc) and Math (Math in Focus). Instructional group sizes will be no larger than 1 teacher and 1 instructional aide per 15 students. DASD administers AimswebPlus as its universal screening tool on a triannual basis. Any student who based on their AimswebPlus screening data is performing below benchmark in both reading and math will be invited to participate in summer programming. In addition to summer programming, we will also provide after-school programming opportunities to students in grades 1-5 during the spring of 2022 and 2023. Students in all 10 of our elementary schools will be provided with two hours per week of instruction in math and/or reading based on their AimswebPlus data. After-school programming will run for 15 weeks. Finally, we plan to provide high school students who are facing credit deficiency and in danger of not graduating as a result of not consistently participating in remote instruction during the 19-20 and 20-21 school years, with opportunities for credit recovery. Both virtual and supported options will be available and students will have the chance to take credit recovery courses in conjunction with their regular course load during the year or during the summer.

8. Plan for Remaining Funds *(funds not described under the question above)*

How will the LEA spend its remaining ARP ESSER funds including for each of the four fields below, as applicable? **(3,000 characters max)**

- a. Continuity of Services: How will the LEA use ARP ESSER funds to sustain services to address students' academic needs; students' and staff social, emotional, and mental health needs; and student nutrition and food services?
- b. Access to Instruction: How will the LEA use ARP ESSER funds to support the goals of increasing opportunity to learn and equity in instructional delivery? Consider regular attendance/chronic absenteeism data from the 2020-21 school year, including data disaggregated by student groups, in developing the response.
- c. Mitigation Strategies: How will the LEA use ARP ESSER funds to support prevention and mitigation policies in line with the most up-to-date guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities and transportation services to effectively maintain the health and safety of students, educators, and other staff? Consider the LEA's Health and Safety Plan in developing the response.
- d. Facilities Improvements: How will the LEA use ARP ESSER funds to repair and improve school facilities to reduce risk of virus transmission, address environmental health hazards, and/or improve ventilation? Consider the LEA's Health and Safety Plan in developing the response.

DASD will use the remainder of the funds to target two primary need areas for our students: reading and mental health. Through the purchase and implementation of evidence-based reading instructional materials we aim to blunt the instructional impacts related to the acquisition of basic reading skills of our youngest learners. Our current data indicates that students in grades K-2, particularly with respect to reading, were most affected by school closures and virtual instruction. Our implementation of decodable readers in all of our K-2 classrooms across our 10 elementary schools will support strategies associated with the science of reading to help close current gaps. In addition, we recognize the impact that school closures and virtual learning had on the social-emotional and mental health of our students. We intend to support

student attendance and social-emotional needs by using funds to support the addition of a high school counselor and a home and school visitor. These positions will allow us to focus attention on students with the most significant mental health needs as well as target students who may have trouble reacclimating to the school environment and attending school on a regular basis.

9. For LEAs with one or more Comprehensive Support and Improvement (CSI) or Additional Targeted Support and Improvement (ATSI) school only

Please verify consultation of the [Evidence Resource Center](#) in developing the LEA Plan for the Use of ARP ESSER Funds and provide a justification for any intervention that is not supported by tier 1, 2, 3, or 4 evidence. If the LEA does not include a school with a CSI or ATSI designation, indicate “Not Applicable.” **(3,000 characters max)**

We do not have any schools with a CSI or ATSI Designation

10. 20% Reservation Calculation

Please enter your ARP ESSER total allocation amount and then click Save.

***Please ensure that your 20% (or greater) budgeted amount for Learning Loss is itemized in your Budget.**

	ARP ESSER Allocation	Reservation Requirement	Reservation Amount (calculated on save)
20 Percent Reservation	2,497,710	20%	499,542

Section: Narratives - Monitoring and Measuring Progress

Section IV: Monitoring and Measuring Progress

In this fourth section, LEAs are asked to describe efforts to build local capacity to ensure high-quality data collection and reporting to safeguard funds for their intended purposes.

11. Capacity for Data Collection and Reporting

LEAs must continuously monitor progress and adjust strategies as needed. Describe the LEA's capacity and strategy to collect and analyze data (disaggregated by student group, where applicable), for each of the following measures:

	Data Collection and Analysis Plan (including plan to disaggregate data)
Student learning, including academic impact of lost instructional time during the COVID-19 pandemic	Grades, benchmark data, and standardized test measures will be monitored on a regular basis to track the impact of the Covid-19 loss of instructional time and student progress. DASD has a well-functioning Multi-Tiered Systems of Support model wherein building teams regularly meet to discuss and evaluate a variety of student data. The district also utilizes a centralized student data warehouse to support data report generation and analysis.
Opportunity to learn measures (see help text)	
Jobs created and retained (by number of FTEs and position type) (see help text)	The jobs created using ARP ESSER funds will be tracked and monitored by our human resources and business departments in accordance with our typical procedures for staff management.
Participation in programs funded by ARP ESSER resources (e.g., summer and afterschool programs)	Students who are eligible for after-school and summer programming will be invited to each programming option and a list of those who accept will be maintained. Student attendance will also be recorded for both programs. At the conclusion of the program, AimswebPlus data will be evaluated to determine student progress.

Section: Narratives - ARP ESSER Assurances

ARP ESSER Fund Assurances

Please complete each of the following assurances prior to plan submission:

The LEA will implement appropriate fiscal monitoring of and internal controls for the ARP ESSER funds (e.g., by updating the LEA's plan for monitoring funds and internal controls under the CARES and CRRSA Acts; addressing potential sources of waste, fraud, and abuse; conducting random audits; or other tools).

The LEA will complete quarterly Federal Financial Accountability Transparency Act (FFATA) reports and comply with all PDE reporting requirements, including on matters such as:

- How the LEA is developing strategies and implementing public health protocols including, to the greatest extent practicable, policies and plans in line with the CDC guidance related to mitigating COVID-19 in schools;
- Overall plans and policies related to LEA support for return to in-person instruction and maximizing in-person instruction time, including how funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in in-person instruction;
- Data on each LEA's and school's mode of instruction (fully in-person, hybrid, and fully remote) and conditions;
- LEA uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;
- LEA uses of funds to sustain and support access to LEA-supported early childhood education programs;
- Impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and district level);
- Student data (disaggregated by student subgroup) related to how the COVID-19 pandemic has affected instruction and learning;
- Requirements under the FFATA; and
- Additional reporting requirements as may be necessary to ensure accountability and transparency of ARP ESSER fund use.

The LEA will cooperate with any examination of records with respect to such funds by making records available for inspection, production, and examination, and authorized individuals

available for interview and examination, upon the request of: (a) the United States Department of Education and/or its Inspector General; (b) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; (c) the Pennsylvania Department of Education; and/or (d) the Pennsylvania Auditor General, Pennsylvania Inspector General, or any other state agency.

Records pertaining to ARP ESSER Funds, including financial records related to the use of grant funds, will be tracked and retained separately from those records related to the LEA's use of other Federal funds, including ESSER I and ESSER II Funds.

The LEA will maintain inventory records, purchase orders and receipts for equipment (over \$5,000) purchased, all computing devices, and special purpose equipment (\$300 - \$4,999), and will conduct a physical inventory every two years. Please note: inventory of equipment purchased with federal funds must be broken out by funding source.

Any LEA receiving funding under this program will have on file with the SEA a set of assurances that meets the requirements of section 442 of the General Education Provisions Act (GEPA) (20 U.S.C. 1232e).

The LEA will conduct its operations so that no person shall be excluded from participation in, be denied the benefits of, or be subject to discrimination under the ARP ESSER program or activity based on race; color; national origin, which includes a person's limited English proficiency or English learner status and a person's actual or perceived shared ancestry or ethnic characteristics; sex; age; or disability. These non-discrimination obligations arise under Federal civil rights laws, including but not limited to Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. In addition, the LEA must comply with all regulations, guidelines, and standards issued by the United States Department of Education under any of these statutes.

The LEA will comply with all ARP Act and other ARP ESSER requirements, including but not limited to complying with the maintenance of equity provisions in section 2004(c) of the ARP Act. Under Maintenance of Equity, per-pupil funding from state and local sources and staffing levels for *high poverty schools* may not be decreased by an amount that exceeds LEA-wide

reductions in per-pupil funding and staffing levels for *all schools* served by the LEA¹. High poverty schools are the 25 percent of schools serving the highest percent of economically disadvantaged students in the LEA as measured by information LEAs submitted in PIMS that includes individual student data and identifying if the student meets economically disadvantaged criteria. This data is used to calculate school poverty percentages . Note: An LEA is exempt from the Maintenance of Equity requirement if the LEA has a total enrollment of fewer than 1,000 students, operates a single school, serves all students in each grade span in a single school, or demonstrates an exceptional or uncontrollable circumstance, as determined by the United States Secretary of Education.

¹Calculations for Maintenance of Equity: Per Pupil Funding from combined State and local funding = Total LEA funding from combined State and local funding for all schools served by the LEA in the given fiscal year, divided by the number of children enrolled in all schools served by the LEA in the given fiscal year. Full time equivalent staff = Total full-time equivalent staff in all schools served by the LEA in the given fiscal year, divided by the number of children enrolled in all schools served by the LEA in the given fiscal year. These calculations should be completed for all schools in the LEA as well as for high poverty schools in the LEA for FY 2021-22 and 2022-23. Reductions must not be greater for high poverty schools than for all schools in the LEA.

The LEA will implement evidence-based interventions, as required by section 2001(e)(1) of the ARP Act.

The LEA will address the disproportionate impact of the COVID-19 pandemic on underserved students (i.e., students from low-income families, students from underserved racial or ethnic groups and gender groups, English learners, children with disabilities, students experiencing homelessness, children and youth in foster care, migrant students, and other groups disproportionately impacted by the pandemic that have been identified by the LEA) as required by section 2001(e)(1) of the ARP Act.

The LEA will develop and make publicly available a Plan for the Safe Return to In-Person Instruction and Continuity of Services, hereinafter referred to as the LEA Health and Safety Plan, that complies with section 2001(i) of the ARP Act. The plan will be submitted to PDE, in a manner and form determined by PDE, no later than July 30, 2021.

The LEA's Health and Safety Plan will include (1) how the LEA will, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff; (2) how the LEA will ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services; (3) how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC: (a) universal and correct wearing of masks; (b) modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); (c) handwashing and respiratory etiquette; (d) cleaning and maintaining healthy facilities, including improving ventilation; (e) contact tracing in combination with isolation and quarantine, in collaboration with the State and local health departments; (f) diagnostic and screening testing; (g) efforts to provide vaccinations to school communities; (h) appropriate accommodations for children with disabilities with respect to health and safety policies; and (i) coordination with state and local health officials.

The LEA will review its Health and Safety Plan at least every six months during the duration of the ARP ESSER grant period and make revisions as appropriate. When determining whether revisions are necessary, the LEA will take into consideration significant changes to CDC guidance on reopening schools and will seek public input and take public input into account.

The LEA's Health and Safety Plan will be made publicly available on the LEA website and must be written in a language that parents/caregivers can understand or be orally translated for parent/caregivers and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability.

The LEA will provide to PDE: (1) the URL(s) where the public can readily find data on school operating status; and (2) the URL(s) for the LEA websites where the public can find the LEA's Health and Safety plan as required under section 2001(i) of the ARP Act; and the LEA Plan for the Use of ARP ESSER Funds.

Payment Terms, Responsibilities and Contact Information

1. **PROJECT OFFICER:** The person designated to act for the Commonwealth in managing this contract is:

Susan McCrone

smccrone@pa.gov

717-783-2193

2. **TERMS OF PAYMENT:**

- a. All grants are placed on a system of scheduled payments to provide operating funds during the period of the Agreement. Monthly payments are determined by dividing the approved amount by the number of months during the term of the Agreement. Payments will be initiated by the Comptroller's Office after arrival of each fully executed Agreement.
- b. Grantee shall implement a cash management system that will ensure that only the minimum amount of cash required to effectively operate the program is requested and/or kept on hand. Failure to implement and maintain such a system can result in the Grantee being suspended until an adequate cash management system has been implemented.
- c. During the life of this Agreement, unless otherwise provided in Program Guidelines, Grantee shall submit the following financial reports to the Comptroller's Office or the Department:
 1. Reconciliation of Cash on Hand Quarterly Report PDE Form No. 2030, and
 2. Final Expenditure Report.
- d. Grantee will conform to all policies and guidelines cited in the Department's individual program Policies and Procedures and/or instructions associated with the Reconciliation of Cash on Hand Quarterly Report, and Final Expenditure Report concerning the financial reports described in Paragraph 2(c), above.
- e. The Department reserves the right to disapprove any expenditures by the Grantee that are not in accordance with this Agreement.

3. **REPORTING:**

Grantee shall submit any required program and or fiscal reports that are designated by the Department and/or federal awarding agencies for the purpose of determining program outcomes and compliance. Due dates and reporting requirements will be announced by the Department.

Any unexpended funds remaining at the end of the grant period must be returned to the Department of Education.

4. **FUNDING LEVEL: THE TOTAL COST TO THE COMMONWEALTH UNDER THIS AGREEMENT SHALL NOT EXCEED THE AMOUNT SET FORTH IN THE AGREEMENT.**

Payment of that amount is contingent upon the availability of Program funds and appropriations sufficient to pay the total costs. Any funds provided to the Grantee under this Agreement may only be used in accordance with this Agreement.

- a. **FUNDING INCREASE** – If the Commonwealth determines that additional Federal or State program funds are available for use under this Agreement, the Commonwealth may at its sole discretion increase the approved program cost. Such increases will be made in accordance with paragraph 5 (“Funding Adjustments”).

- b. **DECREASE** – The Commonwealth reserves the right, at its sole discretion, to reduce the total cost of this Agreement when the Federal or State funds appropriated by the U.S. Congress and/or State Legislature are less than anticipated by the Commonwealth after Execution of this Agreement hereunder; **or** the funds appropriated are later unavailable due to a reduction or reservation in the appropriation. Such decreases will be made in accordance with paragraph 5 (“Funding Adjustments”).
- c. **UNEXPENDED FUNDS** – Grantee understands and agrees that funds which remain unexpended at the end of the term of the Agreement or upon termination of the Agreement shall be returned to the Commonwealth within sixty (60) days of the project’s ending date or termination date along with the submission of the Final Completion Report and/or Final Expenditure Report, depending on the applicable program requirements.
- d. **WITHHOLDING OF FUNDING** – Without limitation of any other remedies to which it is entitled hereunder or at law, the Commonwealth shall have the right to withhold the funding granted under this Agreement, in whole or in part, for any of the following reasons, without limitation:
 - 1. failure of Grantee to fulfill in a timely and proper manner its obligations hereunder;
 - 2. violation of laws, regulations or polices applicable to the grant or to the implementation of the project funded under this Agreement; and
 - 3. misuse of funds, mismanagement, criminal activity or malfeasance in the implementation of this Agreement.

5. **FUNDING ADJUSTMENTS:**

Funding Adjustments may be made for the following reasons and in the following manner:

- a. **Funding Increase:**
 - 1. The Commonwealth shall notify the Grantee in writing of any funding increases under this Agreement.
 - 2. Upon receipt of this notice the Grantee shall revise and submit to the Commonwealth a revised Program Summary Budget and if necessary, any revised pages of the Narrative which shall reflect the increase of funds.
 - 3. Funding increases will take effect upon Commonwealth’s receipt and approval of the revised documents, which shall be incorporated in and made part of this Agreement.
- b. **Funding Decrease:**
 - 1. The Commonwealth shall notify the Grantee in writing of any funding decreases.
 - 2. Funding decreases will be effective upon receipt by the Grantee of the Commonwealth's funding decrease notice.
 - 3. Funding decrease notices shall be incorporated in and made part of this Agreement.
- c. **Transfer of Funds Among Cost Categories and/or Object Codes:**

Any transfer of funds among cost functions and/or object codes must be made consistent with the applicable Program Guidelines.
