

# The Locomotive Care Closet is open!

The United Way of Yellowstone County, Laurel Education Foundation, and our generous community members have stocked the supply closet at the Administration building. These are generous donations for our students and teachers. If you need anything for your students or for yourself, send HR a list and we will get you what you need.

We also have a limited amount of cash so if you need something that is not available on the shelves, please let us know and we may be able to get it for you.
