WOLF PACK GUEST WRITERS

Guest Writers

This month our guest writers in 5th grade are Brelynn Craven and Maci Sullivan. They work hard to be leaders in their 5th grade classrooms and love to share their love for reading, writing, and leading with you. We also have Will Leach as our graphic designer. He is a leader in 6th grade. He has a big impact in his grade by being a kind leader to others.

Junior Sports Spotlight

Our Junior Sports Spotlight is Brycen Dotson. He plays soccer! Last year he made a soccer petition to start a soccer team at our school.

Q: What is your favorite sport?

A: Soccer

Q: Why is that your favorite sport?

A: Well I have been playing soccer for years and I think most other sports are boring. I also don't have a lot of time to play other sports.

Q: What position do you play in your sport?

A: Well everyone of them. I most like playing defense though because I don't have to run a lot, but there's plenty of action too.

Q: Do you see yourself still playing this sport in high school and/or college?

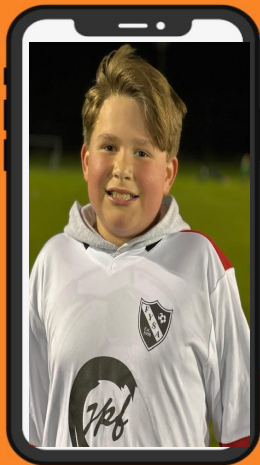

A: Yes, I'd like to, but the problem is that most colleges focus more on their football and baseball teams instead of soccer. But next year Puckett High and Junior High are getting a soccer team.

Q: When does playing your sport make you mad or frustrated?

A: The people that think they're the next Pele or Ronaldo so they think they're the best and get on my nerves.

Q: You started a petition last year to start a soccer team at our school. What was your reasoning for this and how do you feel that your petition might have made a difference in helping us get a team for soccer at Puckett?

A: I started it because there was no reason to not have a soccer team and plus I really like soccer and we a soccer team because other schools have one and we do not. I think I made a difference because no one else started something up. When they sent my petition up to Puckett High they knew someone wanted a soccer team. They thought they could start one but of course I could be wrong and Puckett High just decided they want a soccer team.

Roping in a Winning Writer

My name is Maci Sullivan. My sports are rodeo, softball, and cheer. I am going to tell you about rodeo. The reason why I rodeo is because it runs in my family. I have had a horse ever since I was born. My dad bulldogs and has won a bunch of rodeos. For example bulldogging is where you run beside a steer (bull) and get off and turn the steer over. I have my own horse. Her name is Honey. She is a blue roan and she is 3 years old. She is my barrel horse. I do three association's NBHA, Mississippi Youth Bulls and Barrels, and Little Britches.

I also break away. Breakaway is where you rope a calf around the neck and let the rope go. My breakaway horse is Buckshot. He is a buckskin horse. I have not brought my break away horse to a rodeo yet but I will soon. I have won a total of \$300.00 barrel racing this year and more in the past. I have a little sister, Harper. This is her first year of school here. She is in Mrs. Pennington's class. She loves to barrel race or just ride. Kylie, my twin, also rides. She likes to barrel race and just ride. When we go to rodeos there is a bunch of kids there. Which is why I think that other kids would enjoy it. Rodeoing has taught me sportship and hard work you can't always win or give up.

Why I'm Thankful for My Pageant Life

by Brelynn Craven

Hey, I'm Brelynn Craven, and I do a lot of pageants. In fact, I have done more than 20 pageants. In September, I had my state pageant, and I tried my best even though I didn't win. I got Future Queen which means I didn't even place. I was representing Preteen Miss Rankin County. I have been doing pageants for three years. The farthest I have traveled for a pageant was Vicksburg. That's like an hour away from Puckett. I like to do other things other than pageants, but doing pageants is my favorite thing to do. What made me start doing pageants was every time Puckett would have a Beauty and Beau pageant I would always be in it. I told my parents I wanted to do more pageants other than this one and that is how I got started doing pageants.

I think other girls would like doing pageants too because you can make new friends and try something new for a little bit. Plus it is really fun to get all dolled up and get to try on pretty dresses.

Because of pageants, I have learned to always have faith in myself and to always try my best no matter what.

New Friends Spotlight!

Our friend spotlight is fourth grader, Heath Henderson. He is new this year, and his fifth grade sister, Hollie, is too. We wanted to welcome them to our school by introducing them in our newspaper.

Are you liking Puckett so far? What's your favorite thing about our school so far?

Where did you move from?

What is your favorite subject? Why?

How old is your sibling and what is their names?

We've noticed you have a sister on campus too. What are some things y'all like to do as siblings?

New Staff Spotlight

Our New Staff for this month is..... Mrs. Williams! She teaches 2nd grade with Mrs. Palmer. She lights up her classroom and is an amazing teacher!

What was your old job?

I was a Dyslexia Therapist at my old job/school.

What made you come to Puckett?

Puckett has a special place in my heart. I graduated from Puckett, and I have lived in the Puckett area for years. Puckett Elementary School has always been an amazing school and the town of Puckett has a great community started subbing at the school in April of 2021 and now I am an assistant teacher for 2nd grade. Maybe one day I will have my own classroom at PES.

What are some things you would hope to accomplish at PES?

To help our 2nd graders grow their reading, writing and math abilities so they are well prepared for 3rd grade.

How are you adjusting to a new work environment?

I am adjusting very well to my new work environment. I love all of my students and enjoy coming to work each day.

What are some hobbies you have outside of work?

I enjoy crafting, spending time with family and friends, and going camping in our camper.

Senior Spotlight

We have chosen Alex Spangler. Interestingly enough, we are also spotlighting his sister, Brelynn Craven, as our 5th grade guest writer this month. She requested to see her big brother in the same monthly edition as her. How special to showcase them both!

What college are you going to?

Jones Community College

What job are you planning to do? Why?

I want to become a football coach because I love the sport and teaching kids.

What will you miss about Puckett High School? Why?

I'll miss the teachers at Puckett High School because they always try to make stuff fun and are always there when you need them to be.

Did you play any sports? What is a sports memory you will remember?

Playing football for the high school was one of my favorite parts of high school. I'll never forget when you look up in the stand and see the whole town behind you. It's a good feeling.

What do you like to do in your free time?

I like to either hang out with friends or go do something with family.

What are you thankful for? Why?

I am thankful for being able to get my education and thankful to God for giving me another day to breathe and make a name for myself.
