

# **NELSD District Goals**

## **2019-2020**

- 1. Improve student achievement across the district.**
  - a. Increase our indicators met on the State Report Card to **4 per building**.
  - b. Increase our Performance Index Score **5** points from the previous year.
  - c. Use student achievement data to support instructional decisions and curriculum implementation.
  - d. Use Teacher Based Teams (TBTs), Building Level Teams (BLTs), and District Level Team (DLT) to access student data to inform instruction.
- 2. Focus district improvement efforts on our District Leadership Team Goals.**
  - a. Implement and assess our district-wide use of Positive Behavioral Interventions & Supports (PBIS).
  - b. Revise PBIS strategies as necessary for increased success.
  - c. Define motivational strategies and implement professional development on rigor, perseverance, and motivation.
  - d. Develop a tool to measure the success of how we motivate students.
- 3. Inform/Engage Community with updates to the building project.**
  - a. Share data with stakeholders and pertinent information about the building project.
  - b. Continue to engage the community in the planning of the facilities and plans for existing facilities.
  - c. Implement real time video feed from each project site to be posted on our website.
  - d. Plan for the implementation with staff of the building development and transition plan.
