November 2022

Issue 3

## Note from the teachers

It's hard to believe that we are already closing out the first quarter! Your child's report card will be available in Parent Vue on Monday, November 14<sup>th</sup>. This is a great time to set goals with your child for quarter 2. During the first few weeks of November, we are participating in a school fundraiser. Consider creating an account for your child and sharing it with family and friends. We are looking forward to participating in our fun run on Wednesday, November 16<sup>th</sup>!

During this month, we want to remember the many things for which we are grateful. At home, consider identifying these things together as a family, or, create an A- Z list for things your family is thankful for that starts with each letter of the alphabet. As always, we are grateful for your continued support!
