Subject: Re: Freedom of Information Act (FOIA) Request Form

Candace,

As always, the district is evasive on PPRA and FOIA requests by doing 2 things - ignoring MOST of the request, then addressing a small portion of the request with a ridiculous (and probably illegal) charge to deter the request.

I will address the insane cost in another way, but the questions below have been totally ignored and need no research, cost, printing of items, etc.

1. Who reviewed the books and deemed them appropriate for children. Since the books are rated for adults, someone in our district must have read the books to dispute the age rating that is placed on the book?
2. Who authorized purchase of the books. There would be a point of contact that authorizes purchasing for the schools, and library books. Who is this person?
3. Who accepted delivery of the books at the district or school level and distributed and cataloged them into our libraries. If books were sent to the district office, who accepted. If they were sent to each school directly, who accepted delivery.

I also want to know the names of the librarians in each school. Since they are responsible for distribution of obscene and pornographic materials to the children, I would like to know who is handling this in each school.

All of this was in my original FOIA request dated October 19, 2022. As usual, you have violated the law and your job to provide full details of the FOIA and PPRA as covered under Federal Law.

Parents will not be bullied into allowing obscene and pornographic materials into our schools, despite the coordinated effort last night at the board meeting. I will remind you and everyone in the district that you work FOR the parents, not the other way around, and NOT for a bunch of activists that float around looking for media attention that have NO real interest in protecting our kids - which is something the board IS responsible for.

I expect the answers, in full with no redactions, restrictions or bogus charges, to be available to me within the legally required timeline for FOIA requests, with my submission date listed above.

Thank you
Joseph Castagnino

Dear Mr. Castagnino:

We are in receipt of your October 19, 2022 FOIA request.

FOIA requires the public body to make public records available for copying, inspection, or to be provided electronically. In some instances, the District is not in possession of any documents or records responsive to the item you have requested.

As denoted in the General Records Retention Schedules for School District Records ([https://scdah.sc.gov/sites/scdah/files/Documents/Records%20Management%20\(RM\)/Schedules/genskedskldist.pdf](https://scdah.sc.gov/sites/scdah/files/Documents/Records%20Management%20(RM)/Schedules/genskedskldist.pdf)) provided by the South Carolina Department of Archives and History, the Beaufort County School District (BCSD) is required to retain paid invoices for 5 years (12-902.17), purchase orders for 3 years (12-902.18), and accounts payable check registers for 3 years (12-902.19). After these timeframes pass, documents are to be destroyed as per the directive of the SC Department of Archives and History. As such, documentation does not remain for library book purchases prior to these timeframes.

As for current purchasing documentation, BCSD has approximately 30,000 credit card purchases a year that would need to be searched for the specific titles you are seeking, per school, along with any accompanying purchase orders and invoices. In accordance with S.C. Code Ann. 30-4-30(B), the public body may establish and collect reasonable fees not to exceed the actual cost of the search, retrieval, and redaction of records. For existing documentation associated with library book purchases, the BCSD estimates search, retrieval, and redaction, if necessary, of public documents to respond to your request surrounding the 96 titles listed will require approximately 240 hours, for an estimated cost of \$7,653 (plus 6 cents per copy if printed). Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request.

Please make all checks out to the Beaufort County School District and send to my attention.

Sincerely,

Candace Bruder, Ed.D
