

Extra time to learn YOUR WAY!

Office Hours are back to give students time to catch up on learning, make up missed assignments, or dig deeper into subject matter.

NEW OFFICE HOURS

Wednesdays

1:18 - 2:10 p.m.

starting November 30

Focused Academic Support

- Classes will be shortened on Wednesday to provide extended Office Hours at the end of the school day.
- Students in need of extra support or who want more time to accelerate their learning can remain at school to meet in-person with teachers.
- Students who are caught up in their classes have the flexibility to complete assignments and collaborate with classmates at home (with parent permission) or at school.
- NOTE: Students who fall behind in a course may be required by their teacher to attend Office Hours in order to receive additional support.
