NELSD Title I Program Parent Involvement Plan

Goals:

1. Parents will be informed about all aspects of the Title I program at an annual parent meeting.
2. Suggestions for helping parents work with their children at home will be offered throughout the school year through workshops, conferences, parent nights, and materials will be sent home with students.
3. Staff members will have professional development opportunities throughout the year that will assist them to in working effectively with parents.
4. Parents are encouraged to participate in the design, operation, and evaluation of the Title I program and parent involvement activities.
5. Parents with limited English proficiency will have information provided to them in a language and format that they understand.
6. Timely responses to parent questions, concerns, and recommendations will be made.
7. Send information related to school and parent programs, meetings, and other activities to parents in a timely manner.
8. Conferences will be scheduled each semester and may be requested by the parents to discuss their child's progress at any time. Parents are strongly encouraged to participate in the decision-making process about the education of their child.
9. Individual student assessment results, including an interpretation of such results, will be shared at conferences or through mailed communications. Parents will also receive an explanation of the state standards for their child's grade and the assessment used by the district to measure student progress towards those standards.
10. A spring survey will provide parents with an opportunity to make requests for additional meetings and/or activities and to assess the effectiveness of the current parent involvement activities.
