Director of Pupil Personnel

Dr. John Kronour  
Mr. Dale Miller  
Mr. Shawn Blazer  
Mr. Steve Linson

**Northeastern Local School District**  
**Health Screening and Referral Process**

***Health Screening Process***

- The following forms are given to families in their Spring packet and at their Fall screening appointment: Oral Health Assessment, Annual Medical Diagnostic Screening and Medical Statement.
- Within 30 days of admission, families are to return all forms signed by their doctors.
- At their child's screening appointment in the Fall, parents will receive information about community resources that provide health screenings.
- At the screening appointment in the Fall, the Northeastern school nurse will screen children for vision and hearing.
- The Northeastern Local Speech and Language Pathologist will screen for speech and language delays.
- The Northeastern Local Occupational Therapist and Physical Therapist will screen for motor delays.
- After the screening takes place, the program will share/conference with parents the results of the health screening.
- The Northeastern Local school nurse, documents the health screenings and referrals.
- 

***Health Screening Referral Process***

- If a referral is recommended after the review of the health screening form, families are notified by the program.
- The program provides information about community providers if a referral is given.

***Documentation***

- The program will keep the health screening form on file in the student's file.
