This is not a contract. This benefits summary presents plan highlights only. Please refer to the policy/ plan documents, as limitations and exclusions apply. The policy/ plan documents control in the event of a conflict with this benefits summary.

(1) Your group's benefit period is based on a Contract Year. The Contract Year is a consecutive 12-month period beginning on your employer's effective date. Contact your employer to determine the effective date applicable to your program.

(2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government. TMOOP must include deductible, coinsurance, copays, prescription drug cost share and any qualified medical expense. If you are enrolled in a "Family" plan, with your non-embedded deductible, the entire family deductible must be satisfied before claims reimbursement begins. In addition, with your non-embedded out-of-pocket limit, the entire family out-of-pocket limit must be satisfied before additional claims reimbursement begins. Finally, with your non-embedded TMOOP, once the entire family TMOOP is satisfied, claims will pay at 100% of the plan allowance for covered expenses for the family, for the rest of the plan year.

- (3) Services are provided for acute care for minor illnesses. Services must be performed by a Highmark approved telemedicine provider. Virtual Behavioral Health visits provided by a Highmark approved telemedicine provider are eligible under the Outpatient Mental Health benefit.
- (4) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).
- (5) Air Ambulance services rendered by out-of-network providers will be covered at the highest network level of benefits.
- (6) Services for the treatment of Autism Spectrum Disorders are covered for eligible members to age 21. After initial evaluation, Applied Behavioral Analysis will be covered as specified above. All other Covered Services for the treatment of Autism Spectrum Disorders will be covered according to the benefit category (e.g. speech therapy, diagnostic services). Treatment for Autism Spectrum Disorders does not reduce visit/day limits.
- (7) Treatment includes coverage for the correction of a physical or medical problem associated with infertility. Infertility drug therapy may or may not be covered depending on your group's prescription drug program.
- (8) If you receive services from an out-of-area provider or an out-of-network provider, you must contact Highmark Utilization Management prior to a planned inpatient admission, prior to receiving certain outpatient services or within 48 hours of an emergency or unplanned inpatient admission to obtain any required precertification. If precertification is not obtained and it is later determined that all or part of the services received were not medically necessary or appropriate, you will be responsible for the payment of any costs not covered by your health plan.
- (9) At a retail or mail-order pharmacy, if your deductible has not been met, you pay the entire cost for your prescription drug at the discounted rate Highmark has negotiated. The amount you paid for your prescription will be applied to your deductible. If your deductible has been met, you will only pay any member responsibility based on the benefit level indicated above. You will pay this amount at the pharmacy when you have your prescription filled. The Highmark formulary is an extensive list of Food and Drug Administration (FDA) approved prescription drugs selected for their quality, safety and effectiveness. The formulary was developed by Highmark Pharmacy Services and approved by the Highmark Pharmacy and Therapeutics Committee made up of clinical pharmacists and physicians. All plan formularies include products in every major therapeutic category. Plan formularies vary by the number of different drugs they cover and in the cost-sharing requirements. This formulary covers all FDA-approved generic and brand-name drugs. Your plan requires that you use a specific specialty pharmacy for hemophilia medications. Please contact member services for more details. **With the Exclusive Home Delivery program, you can have your maintenance prescription drugs filled two times at a retail pharmacy location. After that, you must have your maintenance prescription drugs filled through the mail order program.**
- (10) Benefits for Emergency Care Services rendered by an Out-of-Network Provider will be paid at the Network services level. Benefits for Hospital Services or Medical Care Services rendered by an Out-of-Network Provider to a member requiring an inpatient admission or observation immediately following receipt of Emergency Care Services will be paid at the Network services level. The member will not be responsible for any amounts billed by the Out-of-Network Provider that are in excess of the plan allowance for such services.
