

SF PTO Teacher Sign Up

Hello Teachers!!!
Welcome back to School!!

I would like to take this time to invite you to join the PTO and help the parents help you. This could be your way to help those parents understand your true classroom needs and to share your ideas to make our students' educational experiences more fun and easier for you.

We have a lot of fun activities planned for this year and some great ideas for helping you and appreciating you. All you have to do is join and attend at least 3 after school meetings this year.

If you are not interested, trust me, I completely understand! If you are, please fill out your information below and place it in the PTO mailbox the next time you are in the office. If you want removed from the existing list, please email me at sfpto2022@gmail.com

We have meetings scheduled after school every month through December. We hope to see you there!!
