

TPSD Community Forum Series

Nov. 7 Modified School Calendar

Dec. 12 Modified School Calendar

Jan. 23 Community Based Accountability Model

Hosted by Dr. Rob Picou

The entire community is invited to attend these meetings and provide input and ask questions.

All meetings will be held at the Church Street Auditorium, beginning at 6 p.m.

tupeloschools.com

If I had asked people what they wanted, they would have said faster horses. – Henry Ford

Welcome

Introductions

Cogenerative Conversation: Structured conversation in which a group of people co-develop strategies for a specific change initiative or to evaluate a current practice.

Norms: Respect, Listen, Think, Lean-In

Initiative: Traditional, Year Round, Balanced,
or Modified Calendar

Traditional 9-Month Calendar

45-15 Balanced Calendar

							180	187	237	

Things to Know:

- ❖ Variations: 45–15, 60–20, 90–30
- ❖ All variations include intercessions for remediation and enrichment spread out throughout the year instead of concentrated during the summer.
- ❖ Intersessions serve the same purpose as summer school, offering extra help and specialized programs for either full or partial days.
- ❖ Intersessions do not necessarily include all students, just like summer school is not required of all students.
- ❖ 180 instructional days are required by MDE.

Things to Consider:

- ❖ Encouraged and could possibly be incentivised by Legislators — Lt. Gov Hosemann.
- ❖ Supported by the Mississippi Department of Education.
“The quality of the calendar is only as good as the quality of the intercessions.”
- ❖ Corinth School District first to adopt a modified calendar.
- ❖ Other districts are considering or have adopted a modified calendar.
- ❖ The TPSD Board of Trustees is responsible for adopting the school calendar.

Key Findings From Research:

- ❖ Impact on student achievement is inconclusive.
- ❖ Stronger evidence for effectiveness of calendar changes that increase the overall length of the school year.
- ❖ Additional costs present a challenge.
- ❖ Stakeholder engagement is essential for sustainable implementation.
- ❖ Impact depends on implementing general instructional best practices to maximize the effectiveness of instructional time during the regular sessions and during the intersessions.

Pros and Cons of a Modified Calendar:

Pros:

- ❖ Avoid Summer Slide
- ❖ Offers Time During School Year for Interventions
- ❖ Provides Breaks Throughout School Year
- ❖ Summer is Shorter

Cons:

- ❖ Achieving Buy In
- ❖ Juggling Logistics
- ❖ Increased Costs
- ❖ Day Care
- ❖ Summer Sports Travel
- ❖ Summer is Shorter

Let's Hear From You:

- ❖ When would school start and end? That would depend on what calendar is chosen.
- ❖ How long would it take to implement? It will take time to design intercessions and to plan to do it right.
- ❖ What do we need to consider from your perspective?
- ❖ What are the potential unintended consequences?
- ❖ Where are our obstacles?
- ❖ Where are our opportunities for success?

What is Next?

- ❖ This meeting is taped for future reference.
- ❖ There will be a place on the TPSD Web page for input, to gather information, and collect research.
- ❖ Initial community survey
- ❖ Two WEBex meetings to solicit feedback
- ❖ Focus meetings at individual schools
- ❖ Another community forum
- ❖ A final survey
