In accordance with Federal and State regulations, the following Code of Conduct applies to the selection, award, and/or administration of a contract procuring property or services under a Federal award, including the expenditure of Connecticut School Nutrition Program (“School Nutrition Program”) funds by any Coventry Board of Education (“Board”) employee or agent.

Article I. Purpose

The purpose of this Code of Conduct is to establish standards of conduct covering real or apparent conflicts of interest and governing the actions of Board employees engaged in the selection, award, and/or administration of contracts procuring property or services under a Federal award, including expending School Nutrition Program funds on goods and/or services. This Code of Conduct also sets forth discipline that may result from violating these standards.

No employee, officer, or agent of the Board shall participate in the selection, award and/or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Conflicts of interest arise when one of the following has a financial or other interest in, or a tangible personal benefit from, the firm selected for the award:
 - a. The employee, officer, or agent of the Board;
 - b. Any immediate family member of the Board employee, officer, or agent (spouse, sibling, parent, child);

 - d. An organization that employs or is about to employ one of the above.
2. The Board’s employees, officers, or agents shall neither solicit nor accept gratuities, favors, travel packages, incentives or anything of monetary value from contractors, potential contractors, or parties to sub-agreements related to programs funded by the Federal government, in whole or in part. In determining whether an item is an

impermissible gratuity or of monetary value, the definition of 'gratuity' shall be anything of more than ten dollars in value.

3. The Board's employees, officers, or agents shall disclose any actual or potential conflict of interest to the Superintendent of Schools or his/her designee. Thereafter, as required by law, the Board shall disclose in writing any potential conflict of interest to the Connecticut State Department of Education.

Failure of any Board employee to abide by this code of conduct may result in disciplinary action, up to and including termination. The Board reserves the right to pursue legal actions for violations as permitted by law.
