- Will have extra people in the concession stand. Do we want to open the baseball stand? Decided to sell out of all windows and set up a cart outside the stand for condiments.
- Hot chocolate—not enough hot water to keep up with demand.
- Volleyball is a great money-maker for concessions. Pretzel bites are very popular.
- Do we ask for more volunteers when people don't show up? We decided to print off a sign up sheet and people check off when they arrive.
- Make sure price lists are consistent.
