

Notice of Highly Capable Screening

November 6, 2022

Dear Tukwila School District Families,

Students in grades Kindergarten through 4th will be taking a highly capable screener during the week of November 28, 2022. For more information, please contact your child's principal:

- Dr. Fremstad – Cascade View - fremstadt@tukwila.wednet.edu
- Mr. Croyle – Thorndyke Elementary - croylem@tukwila.wednet.edu
- Ms. Nur – Tukwila Elementary - nurh@tukwila.wednet.edu

The purpose of the highly capable screener is to identify students who are in need of advanced learning services. Based on the results of the screener, students will be referred for Highly Capable services within the cluster model at their respective schools. Administrators, teachers, parents and guardians are welcomed to refer students to the program.

If you decide that you do not want your child to participate in the Highly Capable screener that will be done during the week of November 28, 2022, you will need to complete [Assessment Refusal Documentation](#) form which is also located on the district website and return to your child's teacher no later than Monday, November 21, 2022.

Parents will be notified of results in February 2023.

Thank you for your partnership in learning.

Sincerely,

Dr. Millicent Borishade
