GENERAL PROVISIONS

Applicable Benefits

This Certificate may include multiple benefit options and types of benefits. You will only be covered for benefits if:

- They were previously selected in an acceptable manner and mode, such as an enrollment form or other required form; and
- We have received any required premium.

If Proof of Insurability is required, You will not be covered unless You satisfy the Proof of Insurability requirements stated in the Certificate and Schedule of Benefits.

Limitation Of Authority

Only the President, a Vice President or a Secretary of Guardian, has the authority to act for Us in a written and signed statement to:

- Determine whether any contract, Policy or Certificate is to be issued;
- Waive or alter any contract or Policy provisions, or any of Our requirements;
- Bind Us by any statement or promise relating to the contract issued or to be issued; or
- Accept any information or representation which is not in a signed application.

Agents and brokers do not have the authority to change the contract or Policy or waive any of its provisions.

Ownership

Owner:

The Owner is the Employee to whom this Certificate is issued and who is eligible for coverage as described on the Certificate Data page or in any later change shown in our records. While the Insured is living and subject to any assignment on file with us, the Owner alone has the right to receive all benefits and exercise all rights this Certificate grants or We allow.

Successor Owner:

A numbered sequence may be used to name successor Owners. If the Owner dies, ownership passes to the next designated successor Owner then living. If none is then living, ownership passes to the Owner's estate. No successor Owner is permitted when the Insured and the Owner are the same person.

Changes in Ownership:

You may change an Owner by written request. Unless otherwise specified by the Owner, the change will take effect as of the date the request is signed, whether or not the Insured is living when We receive the request at our Customer Service Office. However, the change will not apply to any payments made or actions taken by us on or before the date the request is received in Good Order at Our Customer Service Office.

Incontestability

This Certificate is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, made by You, or any dependent, will be used to contest the validity of Your insurance or to deny a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during Your lifetime.

If this Certificate replaces a plan Your Employer had with another insurer, We may rescind this Certificate based on misrepresentations or omissions made by Your Employer or You in a signed application for up to two years from the Effective Date of the Policy.

In the event Your insurance is rescinded, We will refund premiums paid for the periods such insurance is void. The premium paid by You will be sent to Your last known address on file with Your Employer or Us.

Grace In Payment Of Premiums Termination Of Certificate

A grace period of 31 days, without interest charge, will be allowed for each premium payment except the first. If any premium is not paid before the end of the grace period, this Certificate ends with respect to all at the end of the grace period. If You give Us advance written notice of an earlier termination date during the grace period, this Certificate will end as of such earlier date.

If this Certificate ends during or at the end of the grace period, You will still owe Us premium for all the time this Certificate was in force during the grace period.

This Certificate ends on any date when a coverage under this Certificate ends and, as a result, no benefits remain in effect under this Certificate.

The Contract

The entire contract between the Policyholder and Us consists of:

- The Policy;
- The Schedule of Premium Rates;
- The Certificate(s) which describe(s) the insurance for which Covered Persons are insured;

- Any attached riders, schedule of benefits or amendments; (5) and the Policyholders application.

In the event of a conflict, the Policy shall reign.

We can amend the Policy at any time, without the consent of the insured Employees or any other person having a beneficial interest in it:

- Upon written request made by the Policyholder and agreed to by Us; or
- On any date Our obligation under this Policy with respect to the Policyholder is changed because of statutory or other regulatory requirements.

If We amend this Policy, except upon request made by the Policyholder, We must give the Policyholder written notice of such change.

Any amendments to this Policy will be without prejudice to any claim arising prior to the date of the change. No person, except by a writing signed by the President, a Vice President or a Secretary of Guardian, has the authority to act for Us to:

- Determine whether any contract, policy or certificate is to be issued;
- Waive or alter any provisions of any contract or policy, or any of Our requirements;
- Bind Us by any statement or promise relating to the contract issued or to be issued; or
- Accept any information or representation which is not in a signed application.

Statements

No statement will void the insurance under this Certificate, or be used in defense of a claim unless:

- in Your case, it is contained in the application signed by You;
- In the case of a Covered Person, it is contained in a written instrument signed by him or her.

All statements, in the absence of fraud, will be deemed representations and not warranties.

Clerical Error Misstatements Of Age

Neither clerical error by You or Us in keeping any records on the insurance under this Certificate, nor delays in making entries, will invalidate insurance otherwise validly in force or continue insurance otherwise validly terminated. On discovery of such error or delay, an equitable adjustment of premiums will be made.

Premium adjustments involving return of unearned premium to You will be limited to the period of 60 days before the date of Our receipt of satisfactory evidence that such adjustments should be made.

The age of an Employee or any other relevant facts, may be found to have been misstated. If premiums are affected due to this, an equitable adjustment of premiums will be made. If such misstatement involves whether or not an insurance risk would have been accepted by Us, or the amount of insurance, the true facts will be used to determine whether insurance is in force under the terms of this Policy, and in what amount.

If the age of the insured has been understated, the amount payable under the policy is the amount that the premium paid would have purchased, if the the insureds age had been stated correctly.

Grace In Payment Of Premiums Termination Of Certificate

When Dependent Coverage Ends

Dependent coverage ends for all of Your dependents when:

- Your Employee coverage ends;
- You stop being a member of a class of Employees eligible for such coverage;
- This Certificate ends; or
- Dependent coverage is discontinued from this Certificate for all Employees or for Your class.

If You are required to pay part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an eligible dependent. For dependent children the coverage ends at 12:01 A.M. Standard Time for Your place of residence on the last day of the month in which the child attains this Certificate's age limit, or when a step-child is no longer dependent on You for at least 50% of their support and maintenance, or for Your disabled child who has reached the age limit, when he or she is no longer eligible under the Continuing Coverage for Dependent Children Past the Limiting Age provision.

Coverage ends for a Spouse when a marriage is lawfully terminated.

Read this Certificate carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And, they may have the right to replace certain group benefits with converted policies.

CONVERTING THIS EMPLOYEE BASIC AND VOLUNTARY TERM LIFE INSURANCE

If Employment Or Eligibility Ends

Your group life insurance ends on the date:

- Your active Full-Time employment ends; or
- You stop being a member of an eligible class.

If Your group life insurance ends, Your Employer is responsible for providing You Notice of Your Right to Convert.

If You are not Totally Disabled, You can apply to convert Your Employee group basic and voluntary life insurance to a permanent life insurance policy.

You can apply to convert up to the full amount of basic and voluntary life insurance for which You were insured under this Certificate on the date Your insurance ended, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

If This Certificate Ends Or Group Life Insurance Is Discontinued

Your group life insurance also ends:

- If this Certificate ends; or
- Life insurance is discontinued from this Certificate for all Employees or for Your class.

If Your group life insurance ends for either of these reasons, You may apply to convert Your Employee group basic and voluntary life insurance to a Converted Policy.

You can apply to convert to a permanent life insurance policy, if

- You are not Totally Disabled; and
- You have been insured by a Guardian group life insurance plan or a group plan it replaces for at least five consecutive years.

However, the amount of life insurance that You can convert in either scenario is limited to the lesser of:

- \$2,000, or
- The amount of Your basic and voluntary life insurance under this Certificate, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

If You Are Totally Disabled

Your group life insurance ends on the date:

- Your active Full-Time employment ends;
- You stop being a member of an eligible class;
- This Certificate ends; or

- Life insurance is discontinued from this Certificate for all Employees or for Your class;

and

- You are Totally Disabled; and
- You are eligible for Waiver of Premium Benefits pursuant to the Waiver of Premium Benefit Rider, but You have not yet been approved for the Waiver of Premium of Benefit,

You can apply to convert Your group term life insurance to:

- A permanent life insurance policy; or
- Interim term life insurance coverage.

You can apply to convert up to the full amount of basic and voluntary life insurance for which You are insured under this Certificate on the date Your insurance ends, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

However, if You have coverage under this Certificate's Exception to When Employee Coverage Starts, You may not convert if You are eligible or could become eligible under the prior plan's waiver of premium provision.

If You have converted and are later approved for this Certificate's Waiver of Premium Benefit, the Converted Policy will be cancelled as of the date You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit.

Interim Term Life Insurance You may choose to apply to convert to interim term life insurance coverage if:

- You are Totally Disabled; and
- You may be eligible for Waiver of Premium Benefits based upon Your age, but You have not yet been approved for the Waiver of Premium Benefit.

If interim term life insurance coverage is issued to You, it can remain in force for up to one year from the date the interim term life insurance coverage goes into force and effect.

If You are approved for this Certificate's basic and voluntary Waiver of Premium Benefit during this year, the interim term life insurance coverage will be cancelled as of the date that You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit. If You have not been approved for this Certificate's basic and voluntary Waiver of Premium Benefit, the interim term life insurance coverage will end exactly one year from the first day said coverage goes into force and effect, and Your life insurance will be converted to a permanent life insurance policy. Premiums for the permanent life insurance policy will be based on Your age as of the date You convert from the interim term life insurance coverage.

If You are Totally Disabled, but You are not eligible for the Waiver of Premium Benefit based on Your age, You can apply to convert to a permanent life insurance policy.

How and When to Convert To obtain a Converted Policy, We must receive a written application fully completed by You, and all required premiums within the Conversion Period. Your Employer is responsible for providing You with Notice of Your Right to Convert within 15 days of the date Your group life insurance ends. We will not ask for proof that You are insurable. In order to obtain a Converted Policy, You must satisfy all conditions required to convert within the Conversion Period.

Coverage will begin under the Converted Policy when We receive:

- A written application fully completed by You; and
- All required premiums during the Conversion Period.

Death During The Conversion Period We will pay a death benefit equal to the amount of life insurance that could have been converted if:

- You die within the Conversion Period; and
- But for Your death, You would have been entitled to purchase a Converted Policy; and
- We receive Proof of Loss.

Any benefit payable under the group Certificate will be paid to the beneficiary You designate under the group Certificate. However, if the Converted Policy has already taken effect, any benefit payable under the Converted Policy will be paid to the beneficiary You designated for the individual life insurance on the application for conversion. Under no circumstances will a benefit be paid under both the group Certificate and the Converted Policy.

SUPPLEMENTAL RIDER - Accelerated Life Benefit

DISCLOSURE: "Receipt of acceleration-of-life-insurance benefits may affect your, your spouse or your family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect you, your spouse and your family's eligibility for public assistance."

DISCLOSURE: "The acceleration-of-life-insurance benefits offered under this policy/certificate/rider may or may not qualify for favorable tax treatment under the Internal Revenue Code of 1986. Whether such benefits qualify depends on factors such as your life expectancy at the time benefits are accelerated or whether you use the benefits to pay for necessary long-term care expenses, such as nursing home care. If the acceleration-of-life-insurance benefits qualify for favorable tax treatment, the benefits will be excludable from your income and not subject to federal taxation. Tax laws relating to acceleration-of-life-insurance benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive acceleration-of-life-insurance benefits excludable from income under federal law."

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

Note: This benefit is not available for retirees.

**Employee Accelerated Basic and Voluntary Life Benefit
and Dependent Accelerated Voluntary Life Benefit**

IMPORTANT NOTICE: USE OF THIS BENEFIT MAY HAVE TAX IMPLICATIONS. IT MAY ALSO AFFECT GOVERNMENT BENEFITS OR CLAIMS OF CREDITORS. YOU SHOULD CONSULT YOUR TAX OR FINANCIAL ADVISOR BEFORE YOU APPLY FOR THIS BENEFIT.

THE AMOUNT OF YOUR GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT.

**Accelerated Life
Benefit**

You may be eligible for an Accelerated Life Benefit if you meet the following conditions:

- You have a Terminal Condition;
- You supply the required written proof of Your Terminal Condition (see "How To Apply");
- You apply for this benefit in writing while living and before You attain age 60. If You are unable to request this benefit yourself, Your legal representative may request it on Your behalf.

This benefit is a payment of part of Your Group Term Life Insurance made to You before death. You may use this benefit in any way You choose, subject to the restrictions stated below.

If You qualify for the Accelerated Life Benefit, We will subtract the Gross Amount paid to You as an Accelerated Life Benefit from the amount of Your Group Term Life Insurance under the Certificate. The remaining amount of Group Term Life Insurance is permanently reduced by the Gross Amount of this benefit.

You may only receive one Employee Accelerated Life Benefit during Your lifetime and one Accelerated Life Benefit for each of Your covered dependents during his or her lifetime. This benefit does not have to be repaid, even if You:

- Live longer than two years from the date We receive Your application for this benefit; or
- Recover from the Terminal Condition.

However, the amount of this benefit will not be restored to Your remaining Group Term Life Insurance. And, You may not receive another Accelerated Life Benefit under any circumstances and even if You:

- Have a relapse; or
- You are subsequently diagnosed as having another Terminal Condition.

**Benefit Amount For
The Accelerated
Life Benefit**

The amount of the Accelerated Life Benefit for which You may apply is based on the amount of group term life insurance for which You are insured on the day before You apply for the benefit subject to the following minimum and maximum amounts.

The minimum benefit amount is the lesser of: (1) \$10,000.00; or (2) 80% of Your amount of Group Term Life Insurance.

The maximum benefit amount is the lesser of: (1) \$250,000.00; or (2) 80% of Your amount of Group Term Life Insurance.

Discount

The amount of the Accelerated Life Benefit which is available to You is discounted to the present value in 6 months from the date this benefit is paid. The discount is based on the maximum adjustable policy loan interest rate permitted in the state in which the group policy is delivered.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is available from Us on request.

**Payment Of The
Accelerated Life
Benefit**

If We approve Your application for this benefit, We pay the amount You have elected, less the present value discount. We pay this benefit to You in one lump sum. This payment is subject to all of the other terms of the Certificate.

How To Apply

You must send Us written proof from a Doctor who is operating within the scope of his or her license that You have a Terminal Condition. We must approve such proof in writing before this benefit is paid.

We may have You examined by a Doctor of Our choice to determine whether the Terminal Condition exists. We will pay the cost of such exam.

If We approve Your application to receive this benefit, We will provide You with a statement along with Your benefit payment which shows:

- The amount of the Accelerated Life Benefit You requested;
- The amount of the present value discount;
- The amount of Your Accelerated Life Benefit check; and
- The remaining amount of Your Basic and Voluntary Life Insurance coverage.

Even if You have been approved for a waiver of premium benefit under this Certificate, You may still apply for an Accelerated Life Benefit. But, if You convert Your Group Term Life Insurance, the terms of the converted life policy will apply. Any amount to which You could otherwise convert is permanently reduced by the gross amount of Your Accelerated Life Benefit.

**If You Have
Assigned Your
Group Term Life
Insurance**

If You have already assigned Your Group Term Life Insurance, or any portion thereof, You cannot apply for an Accelerated Life Benefit.

**If You Are Legally
Incompetent**

If You are not legally competent, Your lawful guardian, conservator, legal representative, or any person or fiduciary with the lawful authority to act on Your behalf or handle Your affairs may apply for the Accelerated Life Benefit on Your behalf.

**Your Remaining
Group Term Life
Insurance**

The remaining amount of Your Group Term Life Insurance after You receive an Accelerated Life Benefit payment is subject to any increases or reductions that would otherwise apply to Your insurance. Applicable reductions are applied to the amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

If Your Life Benefit is scheduled to reduce within 6 months of the date You apply for the Accelerated Life Benefit, any applicable reduction will also be applied to Your Accelerated Benefit amount.

The premium cost of Your remaining insurance is based on the amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

The total amount of Group Term Life Insurance Your beneficiary would otherwise receive on Your death is reduced by the Gross Amount of the Accelerated Life Benefit.

If You die after applying, and were eligible, for the Accelerated Life Benefit, but before We send You the benefit, Your beneficiary will receive the full amount of Group Term Life Insurance for which You were insured on the day before the date You applied for the Accelerated Life Benefit.

**Dependent
Accelerated
Voluntary Life
Benefit:**

In the event Your eligible dependent has a Terminal Condition, You may receive a dependent Accelerated Life Benefit. The benefit paid shall be 50% of the Dependent Group Term Life Insurance Your eligible dependent is covered for on the date proof is received from a licensed Doctor. All application requirements, reductions and discounts shall apply to this benefit as stated above for an Employee Accelerated Life Benefit.

Restrictions We will not pay an Accelerated Life Benefit if:

- Your coverage under the Certificate ends for any reason after You apply for the Accelerated Life Benefit, but before We pay such benefit;
- You are required by law to use the proceeds of the Group Term Life Insurance from the Certificate to meet the claims of creditors, whether or not You are in bankruptcy;
- You are required by court order to pay all or part of the proceeds of the Group Term Life Insurance from the Certificate to another person; or

How And When To Apply To apply for this benefit, You must submit, while living, written medical proof of Your Total Disability satisfactory to Us within one year of the start of that disability. Any claim filed after one year from the start of Total Disability will be denied, unless We receive written proof that:

To be approved for this benefit, You must:

- Become Totally Disabled before You reach age 60 and while insured by the Certificate; and
- Remain Totally Disabled for at least 6 months in a row.

You should apply for this benefit immediately at the start of Your Total Disability.

We can also require that You take part in a medical assessment by a medical professional of Our choice as often as We feel is reasonably necessary during the first 2 years We have waived Your life insurance premiums pursuant to the Rider, but not more often than once every three months. After 2 years, We cannot have You examined more than once a year.

**Until You Have
Been Approved For
This Benefit**

If Your life insurance under the Certificate ends after You have become Totally Disabled and applied for Waiver of Premium Benefits, but before We have approved You for this benefit, You may:

- Continue to pay your group premium payments, including any part which would have been paid by the Employer, until You are approved or declined for this benefit; or
- Apply to convert to an individual permanent or term life insurance policy.

Please read "Converting This Employee Basic Term Life Insurance" for details on how to convert.

Converting Your life insurance does not stop You from claiming Your rights under this section. But, if You apply to convert and obtain a policy, and We later approve You for this benefit, We will cancel the converted policy on the date We approve You for this Benefit. See "Converting This Employee Basic Term Life Insurance" for details on how We do this. Once You are approved for this benefit, Your insurance under the Certificate will be reinstated at no further cost to You or the Employer.

If You are declined for the Waiver of Premium benefit, You will have the option to apply to convert to an individual permanent or term life insurance policy. If You do not convert within 31 days of the date You are declined for the Waiver of Premium benefit, and You have not returned to Active Work, Your coverage will end.

**If the Certificate
terminates before
You are approved**

If this group Certificate terminates and You are Totally Disabled and eligible, but not yet approved, for this Waiver of Premium benefit, You must apply to convert to an individual permanent or term policy, and remain insured under such policy until You are approved by Us for the Waiver of Premium benefit.

Begins**

Once approved by Us, Your Waiver of Premium benefit will be effective on the date following the day You have been Totally Disabled for 6 months in a row.

Until You Have Been Approved For This Benefit If Your life insurance and dependent life insurance under the Certificate ends after You have become Totally Disabled and applied for Waiver of Premium Benefits, but before We have approved You for this benefit, You may:

- Continue to pay your group premium payments, including any part which would have been paid by the Employer, until You are approved or declined for this benefit; or
- Apply to convert to an individual permanent or term life insurance policy.

Please read "Converting This Employee Voluntary Term Life Insurance" and "Converting This Dependent Term Life Insurance" for details on how to convert.

Converting Your life insurance does not stop You from claiming Your rights under this section. But, if You apply to convert and obtain a policy, and We later approve You for this benefit, We will cancel the converted policy on the date We approve You for this Benefit. See "Converting This Employee Voluntary Term Life Insurance" for details on how We do this. Once You are approved for this benefit, Your insurance under the Certificate will be reinstated at no further cost to You or the Employer.

If You are declined for the Waiver of Premium benefit, You will have the option to apply to convert to an individual permanent or term life insurance policy. If You do not convert within 31 days of the date You are declined for the Waiver of Premium benefit, and You have not returned to Active Work, Your coverage will end.

If the Certificate terminates before You are approved If this group Certificate terminates and You are Totally Disabled and eligible, but not yet approved, for this Waiver of Premium benefit, You must apply to convert to an individual permanent or term policy, and remain insured under such policy until You are approved by Us for the Waiver of Premium benefit.

When This Waiver Begins Once approved by Us, Your Waiver of Premium benefit will be effective on the date following the day You have been Totally Disabled for 9 months in a row.

When This Waiver Ends Your Waiver of Premium benefit will end on the earliest of:

- The date You are no longer Totally Disabled;
- The date We ask You to be examined by Our Doctor, and You refuse;
- The date You do not give Us the proof of Total Disability We require;
- the date you have been out of the United States and/or Canada or a country or region approved by Us for more than 2 months in a 12 month period;
- The date You are no longer receiving regular Doctor's care appropriate to the cause of Your claimed Total Disability;
- The day before the date You reach age 65;
- Regarding Your dependent Voluntary life insurance, the day Your eligible dependent is no longer covered under the Certificate.

If Your dependent's Waiver of Premium Benefit ends and You do not return to Active Work, You will have the option to convert the Employee dependent Voluntary life insurance that was in effect on the date the Waiver of Premium Benefit ends.

Please read "Converting This Employee Voluntary Term Life Insurance" and "Converting This Dependent Term Life Insurance" for details on how to convert.

If You Die While Covered By This Waiver of Premium Benefit

If You die while covered for this benefit, We will pay Your beneficiary the amount of Voluntary life insurance for which You were insured as of Your last day of Active Full-Time Work. This payment is subject to all the terms of the Certificate and all reductions which would have applied had You remained an Active at Work Employee.

If Your Eligible Dependent Dies While You Are Covered By This Waiver of Premium Benefit

If Your eligible dependent dies while You are covered for this benefit, We will pay You the amount of the dependent Voluntary life insurance for which he or she was insured, subject to all the terms of the Certificate.

If You Die Prior to Approval for This Waiver of Premium Benefit

If You die prior to being approved for the Waiver of Premium Benefit and within 12 months of the onset date of Total Disability We'll pay Your beneficiary the amount for which You were covered as of Your last day of Active Full-Time Work, subject to all reductions which would have applied had You stayed an active Employee provided You:

- Became Totally Disabled prior to age 60; and
- Became Totally Disabled while insured; and
- We received the required premiums for this coverage.

Proof Of Death

We will pay the term life insurance benefit as soon as We receive:

- Written proof of Your death; and
- Medical proof that You were continuously Totally Disabled until Your death.

This proof must be sent to Us within one year of Your date of death.

Clerical Error Misstatements Of Age: Neither clerical error by You, the Policyholder, or Us in keeping any records on the insurance under the Policy, nor delays in making entries, will invalidate insurance otherwise validly in force or continue insurance otherwise validly terminated. On discovery of such error or delay, the amount payable under the Certificate is the amount that the premium paid would have purchased if the age had been stated correctly. Any premiums waived under this rider will be determined using the correctly stated age.

The following notice applies if your plan is governed by the Employee Retirement Income Security Act of 1974 and its amendments. This notice is not part of the Guardian plan of insurance or any employer funded benefits, not insured by Guardian.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

7 Hanover Square
New York, New York 10004
(212) 598-8000

Your group term life insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information
about Your Plan and
Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Life Insurance Claims Procedure If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing for Initial Benefit Determination of Life Insurance Claims The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

Adverse Benefit Determination of Life Insurance Claims

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination.

Appeals of Adverse Determinations of Life Insurance Claims

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits; and
- Provide a statement describing any voluntary appeal procedures offered by the Plan, the claimant's right to obtain information about such procedures, and a statement that the claimant's right to bring an action under ERISA section 502(a).

Waiver of Premium If you apply for an extension of life insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

Timing For Initial Benefit Determination for Waiver of Premium The benefit determination period begins when claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeals of Adverse Determinations for Waiver of Premium If a claim for Waiver of Premium is denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

Proof of Insurability Depending on the coverage selected, or as otherwise required in this Certificate, You, Your Spouse and/or Dependents may be required to supply proof that the person applying for coverage is insurable for the amount and type of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as "Applicant."

To determine if the Applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability is required to complete and submit to Us an Enrollment/Change form. We may also require the completion of additional forms so that We may determine whether the Applicant is insurable, according to Our underwriting standards for the amount and type of coverage applied for. To determine if the Applicant is insurable, We may also need to obtain and review the Applicant's health and medical history; prescription history; records relating to treatment, diagnostic testing, hospitalization and the like; and records pertaining to Applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the Applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Policyholder, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and

- Any other information required so that Guardian may meet its obligations under the Policy.

Proof Of Insurability Requirements Proof Of Insurability requirements apply to Basic Accidental Death and Dismemberment Insurance. Such requirements may apply to the full insurance amount, or just part of it, as outlined below. When Proof Of Insurability requirements apply, it means You must submit to Us Proof that You are insurable, and We must approve the Proof in writing before the insurance, or the specified part becomes effective.

We require Proof of Insurability as follows:

If You:

- Do not meet this Policy's enrollment requirement within 30 days after You first become eligible; or
- Enroll after You previously had coverage which ended because You failed to make a required payment,

We will require that You provide Proof Of Insurability. And, You will not be covered until We approve that proof in writing.

If Your Active Full-Time Work ends before You meet any Proof Of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

The following notice applies if your plan is governed by the Employee Retirement Income Security Act of 1974 and its amendments. This notice is not part of the Guardian plan of insurance or any employer funded benefits, not insured by Guardian.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

7 Hanover Square
New York, New York 10004
(212) 598-8000

Your group term accidental death and dismemberment insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information
about Your Plan and
Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of
Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Accidental Death and Dismemberment Insurance Claims Procedure If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial
Benefit

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information.
