Student Services News

College & military reps are hosting virtual meetings to provide more information about their college or branch and to answer your questions. This is a great opportunity to meet the representative that will be helping you with the process and for finding the benefits that their institution provides (i.e. scholarships, academic programs, and campus life). Even if you don't have time to stay for the entire meeting, at least stop in to meet the person.

For THIS week, OCT. 31- NOV. 4, we have the following virtual meetings set up at 2:33-3:00.
