

BACK TO SCHOOL NIGHT

Title I

Title I is the largest federally funded program for private and public schools in the nation. The Federal Government disburses funds to each state, and the state Department of Education releases those funds to local school districts based on the number of families within the district that fall below a set level of income.

The goal of the Title I Program is to provide additional instructional services to students who qualify. Parent Involvement is a component of the program. Thus, Philadelphia Performing Arts Charter School will be hosting several “parent nights” throughout the year on a variety of topics. These events will be posted on the calendar.
