

2022-2023 Superintendent Goals

- Education
 - Outline resources needed to make district more educationally attractive to potential new homeowners.
 - Promote Cyber Academy via social media
- Finances
 - Develop options to save \$1M annually in district operating budget. By January, 2023, provide list of options and savings estimates that total at least \$1M for board to review.
- Administration
 - Develop 5 year succession planning options for key administrative roles.
 - Develop plan by February 2023 to address top 3 opportunities from PAYS survey
 - Increase presence in school buildings – survey building principals and admin staff to rate building attendance – poor, satisfactory, excellent
