

BY-LAWS OF THE BOARD

Formulation, Adoption or Amendment of Administrative Regulations

1. The Superintendent is responsible for the formulation, adoption and amendment of administrative regulations to implement to policies of the Board.
2. The Superintendent shall bring to the attention of the Board all new or revised administrative regulations.
3. The Board reserves the right to review and direct revisions of administrative regulations should they, in the Board's judgment, be inconsistent with the policies of the Board.
4. The Board does not adopt administrative regulations unless specifically required to do so by law, or unless requested to do so by the Superintendent. Adoption or amendment of such administrative regulations by the Board shall be by the same procedure as that specified for the Board's adoption or amendment of policies.
