

BY-LAWS OF THE BOARD

Rules for Photographing, Broadcasting or Recording for Broadcasting by Newspaper, Radio Broadcasting Company or Television Broadcasting Company

Any radio, television or photographic equipment may be so located within the meeting room as to permit the broadcasting either by radio, or by television, or by both, or the photographing of the proceedings of such public agency, under the following rules:

1. A statement of intent to use such equipment shall be made on the form provided by the school district for such purposes. Such forms will be made available upon request.
2. Any costs engendered by the use of such equipment in the schools shall be borne by the user.
3. Any damages to school property by use of such equipment shall be borne by the user.
4. Recording or photographic equipment shall not be operated in a manner that is disruptive of the meeting.
