& Olivia Ledbetter

4th Grade: Owen Wolken, Jordan Harrist, and
Heath Henderson

5th Grade: Brelynn Craven, Millie Boykin, & Eli
Taylor

6th Grade: Maddox Teasley, Jayce Tullos, &
Luke Boone

Random Acts of Kindness Recipient:

Timothy Smith

November News

It's been an awesome start to the 2022-23 school year. Our teachers have done such an amazing job of creating lessons that engage our students. Whether it's taking the learning outside the classroom walls and enjoying the courtyard, using technology in creative ways to stimulate our learners, or inviting members from our community to enrich the learning in our classrooms, our teachers are doing it all! Please continue checking your child's Google Classroom Parent Portal as this will be a great way to keep the lines of communication open this year. We are all part of the PES team, and we value our families and the role you have in our students' learning.

We want to thank all families who pitched in to help with our Fall Parties. Each classroom had a fun, successful party, and that is thanks to so many amazing families who helped plan, shop, or pitched in by sending in money donations for food, activities and games, or decorations.

We also want to thank our families who have volunteered as chaperones on recent field trips and upcoming field trips. We appreciate your role in helping ensure our fields are a safe, fun experience for our students.

PTO Spotlight

- We want to thank all participating families for helping our PTO through the Cash for the Pack Fundraiser. We raised over \$20,000 for our school! Your contributions—no matter how big or small—help benefit our school, the teachers, the staff, and the students who learn and grow together here daily. We can't wait to see how our PTO chooses to use this money to better PES!
- PTO is working hard to reward our students for their hard work through this fundraiser with incentives and prizes. Dates have been posted on our school's Facebook page.
- Thanks to PTO for recently treating our 3rd-6th Grade Honor Roll students to breakfast.

October was National Principals' Month. We want to take time to thank our principals for all they do daily to keep our school running smoothly all while supporting teachers and loving our students so well. Thank you, Ms. Stanley & Mrs. Stevens for all you do to help make PES the BEST place to be! It's easy to SPOT your love for us all!

Congratulations to our Teacher of the Year! Mrs. Pagart is our 4th grade math teacher, and she works hard to plan engaging, hands-on lessons to meet the needs of all her students. She works tirelessly to ensure her students are learning to the best of their ability in a positive classroom learning community.

Congratulations to our New Teacher of the Year, Mrs. Brown. This is Mrs. Brown's second year teaching our Special Education class, and her knowledge of her students and her love for her students is evident in all the lessons she plans. Although the abilities and learning styles vary in her classroom, she adapts her teaching to meet each and every need.

We are so proud of you both and can't wait to have you represent our school!

Parent of the Year

Congratulations to our 2022-23 Parent of the Year, Mrs. Heather Steverson. Although Mrs. Steverson is our Pre-K assistant, that doesn't stop her from giving of her time and energy as an active member in our PTO serving as our Vice President. Mrs. Steverson goes above and beyond her duties both in the classroom AND for our entire school in her role in PTO. We are so proud to call you ours, Mrs. Steverson!
