In the years that positions and pay ranges are not negotiated, the salary schedule will be adjusted to compensate for any increase in the cost of living provided there is an equivalent increase in the per pupil revenue received by the district. In the event that significant economic or priority changes occur, BVSD and BVCEA agree to engage in ongoing discussions to determine the impact of those changes on the cost of living adjustment. to the extent either party wishes to open negotiation on the cost of living adjustment, the party mus make a written request no later than April 1.

- *B. For negotiations in spring 2023 and for the 2023-2024 contract year, each party shall be limited to items in no more than four articles, excluding Articles 14 and 15. Either party may open negotiations on the cost of living adjustment as indicated in Article 4-A. On contract reopening for the negotiated agreement effective July 1, 2024, each party shall be limited to Articles 14 and 15.
- C. Formal negotiations, beginning with the exchange of proposals, shall commence within thirty (30) days of the written request to reopen negotiations. Negotiations will be conducted at times and places mutually agreeable to the parties, and every effort will be made to conclude negotiations expeditiously.
- D. Requests for data and information pertinent to negotiations may be made to the Assistant Superintendent of Human Resources by the BVCEA's President or the UniServ District. Such appropriate requests shall be honored as soon as possible.

hours a maximum of five (5) negotiating representatives of the BVCEA shall be released for such purpose from their regular duties without loss of pay.

- F. **PROCEDURE FOR IMPASSE:** In the event that tentative agreements cannot be reached on all items under negotiation by the negotiations teams, or negotiations have not been concluded by May 10th, unless extended written mutual consent, an impasse shall exist, and the following procedure shall be followed:
1. **Mediation:** The issues in dispute shall be submitted to a mediator for the purpose of inducing the Board and the Association to make a voluntary agreement.
 2. Unless both sides agree otherwise, the Board and the Association shall, within five (5) days of the declaration of impasse, submit a written request for a mediator to the American Arbitration Association.
 3. The request to the American Arbitration Association shall ask that a list of five (5) qualified mediators be submitted to the Board and the Association.
 4. The mediator shall be selected by the Board and the Association five (5) business days after receipt of the names of mediators. The procedure shall be (unless mutually agreed otherwise) for each party to alternately strike names from the list until only one (1) name remains. If the mediator declines to accept, the last two names stricken from the list shall be sent to the American Arbitration Association with the request to select the mediator from between the two.
 5. The form, dates and times of meetings shall be arranged by the mediator. The mediator shall meet with representatives of the Board and the Association either separately or together.
 6. If mediation fails in whole or party, the mediator shall report the issues that remain in dispute to the Board and the Association.
 7. The cost for services of the mediator or the A.A.A., including per diem expenses, if any, and necessary and actual travel expenses, shall be shared equally by the Board and the Association
- G. **FACT FINDING:** If the mediation procedure described above has failed to bring about agreement on all issues, either party acting through their representative may request in writing that the issues which remain in dispute be submitted to an advisory fact-finder. Unless the parties agree otherwise, the method of selection of the fact-finder shall be the same as that for the selection of a mediator as described in Article 4-F.1 through F-4.7. Prior to either party agreeing to fact-finding, the parties will hold a pre-hearing conference with the fact-finder to determine the process and the issues.

1. The fact-finder will have authority to hold meetings and confer with any parties deemed advisable in seeking to uncover pertinent facts, but he/she will not have authority to incur any costs other than his/her own fee without prior agreement of the Board and Association.
 2. The fact-finder shall provide a written report to the two parties within thirty (30) calendar days after the hearings have commenced.
 3. Representatives of the Association and the Board shall meet within five (5) days after receiving the recommendations of the fact-finder to review and clarify the recommendations. The parties may agree to amend the recommendations at this meeting.
 4. The recommendations of the fact-finder and any tentative agreements reached prior to fact-finding shall be submitted to the Association and the Board for action, unless the parties have previously agreed to amend the recommendations in the meeting described in B-6.2.3 above. In such cases, the amended report will be submitted along with the tentative agreements for the ratification vote.
 5. All costs incurred in the above process are to be shared equally by the Board and the Association.
 6. Nothing herein shall preclude the parties from agreeing to combine the mediation and fact-finding processes under one neutral.
- H. Agreements reached as a result of the negotiations described herein will be reduced to writing, will be signed by the Board and the BVCEA, and will constitute the conditional Agreement between the parties, subject to reopening as outlined in "A" above.
- I. INTERIM NEGOTIATIONS: It is recognized by the Board of Education and the BVCEA that all situations and developments could not be anticipated at the time this Agreement was negotiated. Change(s) in the Agreement during its effective dates may be negotiated when the parties mutually agree that proposed change(s) is necessary. If as a result of such negotiations agreement is reached on proposed change(s), such change(s) will be presented to the BVCEA's Executive Board and the Board of Education for ratification. If both parties ratify the proposed change(s), such change(s) will be signed by the Board and the BVCEA president and will become amendment(s) to the existing Agreement. If the issue(s) under consideration in interim negotiations cannot be resolved, the issue(s) may become topic(s) for the next negotiations.

- J. All financial obligations of the Board (within the meaning of the term “financial obligations” under Article X, Section 20 of the Colorado Constitution – Amendment One and CRS 22-32-110(5) and CRS 22-44-115) set forth in this Agreement are subject to annual appropriation by the Board.
- K. The District shall supply all members of Unit C with an electronic copy of the Negotiated Agreement. The Negotiated Agreement will also be available on the District website. If an employee perceives that printing out a hard copy of the contract is considered a hardship, they can make written appeal to their immediate supervisor or Human Resources for the purposes of securing a hard copy.

ARTICLE 5 – GRIEVANCE PROCEDURE

A. DEFINITIONS

- 1. A “grievance” shall mean a complaint by a member or group of members or by BVCEA that there has been a violation, a misinterpretation, or inequitable application of any of the provisions of this Agreement, or of any BVSD Board of Education policy concerning terms and conditions of employment, except that the term grievance shall not apply to any matter as to which (1) the method of review is prescribed by law, or (2) the Board is without authority to act.
- 2. The “grievant” is an employee or employees asserting a grievance.
- 3. A “party of interest” is an employee who might be required to take action or against whom action might be taken in order to resolve a grievance.
- 4. “Days” as referred to in this grievance procedure shall be defined as working days.
- 5. “Initiated” shall mean upon initial discussion of the grievance at a joint meeting between representatives of the District and BVCEA or upon receipt of grievance report form at Human Resources.

B. PROCEDURES

Any grievance or dispute, which may arise between the parties, including the application, meaning or interpretation of this Agreement, shall be settled in the following manner:

All grievances must be initiated within ten (10) days after the grievant knew, or should have known, of the act or condition, which is the basis for the grievance. The parties agree that prior to the filing of a grievance at Step One or Two, the concern may be brought forward at any of the regularly scheduled meetings of

the District Human Resources staff and the representatives of BVCEA with the goal of attempting to problem-solve the concerns. This informal effort will be considered by both parties as extending the time limits of the filing of the formal grievance. If the informal problem solving is not successful, BVCEA may advance the grievance to Step One or Two as appropriate.

During the processing of a grievance through the various steps of the grievance procedure, timely filing must be made or the grievance will be waived. If mitigating circumstances exist, these time limits may be extended by mutual agreement.

STEP ONE: A grievance will first be discussed with the grievant's immediate supervisor/administrator with the objective of resolving the matter informally, at which time the grievant (1) may request that the BVCEA representative, as specified in GBM-R, be in attendance, or (2) may request that the BVCEA representative act in the grievant's behalf and file the formal step one grievance report form with the Human Resources Division. The immediate supervisor/administrator will provide a written answer to the grievance within five (5) days and will provide a copy of that decision to the BVCEA President, the UniServ Director, the grievant, the department head and Assistant Superintendent of Human Resources.

STEP TWO: If the grievance has not been resolved at step one, it may be appealed in writing by the BVCEA to the Assistant Superintendent of Human Resources in step two of this procedure within 10 days from the BVCEA's receipt of the supervisor's answer.

The Assistant Superintendent and/or representative(s) will meet with the grievant and their chosen representative within five (5) days after receipt of the written grievance in an effort to resolve the grievance.

STEP THREE: If the grievance has not been resolved at step two, or if no decision has been rendered in writing within ten (10) days after the hearing, the grievance may be appealed to the District's Superintendent within five(5) days after receipt of the written answer or the ten (10) day period in which no decision was rendered. The Superintendent and/or representative(s) will meet with the grievant, the BVCEA President and/or the Chief Steward within ten (10) days after receipt of the written grievance in an effort to resolve the grievance.

Within ten (10) days after hearing the grievance, the Superintendent will render a written decision and either present it or send it by U.S. Mail to the grievant and to all parties officially present at the hearing, as well as the President of the BVCEA. **STEP FOUR:** If the grievance has not been resolved at step three, or if no decision has been rendered in writing within ten (10) days after the Superintendent heard the grievance, the BVCEA may request arbitration. Such

request must be made within fifteen (15) days after receipt of the written answer or the ten (10) day period in which no decision was rendered.

Within ten (10) days of the demand for arbitration, the Board and/or representative(s) and the BVCEA and/or representatives will select an arbitrator. In the event the parties are unable to agree on an arbitrator, selection shall be made in the manner provided below.

In the event the parties are unable to agree up on an arbitrator within ten (10) days following the BVCEA's notification to the Superintendent an arbitrator shall be selected as follows:

The Federal Mediation and Conciliation Service shall be requested by either or both parties to provide a panel of five (5) arbitrators. Both the employer and the BVCEA shall have the right to strike two names from the panel. The party requesting arbitration shall strike the first name; the other party shall then strike one name. The process will be repeated and the remaining person shall be the arbitrator.

ROLE OF THE ARBITRATOR: The arbitrator shall not amend, take away, add to, or change any of the provisions of this Agreement. The arbitrator may consider only the particular issue or issues submitted to him/her in writing by the Board and the BVCEA, and his/her decision must be based solely on the interpretation of this Agreement.

The arbitrator will have authority to hold hearings and make procedural rules. He/she will issue a report within a reasonable time and after the date of the close of hearings, or if oral hearings have been waived, then from the date the final statement and evidence are submitted to him/her. The arbitrator's report shall be submitted in writing to the Superintendent and the BVCEA only, and shall set forth his/her findings of fact reasoning, conclusion and recommendation on the issue submitted. The arbitrator's recommendations shall be consistent with law and terms of the District's policies and contracts. His/her report shall be advisory only and binding on neither the Board nor the BVCEA.

The arbitrator shall be requested to issue his/her decision within thirty (30) days after submission of briefs, if any, or the conclusion of testimony and argument. Expenses for the arbitrator's services and the proceedings shall be borne equally by the employer and the BVCEA. However, each party shall be responsible for compensating its own witnesses and representatives. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the arbitrator.

C. **LEGAL ACTION:**

If any member of the BVCEA elects to pursue any legal or statutory remedy for any alleged breach of negotiated agreement or any alleged violation of his/her rights there under, such election will bar any further or subsequent proceedings for relief in said grievance under the provisions of this grievance procedure.

- D. Within ten (10) days of the receipt of the arbitrator's report, a meeting between the Association and the Board representatives will be held to discuss the report. No public release may be made until after such meeting. Each party will advise the other of its position on the arbitrator's decision and the reasons therefore.
- E. The Board shall take official action on the report of the arbitrator not later than thirty (30) days after receipt of the arbitrator's recommendations.
- F. The Board of Education will make available to any aggrieved person and/or representative(s) all pertinent information not privileged under law in its possession and control and which is relevant to the issues raised by the grievance.
- G. All written or printed matter dealing with the grievance will be filed separately from any other records maintained by the District and will not become part of the personnel file of the grievant.
- H. Neither the Board of Education nor any member of the administration will take reprisals of any nature against any grievant, party of interest, Association representative, or any other participant in the Grievance Procedure because of participation in the Grievance Procedure (See also Article 7 L-5).
- I. If, in the judgment of the Association, the grievance affects a group of Unit C members and two or more supervisor or no immediate supervisor, the Association may submit such a grievance in writing to the appropriate level assistant superintendent and the processing of the grievance shall begin at Step Two.

ARTICLE 6 – DISCIPLINE OR DISCHARGE

- A. The District may discipline or discharge employees for just cause. Disciplinary actions include:
 - 1. Oral discussion
 - 2. Written reprimand
 - 3. One to 10-day Suspension
 - 4. Dismissal

Note: This does not include letters of expectation. Letters of expectation are used to set the expectation around performance and behavior, not as a disciplinary action.

- B. The parties agree that discipline should be progressive. Nevertheless, both parties agree that for more serious offenses discipline may start at any level up to and including dismissal.
- C. Any reprimand of any employee shall be done in a manner that will not embarrass the employee before other employees or the public. A written reprimand may be processed through the grievance procedure.
- D. In any case, if the District feels there is just cause for discipline, the employee involved may be suspended with pay for up to ten (10) days with pay pending a final decision in the case.
- E. The BVCEA shall be notified and shall have the right to take up the suspension and/or discharge as a grievance at step two of the grievance procedure, and the matter will be handled in accordance with this procedure through the arbitration step if deemed necessary by either party.
- F. Any fact-finding meeting will be held in a timely manner with the employee and his/her BVCEA representative within 10 work days from the disciplinary incident, as feasible. Human Resources will give notice to the BVCEA representative and employee at least 24 hours in advance of the meeting not counting non-work days.
- G. Employees shall have the opportunity to review their personnel file and submit written request to the department of Human Resources that a prior infraction which occurred more than three (3) years previous be redacted from their personnel file. The decision of the Assistant Superintendent of Human Resources will be final.

ARTICLE 7 – HOURS OF WORK AND OVERTIME

A. WORK WEEK AND SCHEDULES

- 1. The work week shall consist of up to 40 hours per week as scheduled by the department. Reasonable overtime in excess of this work week may be assigned by the District.
- 2. The work week runs from Sunday at 12:00am through Saturday at 11:59pm.
- 3. Except for emergency situations, work schedules should not be temporarily altered without notice during the previous week.

4. If the employee's off days are rescheduled the employee will receive a 25% premium for all hours worked on the rescheduled days.

B. WORK SHIFTS

In addition to basic wage rates, employees will be paid a shift premium as set forth in Article 14, for all hours on second and third shifts. An employee's shift will be determined by the start time for the entire work day in their regular scheduled assignment. In the event an employee is required to work beyond their regular assignment and the work begins in a shift outside of their assignment then the appropriate differential will be applied.

FIRST SHIFT: Any regular shift that begins at or after 4:00 a.m. and before 12:00 noon.

SECOND SHIFT: Any regular shift that begins at or after 12:00 noon and before 7:00 p.m.

THIRD SHIFT: Any regular shift that begins at or after 7:00 p.m. and before 4:00 a.m.

C. REST PERIODS

All employees' work schedules shall provide for a 15 minute rest period during each four (4) hour shift. The rest period shall be scheduled at the middle of each four (4) hour shift whenever this is feasible.

D. MEAL PERIODS AND REIMBURSEMENT

1. All employees shall be granted a duty-free lunch period without pay during each work shift of at least four (4) hours. This period shall be thirty (30) minutes in duration. Whenever possible, the lunch period shall be scheduled at the middle of each shift. If an employee's work schedule does not specify a lunch period without pay, such as Security, Kitchen Managers and Cooks, they will be paid for all time worked.
2. The District shall furnish a meal or pay an employee \$8.00 when they are requested to and do work two hours beyond eight (8) hours in one day. The employee shall receive an additional \$8.00 payment for every four (4) hours thereafter while he/she continues to work. The employee must submit a meal ticket within thirty (30) calendar days of when the meal ticket was earned as back up for the payment. Meal payments shall be included in the employee's monthly paycheck and shall be included as part of their taxable income.

3. When an employee's work schedule is based on four 10 hour days per week, the District shall furnish a meal or pay an employee \$8.00 when they are requested to and do work two (2) hours beyond the ten (10) hours in one day. The employee shall receive an additional \$8.00 payment for every four (4) hours thereafter while he/she continues to work. The employee must submit a meal ticket within thirty (30) calendar days of when the meal ticket was earned as back up for the payment. Meal payment shall be included in the employee's monthly paycheck and shall be included as part of their taxable income.

E. OVERTIME

1. When an employee is requested by his/her supervisor to work overtime, overtime worked in excess of forty (40) hours per week shall be compensated at the rate of one and one-half (1.5) times the employee's regular salary. Any paid days are to be considered as days worked in computing overtime.
2. When possible, an employee shall have prior approval of his/her supervisor to work overtime. Time worked in excess of forty (40) hours per week shall be compensated at a rate of one and one half (1.5) times the amount of overtime worked. Overtime can be paid or compensatory time off can be given; the choice is up to the employee. Normally, compensatory time off must be taken within the same pay period of when it is earned. The scheduling of compensatory time off is subject to the approval of the employee's immediate supervisor.
3. Overtime shall be voluntary when possible and made available as equally as practicable among employees.
4. Employees will be provided with reasonable notice of temporary assignments beyond their normal work day, with the exception of an emergency.
5. When job duties related to inclement weather or other emergency conditions cause an employee to work in excess of forty (40) hours per week, employees will receive notification from their immediate supervisor.

F. CALL TIME

Any employee called to work outside of his/her regularly scheduled shift shall be paid by the following guidelines:

1. When employees are called at home during unscheduled work time because of a problem and report to work at a district facility or they are able to resolve the problem/situation at home, they will be paid for the time they work including travel time at the applicable rate of pay. The minimum time they will be paid is two hours. This time must be shown on their timesheets.
2. When employees are called at home to work or to resolve a problem/situation at home and choose not to, the employee will receive no payment.
3. Each department needing employees to be available after assigned work hours will be provided a sign up list for those interested in being called. Only those on the list will be contacted.

G. REPORTING PAY

1. Failure to notify an assigned employee of a special activity cancellation or a reduction in scheduled time exceeding 20% of the overall expected time of the special activity at least forty eight (48) hours in advance shall entitle the driver to be paid the greater of 90% of the scheduled activity trip time or 2 hours, whichever is greater. The driver must be available for reassignment to similar work in accordance with their job description, if such is available, during the time of the cancelled or reduced schedule to qualify for such payment.

3. These provisions will not apply to special assignments cancelled more than 48 hours in advance and/or due to weather and/or to tournament events which may be shortened due to participant eliminations. In these instances, the driver will be paid the actual time worked, if any, with no minimum.

H. BUS DRIVERS

In addition to the other applicable provisions of the article the following shall apply for bus drivers:

1. Drivers will receive pay for any layover of thirty (30) minutes or less between scheduled driving assignments or district required assignments for which they are not otherwise compensated. Drivers may be expected to perform services, including for example, bus checking and cleaning

during any paid time, including layovers. Drivers will have at least fifteen (15) minutes prior to the first route of the day and ten (10) minutes before any subsequent route for the day and ten (10) minutes after each route to perform pre and post trip duties. 2. Mid-day bus route assignments, defined as having a report for duty time after 9:30 a.m. but before noon (12:00 p.m.) shall provide a minimum of two (2) hours pay. Employees may be required to provide services, including bus checking and cleaning, during the time of the pay minimum not utilized for driving.
3. Whenever possible, Bus Drivers and Bus Assistants must notify the Dispatch Office at least thirty (30) minutes prior to the scheduled report for duty time.

I. SCHOOL/DISTRICT CLOSURES

1. When schools and/or other district offices are closed because of inclement weather or other good reason, the appropriate supervisor will determine which of the Unit C staff shall be expected to report to work. Employees required to work will be allowed compensatory time off on an hour for hour basis for such time worked at a time mutually agreed upon by the employee and the supervisor. If a mutually agreed upon compensatory time is not determined, representatives from Human Resources and the BVCEA will assist in facilitating a solution. The language in Article 7-E OVERTIME will apply as appropriate. Employees not required to report for work will be released during building or department closure without loss of pay. In the event that employees are required to report to work before the announcement of an early morning District closure at schools and/or District Offices, those employees will be given a minimum of two hours of pay/compensatory time. This additional pay or compensatory time will be given at the principal/supervisor's discretion, at the established rate in addition to the regularly scheduled hours for the day.
2. Whenever possible, personnel shall be notified of a District or building closure by 5:00am of the closure.

J. PROFESSIONAL DEVELOPMENT DAYS

When possible, during professional development days when nutrition services and transportation employees are not scheduled to work, every effort will be made to offer available shifts or work in order to increase hours worked.

Whenever available budget resources are lower than the demands for additional work, such additional assignments and work will be offered by seniority.

The District and BVCEA recognize the importance of professional development. At least eight (8) hours of professional development will be provided to all Unit C employees per school year.

Professional development days for teachers may be utilized for Unit C departments to provide additional in-service training opportunities throughout the year to Unit C employees. Employees will receive pay at the established rate for commensurate hours of training received.

1. It is the policy of BVSD to take all reasonable and necessary action, consistent with its financial resources, to provide for the safety of its employees.
2. The establishment and maintenance of a safe work environment is the shared responsibility of the district and employees from all levels of the district organization. The district shall attempt to do everything within its control to assure a safe environment.
3. Employees are expected to obey safety rules and to exercise caution in all work activities:

Determination of who is required to complete the training will be determined in collaboration with BVCEA and the District.

- d. First aid supplies will be provided at each district health room. First aid supplies at all other sites will be provided.
- 4. An employee acting in good faith has the right to refuse to work under conditions that he/she reasonably believes present an imminent danger of death or serious harm, provided that such conditions are not such as normally exist or reasonably might be expected to occur in the occupation of the employee. An employee can refuse to perform assigned tasks if: he/she has reported the condition to the building principal or supervisor and the condition remains uncorrected and no work around is possible; the danger is one that any reasonable person under the same circumstances confronting the employee would conclude is an imminent danger of death or serious physical harm; and the employee has notified his/her principal or supervisor that he/she is refusing to perform an assigned task and the reasons why. An employee who has refused to perform an assigned task in compliance with this section may be temporarily assigned to alternate tasks which he/she is qualified for at no loss of pay.

- 8. Medical information for students on the school bus will be maintained as needed in the appropriate route file.
- 9. The District, in conjunction with BVCEA, shall establish and provide training to all Unit C employees on the district's standard response protocols.

When school buildings are in lockout or lockdown or are practicing a lockout or lockdown drill, every effort will be made to notify Unit C employees who are actively working at or transporting to and from the impacted school site.

M. ASSIGNMENTS

If an employee feels that he/she is being regularly assigned work that is outside of his/her classification, training or licensure, he/she may request a review of his/her job description and classification through the Human Resources Office and the appropriate supervisor. Once all required information is received in the Human Resources Office, a recommendation will be provided within 20 working days.

N. CUSTODIANS

Custodians will be allocated to buildings on the basis of an FTE per square footage formula. The District will make a reasonable effort to staff cleaning areas for custodians according to a formula developed by the District in accordance with its staffing allocations and funding each year. Prior to finalization of the formula, the Association will be provided the District's proposed formula and have an opportunity to provide input and data.

After the formula has been finalized, some discretion is allowed for deviation from the formula for unique situations that may arise, such as production kitchens. Any deviation must be mutually agreed upon by the parties.

The level of clean will be defined by International Sanitary Supply Association (ISSA) standards. The ISSA defines clean in 5 different levels:

Level 1 - Hospital clean. Cleaning capacity is 14,000 sq. ft. per custodian.

Level 2 - Above average cleaning. Focus is on the kitchen and restrooms. Cleaning capacity is 23,000 sq.ft. per custodian.

Level 3 – Acceptable. Areas are clean, well-kept and restrooms are cleaned and sanitized. Cleaning capacity up to 33,000 sq. ft. per custodian.

Level 4 – Not so clean. Classrooms are cleaned every other day, other tasks done less frequent. Cleaning capacity is 50,000 sq. ft. per custodian.

Level 5 – Unhealthy. Trash removal, vacuuming, and other tasks to be done once a week. Cleaning capacity up to 80,000 sq. ft.

The school buildings will be cleaned to the ISSA guidelines at a level 3 cleaning (guidelines will be provided to all schools). In cases of additional activities or custodial absence, building priorities will be established by the building supervisor, and in those cases where it is not feasible to absorb all the additional work in to the work day, cleaning may drop to a level 4 without ramifications to the individual employee. This will include but not be limited to the following:

sporting events, school sponsored events, community schools programs, etc. Maintaining a safe work environment is the shared responsibility of all district employees. Safety concerns will take place over the agreed upon day to day priorities. In this case, cleaning may drop to a level 4.

Custodial staff will not be held responsible for Community School Program setups and cleanups for Community School Program events in accordance with the current Facility/Building Use Terms (See Appendix B).

Each school or facility shall use a communication system to show daily usage throughout the year for the purpose of maximizing building efficiency and effectiveness relative to custodial, security, and safety issues.

A custodian may request through the building principal a review of his/her work area and duties to determine whether the work assigned is reasonable and if adjustments or accommodations are needed. If such is the case, such adjustments or accommodations will be made as feasible.

This provision is effective only if school is not scheduled on the holiday in question.

If a regular employee working four (4) hours a day or more works on an observed national holiday, the employee will be allowed compensatory time off on an hour for hour basis for such time worked at a time mutually agreed upon by the employee and the supervisor.

An employee may carry over vacation time to the next fiscal year provided he/she has received prior written approval from the District Superintendent. Vacation leave not used or approved for carryover will be

lost, unless such leave was not taken because the employer disapproved of the employee's request to use such leave, in which case such leave shall either be paid to the employee at the end of the fiscal year or shall be carried forward to the next year at the employee's discretion. Vacation may be taken in hourly increments or fraction of an hour absence.

2. Scheduling: Whenever possible vacations shall be granted for the time requested by the employees. If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greater seniority shall be given his/her choice of vacation period. Supervisors may establish vacation leave request and approval timelines, as deemed appropriate.

D. PAYMENT UPON SEPARATION

An employee shall receive payment for the unused vacation he/she has accumulated at the time of separation, including any accrual for the current work year.

In such cases the absence would not be charged to the employee's sick leave.
3. After the end of the described thirty (30) work days, the employee has two options:
 - a. He/she may use accumulated sick leave and be paid at his/her full salary less the amount of Workers' Compensation pay. In such

cases the absence is charged against the employee's accumulated sick leave on a prorated basis for hours of sick leave actually used.

- b. He/she may accept only Workers' Compensation pay in which case sick leave will not be charged.
