## VISITS, PHOTOS, DINNER WITH SANTA

Sauce on the stove, bread in the oven. Top it all off with a cupcake, or muffin. And while you enjoy a wonderful treat, look out for **SANTA** who has stopped by to eat. Whether you have been naughty, or you have been nice, tell him your wish list for Christmas Eve Night. He'll pose for a picture in-between bites that you can post for relatives to like. There will be raffles, meatballs, salad and more. Your heart will be filled with Holiday Cheer as you head to the door.
