

Student Council News – November 2022

Student Council is hosting the Biggest Turkey Fundraiser. All money that is raised will benefit the St. Vincent DePaul Mission of Waterbury Shelter (a homeless shelter that serves the city of Waterbury).

Students can buy a feather to place on the turkey of their favorite teacher. Turkey feathers can be purchased for .25 cents or 5 for \$1. Students can buy their feathers directly from their classroom teacher. Turkeys will be placed in the cafeteria so that students can see the progress of the fundraiser.

The fundraiser will begin during the week of November 14th and run through the remainder of the month. Thank you in advance for supporting this cause.
