This is Very Good

God said to Noah, "The skies are getting dark.
The rains are gonna come, so go and build an ark.
Gather all the animals and put them all in pairs,
Tigers and bears, sparrows, hawks and apes."

So, Noah and his family were safe and dry,
As the rain came down from the sky, and God said...

CHORUS

40 days of rain, 40 days of rain. Man, woman and child will live again.
40 days of rain, 40 days of rain. Man, woman and child resemble God .

Who Built the Ark

Chorus:

Who built the ark? Noah, Noah,
Who built the ark? Noah built the ark.

Now in came the animals two by two,
Hippopotamus and kangaroo.
Now in came the animals three by three,
Two big cats and a bumble bee.
Now in came the animals four by four,
Two through the window and two through the door.
Now in came the animals five by five,
Five busy bees they were building their hive.

Chorus

Now in came the animals six by six,
The elephant laughed at the monkey's tricks.
Now in came the animals seven by seven,
Four from home and the rest from heaven.
Now in came the animals eight by eight,
Some were on time and the others were late.
Now in came the animals nine by nine,
Some were shoutin' and some were cryin'.
Now in came the animals ten by ten,
Five black roosters and five black hens

The background of the entire image is a stylized American flag. It features a blue canton on the left side, filled with a grid of white stars. The rest of the image is composed of horizontal stripes, alternating between red and white. The stripes are of equal height and extend across the full width of the image.

PLEDGE OF ALLEGIANCE

**I pledge allegiance
to the flag
of the United States of America,
And to the republic
For which it stands,
One nation under God,
Indivisible,
With liberty and justice for all.**

STAR SPANGLED BANNER

**Oh, say can you see by the dawn's early light
What so proudly we hailed
At the twilight's last gleaming?
Whose broad stripes and bright stars
Through the perilous fight,
O'er the ramparts we watched
Were so gallantly streaming
And the rocket's red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.**

**Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?**
