Household Information

Please see the attached Household information forms. Please complete this information online for your household in order for students to continue to receive free breakfast and lunch. This information is being requested in order to update the District's economically disadvantaged ratios for the state data collection. This ratio is the driver for funding at our school, specifically allocations for Title I and At-Risk. Please complete this information as soon as possible, to ensure they are accounted for properly. Thank you

DeansList

Welcome to DeansList!! DeansList is a new software tool that we will use to analyze our attendance and behavior data, and most importantly to improve communication with our parents.

To start, we have scheduled continuous alerts in DeansList that will send messages to your cell phone or email address regarding the following:

Uniform violations- sent daily at 4:00pm

3+ Positive Behaviors- sent on Thursday at 4:00pm

3+ Areas of Opportunities- sent on Friday at 4:00pm

Stay tuned....

Student Reports will be rolled out next month. This report will provide details of your student's attendance and behavior data in one report

Parents can also become a part of DeansList by downloading DeansList for Families.

Needs Assessment

At NPFE we believe it is important to collaborate and strengthen our parent and school partnership. Your input and feedback is important to us as we implement programs to support students academically and socially. Please complete the survey in the link below, we need to hear from you what is going well and what we need to improve from parent perspectives.

doors). Please make sure that you complete the emergency contact form with current information.

Late Pick Up: Late pick up begins 15 minutes after dismissal. All K-5 students are required to remain in the building after dismissal for safety reasons. Late pick up students are held in the cafeteria and parents are charged a \$20.00 late pick up fee.

Enrichment Program: Enrichment is offered before and after school. The annual registration fee plus one week’s tuition must be paid in advance for your child to attend and participate in the enrichment program. Applications can be obtained from the main office.

Trunker Treat
We are asking for snack donations for our Trunker Treat event we are planning for October. Please donate to the primary Academy office. Thank you

DEPSA Family Needs Assessment

WE ARE EXCITED! DEPSA is in the process of re-opening our school-based health clinic with a new partner.

The health clinic will be able to provide services to children with chronic health issues such as asthma, diabetes, obesity and more. They will provide athletes with their required physicals. Other services such as emergencies that take place at school, providing therapy to children and their families, immunizations, provide medication, supporting your child’s health while at school and joining us in bring back the annual Hip 2B Health Fair back in Spring 2023. If you like, they will become your child’s doctor. If you do not have insurance, the clinic staff will guide your sign up for state provided health services to children.

The clinic services are also open to the community...which they can enter at the back of the building.

Attached you will find a very important Needs Assessment that we are asking you to complete.

The results of this needs assessment will be analyzed to determine what is important to DEPSA Families.

Chronic Absenteeism

Attendance Matters All Day Every Day!

The State of Michigan had defined students as chronically absent if they missed more than 10 days of school within a given school year. • When students are chronically tardy it impacts their achievement • Being tardy impedes student learning and they miss out on instruction which can negatively impact their grade • Research indicates when students are chronically tardy have lower GPAs, lower scores on standardized assessments, and lower graduation rate.
Primary Chronic absenteeism rate the first month of school is: **40% the goal is to decrease this rate by 15% by the end of October please send students to school daily and on time, when students are tardy they are missing the most important subject which is reading, and when they are absent they are missing all subjects.**

Read & Respond and C3 Homework

The expectation is for students to complete homework every night and to return every day for teacher feedback. Please make and take the time now to push students on expectations with quality of work and accountability with turning in every day. The goal is for each class to attain a 100% return rate on homework at the end of the week. Here are the results of last week’s homework!

A big shout out to those classes below who had 90% or higher: Landers 100%, Clark, Dickson, Beard, Marbury, and Gourdine

Detroit Edison Public School Academy Karate/Self Defense Classes

1903 Wilkins at St. Aubin – Detroit, MI 48207

Five reasons to enroll your Child in Martial Arts:

- 1. Physical Fitness**
Just like with adults, one of the most common reasons for enrolling a child into a martial arts class is fitness. Childhood obesity rates are climbing, and more and more children are spending a lot more time in front of the television, playing video games and using a computer.
- 2. Life Skills**
Another popular reason for enrolling children in the martial arts is to develop "Life Skills". These skills include discipline, self control, patience, confidence and courage etc.
- 3. Self Defense**
Self defense is the most obvious reason that should come to mind when considering enrolling a child in the martial arts. The focus of a good children's martial arts class, while still teaching self defense movements, should be on conflict resolution, personal responsibility and healthy avoidance.
- 4. Behavior Issues**
Many parents turn to the martial arts when their children are acting out in school and home. These parents are looking for help improving attention span, respect, obedience and self control. The structure of many martial arts classes can greatly aid in these areas.
- 5. Safe, Physical Activity**
Many parents are just seeking a safe, wholesome, useful activity for their child to occupy some of their free time. Martial arts will make them set and follow through on goals. Whatever reason you have for enrolling your child in a martial arts class, be sure to discuss your goals with your child, and come to an understanding that will make both of you happy.

- Parent Tip**
- 1. Keep distractions to a minimum. Students should find a quiet place to be able to complete their work.**
 - 2. Make sure students do their own work. Homework is reinforcement of the skills students are learning in school. Parents should make suggestions and help with directions.**
 - 3. Praise their efforts. Celebrate your child's effort and success. Post their grades up within your home.**

Important:

- Masks are required each and everyday for students as it a part of their uniforms**

Mission

New Paradigm for Education (NPFE) mission is to be a catalyst to grow and sustain high performing schools where scholars are empowered to be global citizens and lifelong learners.

Vision

Every student excels as an engaged thoughtful citizen by forging new pathways to contribute to their community.

Instructional Model

Our New Paradigm Instructional Model are the pillars for the work we do every day, to set high standards for our children. We focus on setting clear goals, making sure effective instruction takes place in our classroom, ensuring we are making data driven decisions, providing timely intervention as needed, and celebrating our progress.

NPFE Annual Goals

- NWEA-** 60% or more of our students will meet their NWEA GOALS fall to spring targets in both reading and math
- M-Step/PSAT-** proficiency will increase in both ELA and Math by 20% for grades 3-10
- Attendance Goals-** Average daily attendance will be at 95% by June 2023; Chronic absenteeism will decrease by 15% in comparison to the 2021-2022 school year
- Intervention-** Student usage will average 8% or higher during scheduled intervention time
- Coaching Cycle-** Leaders will complete a minimum of 8 complete coaching cycles per teacher during the 2022-2023 school year.

- where students have rules, rewards, and consequences. We celebrate our students for meeting the behavioral expectations.
- When students follow all of their classroom procedures and school rules, teachers and staff may give them points on Class Dojo.
 - When students earn enough points, they get rewarded at the end of the month with class parties or other rewards for good behavior.
 - **Students who meet behavior expectations will participate in our PBIS activity in October, it will be a special treat so let’s encourage students to earn their points.**

Emergency Cards

Parents please make sure you have completed an Emergency Contact Form for your student. We need 100% of cards returned. The card communicates important health details, emergency contact numbers, and pick up permission. Students will not be released to individuals who are not listed on the emergency card.
