PBIS AT NAPOLEON JUNIOR/SENIOR HIGH

A General Overview

At Napoleon Junior/Senior High, the main focus of Positive Behavioral Interventions and Supports (PBIS) is to provide a clear system for all expected behaviors. Through PBIS we will work to create and maintain a positive, productive, and safe environment in which ALL school community members (administration, faculty/staff, parents and students) have clear expectations and understandings of their role in the educational process.

Proactive Approach to School-Wide Discipline

This school-wide system of supporting positive behavior focuses on a team-based system approach and teaching appropriate behavior to all students in the school. The goal of PBIS at Napoleon Junior/Senior High is to accomplish the following:

1. **Behavioral Expectations are Defined.** Behavioral expectations are clearly defined in positive, simple rules in the Code of Conduct:
 - Be Respectful—Be mindful of the people, places, and things around me.
 - Be Responsible— Follow through and take control of your success.
 - Be Safe—Keep yourself and others out of harm's way.
2. **Behavior Expectations are Taught.** The behavioral expectations are taught to all students at the beginning of the school year and throughout the year as needed. Teaching staff is provided with behavioral lesson plans designed to help "teach" students the expected behaviors. The general rule is presented, the rationale for the rule is discussed, positive examples ("right way") are described and rehearsed, and negative examples ("wrong way") are described and modeled. Students are given the opportunity to practice the "right way" until they demonstrate fluent performance.
3. **Appropriate Behaviors are Acknowledged.** Once appropriate behaviors have been taught, they need to be acknowledged on a regular basis. Through PBIS we have designed a formal system for faculty/staff to consistently recognize and reward students who demonstrate expected behaviors.
4. **Behavioral Errors are Corrected Proactively and are recorded.** Students, faculty/staff, and administrators will be able to predict what will occur when behavioral errors are identified. A School-Wide Information System (SWIS) has been put into place for staff to document incidents managed by staff and office. The Student Behavior Management Flowchart is used to help faculty/staff distinguish major from minor behavioral incidents and when to document these behaviors.
5. **Decisions About Behavior Management is Data Based.** One of the most important features of PBIS is the use of a data management system to track discipline incidents. The data will be used by the PBIS Team to help determine the type of incidents that are occurring, where, when, and who is involved. The data will eliminate the guesswork from the decision making process about what is and what is not working in the school's behavior management system. Data reports can enable administration to devote resources and time to the precise people, place, and school day period that need them.

Behavior Expectations

At Napoleon Junior/Senior High School, we believe that each student, staff, and visitor should be treated with courtesy and respect. This will promote and maintain a safe, positive, and appropriate educational climate. The following guidelines will assist each student to develop self-discipline and meet our school's behavior expectations:

1. Follow the teacher's directions the first time that they are given.
2. Be in your assigned seat, prepared for class, when the bell rings.
3. Show respect for staff and fellow students by speaking courteously and keeping your hands, feet, and personal things to yourself.
4. Only use language that is appropriate for this setting.
5. Represent yourself, a Napoleon Senior High School student, in a creditable, honorable, respectful, and responsible manner at school and school-related events, at home or away.

Meaning, students may receive consequences and the watch will need to be kept in a book bag and powered off while on school grounds. All cell phone guidelines will then be put into effect for the e-watch. Please note that students are NOT permitted to wear these e-watches when we take our Ohio State Tests. 9. **School-Work Related Time** -- School-work related time is an option for students to work off their disciplinary consequences. This would be in lieu of the students being suspended Out-of-School. This option requires an agreement between administration and parents/guardians.

The spirit of the dress code is to encourage an appropriate learning environment. Apparel worn to school should be clean and in a good state of repair – not torn or tattered. Athletic Department and coaches/advisors may require additional standards in the interest of safety. Also, the administration reserves the right to change the dress code to reflect changes in style. If a student violates the dress code, he/she may be asked to turn objectionable items inside out or remove the objectionable decal/button/insignia (if applicable). Students may be given school issued clothing to wear. If a change of clothing is required, the parent/guardian will be called to bring proper clothing. Students who violate the dress code may not be permitted to return to class until the situation is rectified. Any/all classes missed during this time will result in an unexcused absence. It is the student's responsibility to make every effort to follow the dress code. A student who violates the dress code may receive disciplinary action if blatantly or repeatedly in violation. School administrators will make the final decision on any questionable dress code item.

NOTICE OF NONDISCRIMINATION & INTERNAL COMPLAINT PROCEDURES

Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationship and/or personal sense of self-worth. As such, the Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities. The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind. Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students. An individual who believes s/he has been unlawfully discriminated/retaliated against may make an informal complaint, either orally or in writing: (1) to a building administrator; (2) directly to the Complaint Officer; and/or (3) to the Superintendent or other District-level employee.

ATTENDANCE POLICIES AND PROCEDURES

The State of Ohio (Ohio Revised Code 3321.01) states that all persons between the ages of six and 18 must attend school. Napoleon High School is bound by the Ohio Revised Code and the Missing Children Act. Since school attendance is vital to the academic success of each student, we believe that 100% attendance should be the goal of each student and parent/guardian.

1. Attendance Procedures

- a. The Napoleon Junior/Senior High School doors open at 7:45 a.m., and students will remain outside until then or report immediately to the cafeteria, unless under the direct supervision of a staff member.
- b. Parents/guardians should notify the school at 419-599-1050 by 8:30 a.m. each day that the student is absent, unless previously arranged with administration. If NO parent/guardian contact is made, an auto call, text and/or email will be sent regarding the student's absence.
- c. If a student is absent/tardy the student is required to have a phone call or written note from a parent or the required documentation turned in to the office immediately upon returning to school. When no documentation is provided, the absence may be UNEXCUSED.
- d. Students who are late to school, or those who must leave early and/or return from an appointment, must go to the office immediately upon arrival at school. Parents/ guardians are asked to schedule appointments outside of the school day whenever possible. If this is not possible, students should only miss travel time and the appointment. Also, if the student can leave or return between class periods, it reduces distractions to the learning environment.

- e. 18 year old students are expected to follow the same procedures for attendance as students who are under 18 (unless no longer under the care physically nor financially of their parents). Students no longer under the care of their parents must petition the assistant principal/attendance officer to be granted independent student status.

2. Absences

- a. Students are permitted 6 absences per semester with a parent note/phone call.
- b. After the 6th absence, students will require doctor's notes, funeral cards or legal notices in order to be excused.
- c. Students who reach **6 days of UNEXCUSED absence in a semester** may lose credit for the semester.

3. Notifications

- a. Students and parents will be notified by letter when a student reaches **3 days of absence (whether those absences are excused/unexcused)** in a semester.
- b. Students and parents will be notified by letter when a student reaches **6 days of absence (whether those absences are excused/unexcused)** in a semester. Additional documentation (dr. note, funeral card, or legal notice) is then required for any further absences that semester.
- c. Students who reach a level of **6 UNEXCUSED absences in 1 semester** will be notified of suspension of credit and will be expected to complete a credit reinstatement request. This request should be accompanied by any further documentation for the absences in question.
- d. The law requires that parents of ALL STUDENTS who reach a level of **6 days of absence (38 hours) in 1 month 10 days in a school year (65 hours) with or without legitimate excuse** will be given written notice of those absences. Interventions for absences may be instituted (Ohio Revised Code Sec. 3321.191 (C)(1)).

4. Excused Absences (In cases needing documentation, the school must receive documentation within 5 days of returning to school.)

- a. Personal illness with documentation of medical excuse
- b. Illness in the immediate family
- c. Death of an immediate relative
- d. Observance of religious holidays
- e. Court appointment with documentation
- f. College visitations/military appointments

5. Unexcused Absences (May result in official warnings for school truancy, intervention plan and services, or court referral.)

- b. Oversleeping
- c. Missing the bus
- d. Hair appointments
- e. Car trouble
- f. Individual recreation trips
- g. Leaving the building during the day without permission
- h. Any other absences deemed as unexcused by administration

6. Tardiness

- a. Students are expected to arrive at school and to each of their classes on time. Students who are late to school in the morning are to report immediately upon arrival to the main office. Students will sign in and receive a tardy slip before reporting to class. Students arriving after 10:00 a.m. will be classified as absent.
- b. After the 3rd unexcused tardy to school, and every tardy after the first three, the student may be assigned a Friday School, in-school suspension, or other consequence/intervention assigned by administration.

- c. Failure to attend an assigned Friday School may result in additional assignments to Friday school or assignment to in-school suspension.
- d. Excessive **UNEXCUSED** tardiness may result in any of the actions outlined in the truancy section.

7. Early Dismissal

- a. Students are required to sign out in the High School office when leaving the school property. They **MUST** have permission from a parent, in order to be allowed to leave.
- b. Students leaving prior to 1:30 p.m. will be considered absent one half day either excused or unexcused.
- c. Ill students must report to the nurse when feeling ill. The nurse will make contact with a parent/guardian to arrange dismissal.

8. Vacations

- a. Vacations are encouraged to be taken during the summer or during scheduled breaks (Thanksgiving, Winter Break, Spring Break, etc).
- b. School personnel acknowledge vacations, but they are not approved or disapproved. As with illness, students are expected to stay within the school's parameters of attendance/number of days missed (no more than 6 absences per semester).
- c. All vacations occurring when classes are in session require the completion of a vacation request form. Forms can be obtained either online or from the main office.
 - i. Vacation request forms must be completed at least 1 week before the intended leave date. Extended notice is encouraged and appreciated.
 - ii. **Should a vacation result in a student going over their 6 discretionary days, the student's absences may not be excused. If the absences are unexcused, it is at the teacher's discretion to award credit.**

9. Make Up Work (excluding vacations – which is outlined above)

- a. Make up work is the responsibility of the student who should contact each teacher personally. Students will be allowed the same number of days to make up their work as the number of days missed, in cases of extended illness, special arrangements may be made.
- b. When absences are **UNEXCUSED**, students are to make up all missed work. If students are over their allotted days, it is at the teacher's discretion to award credit.

10. Loss of Credit

- a. Students who reach 6 days of **UNEXCUSED** absence in 1 semester may lose credit for that semester.
- b. Parents/students will receive a letter stating the student has reached the level of 6 **UNEXCUSED** days of absence, along with a "Reinstatement of Credit Application."
- c. Students must turn the "Reinstatement of Credit Application" within 1 week of its receipt and attach any supporting documents for the reason for the absences that were marked unexcused.

11. Procedure for Reinstatement

- a. An attendance audit will be conducted by the assistant principal, attendance officer and any other appropriate staff to determine whether credit should be reinstated based on the documentation provided.
- b. Lack of documentation may result in a meeting with all parties to formulate a plan to make up the appropriate amount of time associated with loss of credit in each course affected. Any of the following options being implemented to reinstate credit:
 - i. Using before and after school time with teacher(s) to make up lost time
 - ii. Use of Friday Schools provided by the school for the purpose of making up time

 - i. Interventions
 - ii. Court referral (charges can be brought against the student and the parent)
 - iii. Student's suspension of driver's license

SCHOOL ATTENDANCE IN SUMMARY

Excused absences are just as problematic as unexcused ones.

1. Research shows that students who miss 10% of school (2 days per month) show negative academic progress.
2. Students who miss 2 days of school each month, miss almost a month of school each year. This adds up to over a year missed by the time of graduation.

ASSEMBLIES AND PROGRAMS

Assemblies will be held periodically to provide various programs for students. Behavior is a reflection on the individual, parents/guardians, and school. Common courtesy demands the full attention of all students with cell phones put away or powered off. Improper action, talking, noise, inappropriate technology use, etc. will result in the loss of assembly privileges and may result in additional disciplinary action. CONCEALED CARRY LAW

Unless otherwise authorized by law, pursuant to Ohio Revised Code no person shall knowingly possess, have under his or her person's control, convey, or attempt to convey a deadly weapon or dangerous ordnance into a school safety zone.

LOCKS AND LOCKERS

Each student is assigned a locker and is responsible for everything that is put into that locker. Students should NOT share lockers with other students. Lockers should remain locked at all times when not immediately in use. Since the locker is the property of the District, there is no expectation of privacy. Students are NOT allowed to make any unauthorized locker changes. If changes need to be made, students should notify the staff in the Junior/Senior High School office. Only school locks may be placed on any school locker. Do not write, mark, or inappropriately decorate a locker. The Junior/Senior High School administration reserves the right to search lockers and their contents to ensure the safety of students in the building or for any other reason deemed necessary.

SEARCH AND SEIZURE

In accordance with Napoleon Area City School's Board Policy 5771, Administrators may search a student or his/her property (including vehicles, purses, backpacks, bags, etc.) with or without the student's consent, whenever they reasonably suspect that a search will lead to the discovery of evidence of a violation of law or school rules. Student lockers are the property of the district and students have no reasonable expectation of privacy in their content or in the contents of any other district property including desks or other containers. School authorities may conduct random searches of lockers, desks, cabinets, etc. and their contents at any time without announcement. Unannounced and random canine searches may also be conducted. Anything that is found in the course of a search may be used as evidence of a violation of school rules or the law, and may be taken, held, or turned over to the police. The school reserves the right not to return items that have been confiscated.

RESTROOMS

Students are not permitted to loiter in the restrooms at any time. Students must use their official passes when using the restroom during class time. No more than one student shall occupy a stall at any time for those stalls intended for one person. If a student becomes ill while in the restroom, the student should report immediately to their teacher, main/guidance office, and/ or nurse's clinic. Napoleon Area City Schools allows students equal access to restrooms in accordance with relevant law.

BOOK BAGS AND PURSES

Carrying book bags and/or a purse large enough to hold a book in school during the school day is not permissible. Students may bring them to school, but they must be stored in one's assigned locker upon arrival to school.

VISITORS

All visitors should report to the main school office immediately after entering the building. Office personnel will ask for the names of visitors, reason(s) for the visit, and/or personal identification. Visitors are expected to sign in and out. Also, visitors may be required to wear a special visitor badge.

Students are not permitted to bring visitors into the Junior/Senior High School during the school day. Special cases may be approved with at least 48 hours prior notice to the administration.

EIGHTEEN YEAR OLD STUDENTS

State law identifies 18 years of age as being the age of majority, or in other words, 18 year-olds enjoy adult status in our society. State law also requires that all students (regardless of age) adhere to school rules and regulations. Consequently, an 18 year-old student (living at home) would be required to have parental permission for all activities that would require parental permission of the non-18 year-old student. This is also true of school mailing or notification.

AUTOMOBILES AND STUDENT PARKING

Licensed Napoleon Junior/Senior High School students enjoy the privilege of driving to school and parking in the student parking lot. **NO PARKING IS ALLOWED ON WILDCAT DRIVE.** Student parking is also not permitted in the staff, visitor, or Board of Education parking lots. To avoid the enforcement of additional limitations and restrictions, High School students who drive to school **MUST** park within a designated parking spot in the student parking lot at all times of the day and year, including before and after school, and/or vacation/weekend. If administration suspects illegal contraband or has other reasonable suspicions, searches of vehicles on school property may be conducted. Students must leave their vehicles immediately upon arriving at school and shall not return to them until dismissal. Reckless or unauthorized operation of a motor vehicle and/or parking in an unauthorized area may result in disciplinary action and/or loss of privileges. Driving privileges may be withdrawn at any time. The administration asks for student cooperation to set an example for all visitors, guests, and each other.

LUNCH

All students must eat in the Junior/Senior High School Cafeteria. Students may not eat outside of the Cafeteria without the permission of the administration. Students will be expected to behave with respect and dignity while in the Cafeteria. Directions given by the Cafeteria staff and/or monitors must be obeyed at all times. Students may bring a packed lunch but it must be brought in at the beginning of the day. Food may also be bought in the cafeteria. **DELIVERIES OR SPECIAL ORDERS OF FOOD WILL NOT BE ALLOWED.**

ACADEMIC INFORMATION

STUDENT SCHEDULES

All students will register in the spring for the following school year. Information about scheduling and registration will be explained by the Guidance Department. Students must also consider state and local graduation requirements as well as those of their considered colleges when scheduling every class. Schedules may be changed only with the permission of parents, teacher(s), counselor, and administration. With the exception of special circumstances, all changes must be made within the first three days of the semester. All subjects dropped after that may receive a "Withdrawal Failure" (WF) for the semester. The administration will consider parental/guardian requests and recommendations regarding student scheduling. School officials will make the final decision as it pertains to each child's course offerings, times, locations, and placement during the academic day.

The Board of Education recognizes that the personal, social, physical, and educational growth of children will vary and that they should be placed in the educational setting most appropriate to their needs at the various stages of growth. Student promotion, academic acceleration, placement, and retention are defined according to Board of Education Policy #5410.

COLLEGE CREDIT PLUS PROGRAM (CCP)

The College Credit Plus program gives college-bound high school students the opportunity to earn college credit and high school credit simultaneously. This gives students the advantage of starting the transition to college early, while reducing the cost and length of time needed to graduate once they enroll in college. High school students can take part in the college experience, interacting with full-time college students and university faculty, while experiencing the rigor of college-level courses. Courses may be taken face-to-face at a college campus, online, or here at NHS for specific courses.

Students should see their guidance counselor for detailed information pertaining to eligibility requirements in order to participate in CCP. Students and parents who are interested must attend an annual informational meeting held at NHS where they will obtain an informational packet, sign the intent to participate, and have the opportunity to meet with high school counselors and college admissions officers. The intent to participate form must be submitted no later than April 1.

GRADING SYSTEM

GRADE POINT AVERAGE AND CLASS RANK

All courses receiving High School credit will be used to compute a student's grade point average and class rank. One unit of A=4.0, B=3.0, C=2.0, D=1.0, F=0.0. Point value variations will occur in the 4.0 scale based upon the status of a letter grade with a "+", only the letter grade, or the letter grade with a "-" as earned. In addition, students will receive additional or weighted grades for Honors or Advanced Placement courses. Students are ranked at the end of each semester. The cumulative grade point average and rank at the end of each school year are recorded on the student's official transcript.

Also, students will not be assigned any Board-owned property (textbooks, etc.) until the required fees or debts are paid from the previous school year or semester.

Emergency medical forms are required by Ohio law and must be on file for immediate access in case of injury. These must be on file by the Friday of the second full week of school. Disciplinary action may result for failure to submit emergency medical forms.

MEDICATION GUIDELINES

If possible, all medications should be given at home. The school nurse will supervise the secure and proper storage/dispensing of both prescription and non-prescription medication. The use of either without the written permission of a parent/guardian is prohibited.

FIRE, TORNADO, AND SAFETY DRILLS

Students should know the fire drill exits from all rooms where they attend classes. During fire drills, the building should be left in a quiet and orderly fashion within a minimum amount of time. Students should exit without excessive noise. Running or shouting will not be permitted.

Students should also learn the procedures for tornadoes, severe weather, and safety situations for each of their classrooms. The general rule for tornadoes and severe weather is to stay away from doorways and windows. Students should crouch on their knees and cover their heads with their hands. Safety drills whether a building lockdown or evacuation should also be learned by students for each of their classrooms. Each fire, tornado, or safety drill should be taken seriously with the understanding that it may not be a practice.

TELEPHONE USE BY STUDENTS

A telephone is available in the high school office for emergency purposes. Students should request permission from high school office staff or administration to use the telephone.

COMPUTER USE

Before any student may log into the district owned Wi-Fi or use any of the various computers located on school property or with district owned resources, a Computer Systems and Internet Safety User Agreement and Parent/Guardian Agreement must be signed by each student and parent/guardian, usually done at the end of the 8th grade year prior to coming to Napoleon High School, or as a new student to the district.

WEATHER RELATED ANNOUNCEMENTS

Tune into WNDH-103.1FM, and other local media for announcements regarding delays, postponements, and cancellations.

LIBRARY MEDIA CENTER (LMC)

The Napoleon Junior/Senior High School Library Media Center is open to all students and staff members. All are encouraged to use the LMC and ask the Media Specialist for assistance when necessary. LMC resources are circulated for a three-week period and may be renewed by returning them to the LMC for renewal.

Library sign-in from study hall must be done immediately upon entering the library at the beginning of a study hall period. Students must sign-in electronically via an iPad or other electronic device provided by the Media Specialist. Students coming on a pass should present their library pass to the Media Specialist on duty immediately upon arrival. The number of students using the LMC from study halls may be limited.

Rules to be followed in the LMC include:

1. Students must be studying and working. Quiet conversation is permitted at the discretion of the teacher.
2. Students are to treat all resources, equipment, and furniture with care and consideration. Any infraction of LMC rules and procedures may result in study hall sign-in privileges being revoked.

ATHLETICS/ACTIVITIES

ELIGIBILITY

The Napoleon Area School District's Board of Education has approved the following academic eligibility requirements for students who want to participate in extracurricular activities at the High School.

1. In order to be eligible in grades 7-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. For the purpose of this Bylaw 4, Section 4, the term "grading period" is defined as the school's Board-adopted calendar (e.g., six week, nine week, 12 week or semester) and does not mean an interim marking period. Furthermore, during the preceding grading period, the student must have received passing grades in a minimum of five (5) one-credit courses or the equivalent, each of which counts toward graduation in grades 7-12; and four (4) one-credit courses or equivalent in grades 7 & 8. For the purpose of this bylaw, the term "immediately preceding grading period" refers to the grading period of the school which immediately precedes the grading period in question.
2. A student under disciplinary action, whose conduct or character reflects discredit on the school, may be ruled ineligible by the administration.

STUDENT DRUG/ALCOHOL TESTING POLICY

In an effort to promote a safe and drug-free/alcohol-free school environment at Napoleon Junior/Senior High School, students who participate in co-curricular or extracurricular activities may be required to consent to Napoleon Area School's Student Drug Testing Policy in order to become eligible for participation.

ATHLETIC/ACTIVITY REQUIREMENTS

1. To participate in any extra-curricular activities, each student must have:
 - a. Record of a current medical physical examination on file
 - b. Adequate medical insurance to cover expenses if an injury or a waiver stating medical insurance coverage
 - c. Student and parent/guardian consent by a signed Code of Conduct
 - d. Emergency medical form on file.
2. To *attend, participate, and/or practice* in any activity before or after school, the student must attend five (5) full periods on a traditional schedule day and two (2) full periods on a block schedule day, unless approved by the administration or disciplinary action will be taken.
3. Custodial papers on file with the local juvenile court must also be on file in the High School Guidance Office for any student living with someone other than natural parent/guardian.

ATHLETIC CODE OF CONDUCT

Participation in extra-curricular activities, including athletics, is a privilege, not a right. Student-athletes in extra-curricular activities are in a highly visible setting of leadership and/or competition/performance. Thus, the student-athlete will be held to a higher standard of conduct and behavior than one who chooses neither to participate nor represent Napoleon Area City Schools. The student-athlete should ALWAYS be a responsible individual and bring pride to him/herself, the school, and community. Furthermore, our young men and women athletes are role models for younger children. This responsibility is a year round commitment and does not end with the school year. Therefore, these rules (the "Code of Conduct") are in effect all four years of a student's high school career or all years of a student's middle school career and are enforced all 12 months of the year beginning on the date adopted by the Napoleon Area City School Board of Education (the "Board"). Support and encouragement from parents to ensure that student-athletes abide by these rules is vital. The athletic code of conduct in its entirety is available on The Napoleon Area City Schools Website.

Students who do not abide by the rules of Napoleon Junior/Senior High School will face consequences for their actions. In addition, students who damage school or personal property, either accidentally or purposefully will be held responsible for paying for the damages. Students who violate the discipline code and are removed/suspended may be required to receive counseling before returning to school.

→ *Example:* He lost the game.

A **sentence fragment** results from a *missing* subject, verb or complete thought.

→ *Example:* Because he was lost.

THERE ARE FOUR TYPES OF SENTENCES: SIMPLE, COMPOUND, COMPLEX, OR COMPOUND-COMPLEX

1

A **simple sentence** consists of one main clause. It expresses one main thought and has one subject and one verb. A simple sentence may contain a compound subject, compound verb, or both.

→ *Examples:* We enjoyed the concert.

Amy and Scott were married yesterday. (compound subject: Amy and Scott)

Ben is leaving work and going home. (compound verb: leaving and going)

2

A **compound sentence** contains two or more main clauses (in italics) connected by a conjunction, a semicolon or a comma with a conjunction.

→ *Examples:* *Collecting fossils is fun, but I think identifying fossils is difficult.* (conjunction)

Andy's suit looks new; it just got back from the cleaners. (semicolon)

Erin came home for Easter, and Courtney went to Florida. (comma/conjunction)

3

A **complex sentence** has one main clause (in italics) and one or more subordinate clauses (underlined).

→ *Examples:* *Dad says that good grades are the result of diligent studying.* (main clause, one independent clause)

Diligent studying is difficult, because I have to work several hours before I can start studying. (main clause, two dependent clauses)

4

A **compound-complex sentence** has two or more main clauses (in italics) and one or more subordinate clauses (underlined).

→ *Examples:* *Because the school bus broke down, the team rode in a van, and the cheerleaders rode in cars.*

Unless my eyes are deceiving me, Kristi is on that runaway horse, and Dale is behind her.

SPELLING RULES

Write *i* before *e* except after *c*, or when sounded like *a* as in *weigh* and *eight*.

→ *Exceptions:* seize, weird, either, leisure, neither

When the *ie/ei* combination is not pronounced *ee*, it is usually spelled *ei*.

→ *Examples:* reign, weigh, neighbor

→ *Exceptions:* friend, view, mischief, fiery

When a multi-syllable word ends in a consonant preceded by one vowel, the accent is on the last syllable and the suffix begins with a vowel — the same rule holds true when you double the final consonant.

→ *Examples:* prefer = preferred | allot = allotted | control = controlling

If a word ends with a silent *e*, drop the *e* before adding a suffix that begins with a vowel.

→ *Examples:* use = using | like = liking | state = stating | love = loving

When the suffix begins with a consonant, do not drop the *e*.

→ *Examples:* use = useful | state = statement | nine = ninety

→ *Exceptions:* argument, judgment, truly, ninth

When *y* is the last letter in a word and the *y* is preceded by a consonant, change the *y* to *i* before adding any suffix except those beginning with *i*.

→ *Examples:* lady = ladies | try = tries | happy = happiness | ply = pliable | fly = flying

LANGUAGE ARTS *the writing process*

WRITING VARIABLES

BEFORE BEGINNING ANY ASSIGNMENT, IT WILL HELP YOU TO FOCUS AND REMAIN CONSISTENT IN STYLE IF YOU CONSIDER THE FOLLOWING VARIABLES.

Audience

For whom am I writing? A letter written to your ten-year-old sister will be much different in vocabulary, subject, content, format, and sentence complexity than one written to your senator.

Topic

About what subject should I write? If possible, choose a subject that interests you. Research your subject well.

Purpose

Why am I writing? Have a clear purpose in mind before starting your paper. Are you writing to entertain, instruct, inform, or persuade? Keeping your purpose in mind as you write will result in a paper that is focused and consistent.

Voice

What point of view or “voice” will I use? Writers sometimes write from the point of view of another person rather than from their own point of view. This can add variety and help you see your subject in a new way. Make sure your “voice” remains consistent.

Format

What form will my writing take? Different forms of writing, such as letters, diaries, reports, essays, research papers, etc., have specific requirements. Decide on the form your writing will take, and then make sure you know the requirements for that form of writing.

PLANNING AND WRITING AN ESSAY OR COMPOSITION

- {1} Select a general subject area that interests you.
- {2} Make a list of your thoughts and ideas about the subject.
- {3} Use your list to help focus on a specific topic within the subject area.
- {4} Decide what you want to say about the topic, and write an introductory statement that reflects this purpose.
- {5} Make a list of details to support your statement.
- {6} Arrange the list of details into an outline.
- {7} Do any reading and research necessary to provide additional support for specific areas of your outline. Keep a careful list of all of your sources for your bibliography.
- {8} Write a first draft.
- {9} Revise your first draft, making sure that:
 - (a) The introduction includes a clear statement of purpose.
 - (b) Each paragraph begins with some link to the preceding paragraph.
 - (c) Every statement is supported or illustrated.
 - (d) The concluding paragraph ties all of the important points together, leaving the reader with a clear understanding of the meaning of the essay or composition.
 - (e) Words are used and spelled correctly.
 - (f) Punctuation is correct.
- {10} Read your revised paper aloud to check how it sounds.
- {11} Proofread your revised paper two times: once for spelling, punctuation, and word usage, and again for meaning and effectiveness.
