

Ellington Recreation Department Program Guide

November 2022 Edition

We are just about one week away from our 3rd annual Robert Tedford Memorial Road Race and we are looking forward to what is sure to be our best turnout yet. The road race was created to honor longtime Recreation Director Robert Tedford and all proceeds are put toward projects that promote or enhance recreational facilities and opportunities. So please join us in honoring Bob the best way we know how to...by enjoying the outdoors!

Please feel free to peruse the programs that still have openings this fall and please also note that basketball registration ends for all programs on **November 18.**

We look forward to seeing you outside this fall!
