Proposed Name: Alan and Andra Perrin Elementary School

The Perrin family holds deep roots in Northwest ISD and is both respected and beloved by our community. They were heavily involved in the Justin area and loved giving back to the community they loved dearly.

- As a teacher and coach at Northwest High School, **Alan Perrin** helped mold hundreds of students both in the classroom and on the field, making lifelong connections.
- As a longtime principal of Justin Elementary and resident of Justin, **Andra Perrin** served as a positive influence on hundreds of students.

A Message from the Family

Our parents provided more than 50 years of combined service to the students and families of Northwest ISD.

Mom taught elementary school in Justin, eventually becoming principal of Roanoke Elementary, then Justin Elementary, before becoming director of educational technology at central office. Dad coached boys athletics and taught history at Northwest High School.

Our parents raised us in Northwest ISD schools from elementary through graduation and lived in the community for 40 years. We still run into people they taught, coached or worked with who were influenced or share stories about them. There aren't many professions where you can have that type of lasting impact!
