

TOWN OF MADISON NEW ELEMENTARY SCHOOL

Tecton
ARCHITECTS

Every Child. Every Day. Leading the Way.

DISTRICT VISION: Prepare all learners to make a unique, positive contribution in a complex, global society. We are committed to fostering the diverse talents and abilities of each and every child in an emotionally and physically safe environment.

Project Objective

To ensure Madison children are able to attend a school that is safe, modern, compliant with current building codes and able to support the educational program.

Workshop #2 Summary

Thank you to all who attended the recent **Workshop #2 - Concept Workshop** held on November 9th as a virtual Zoom webinar starting at 6pm. This is a summary of the event, and an invitation to join the workshop survey.

The goal of the workshop was:

To hear the community's preferences as the schematic site and building design is developed.

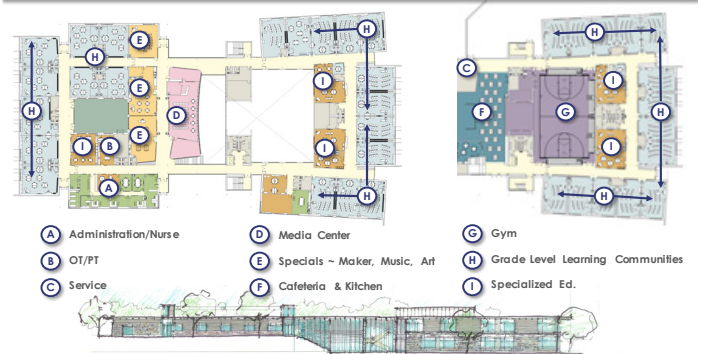

The topics we discussed were:

6:00 PM Welcome & Introductions
6:05 PM Presentation
6:30 PM Q&A
This event was live-streamed on YouTube, and recorded. Click the link below to watch:
<https://youtu.be/3AO58BmHmJM>

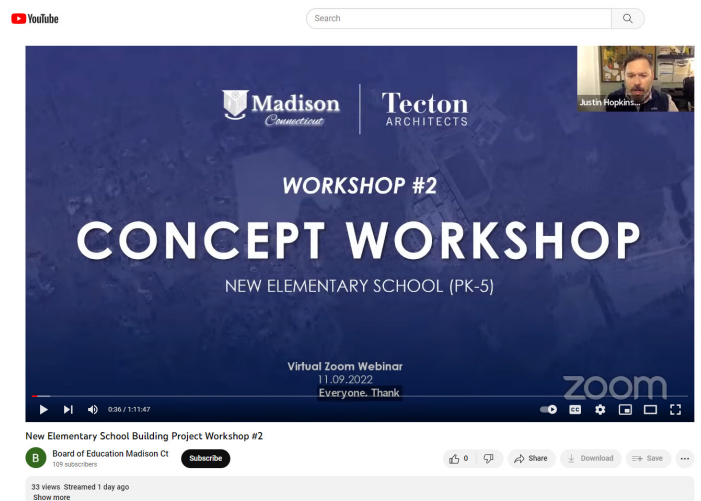

Join an upcoming event:

OPEN NOW! Community Survey #2
1/18 Workshop #3 - Refine the Design

Concept Development | Schematic Floor Plans

The presentation covered the feedback to date, and current direction of site, building, interiors and systems design. Visit the website to view the presentation: <https://www.madison.k12.ct.us/district/renewal>

Please share your ideas via the online survey!

Join the Survey!

If you missed this workshop but want to share your feedback, the same opportunities for input are available via the survey. The survey is open now, and will close on November 21st: <https://forms.gle/a1FHtzzrUruE7u3H9>
