Current accounting report

The school is on track to hit its targeted TSSP Goals, though a more in-depth report will be given to the Council within the next couple of months. These goals are:

Writing - 10% increase in communication skills

Graduation - 5% increase in students on track for graduation (minimum of 6 high school credits in addition to the core credits)

After all anticipated expenditures, Council projects a carryover for the 2023-24 school year is \$13,269.30

New funding for the next school year is currently set at \$170,784.30. This will be adjusted based on student population, usage, and the Legislative budget that will be finalized during the end of the 2023 Legislative session in March 2023.
