

Dear Parent/Guardian of \_\_\_\_\_,

Our records indicate that \_\_\_\_\_ is due for immunizations. These are required in order for her to attend school. Please call Patee Hall Immunization Clinic at 271-4725 or her doctor's office to set up an appointment as soon as possible – they request that you bring a copy of her current immunizations which is enclosed. Please contact the school if you have any questions. Thank you!

Sincerely,
