AP TEAM

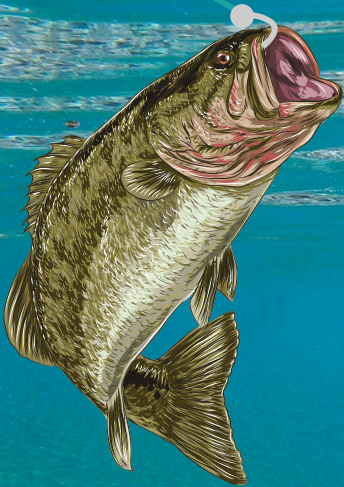

AP T.E.A.M: Advanced Placement Together Everyone Achieves More is a club whose main purpose is to help with the costs of AP Exams. Lodi High offers 16 Advanced Placement courses to our students and if a student passes a subject specific exam in May they can earn college credit for that course and save both time and money as a college student.

Each exam costs \$97.00 unless a student qualifies for a fee waiver. The AP TEAM, will help to offset these costs through fundraisers. The money that each student earns will go towards their exam fee. Our goal is to both help families financially and to encourage students to commit to the high stakes exam without the burden of the cost. There are no membership fees and our fundraisers include DaVinci's dinner tickets, a Trivia Night Dinner and a Game Night.
