

# 2022

## Back to School Edition

We are excited to start our 2022-23 school year! We want to welcome our returning families and those new to the Magnolia area. Magnolia ISD ended the year with almost 13,800 students, and we have projected to grow another four percent this year, pushing us to over 14,000 students.

Every year brings a host of new possibilities. For our students, it is a chance to start a new year, make new friends, and reconnect with old ones. It's also an opportunity to build on relationships and expand our learning. Our teachers continue to meet the needs of our students in an environment where they can thrive. Over the summer, our curriculum department offered over 80 professional development courses for our teachers to enrich their knowledge.

We live in a fantastic community and appreciate all the support you show to our students, teachers, and staff. We look forward to greeting all our students on Thursday, August 11.

It's going to be a great school year!

Dr. Todd Stephens

INDEPENDENT SCHOOL DISTRICT

Are you a ...

## New Student

If you are new to Magnolia ISD and are currently residing in the MISD attendance zones, registration is open. Please visit our website to review the requirements, proof of residency documentation requirements, and to enroll.

**all families must take action**

## Childcare

Magnolia ISD offers a variety of childcare services including Early Morning Childcare, our After School Adventures Program, and employee daycare.

Each of these programs is designed to provide a fun and safe environment while keeping the best interests of the child, parents, and family in mind. Each program has a separate enrollment process, along with unique guidelines that cater to the program (including rates, staff-to-child ratios, hours, etc.)

We are excited to again offer our Early Morning Childcare program to all students at our elementary and intermediate campuses beginning at 6:30 a.m. on regular school days at no cost. Students attending must be enrolled.

The After School Adventures Program provides a healthy blend of fun, meaningful, and adventurous activities to keep them engaged during their time after school. The program is available to all Magnolia ISD students in

grades pre-k through 6 at all elementary campuses until 6:30 p.m.

Use the QR code to visit our website and learn more about the childcare options available and to enroll.

**Childcare**

## Returning Student

Parents/Guardians of returning students will need to verify student enrollment through the Frontline Parent Portal beginning July 11 - 31. This process is to make sure the district has updated information for your student prior to the start of the school year. Student schedules and homeroom teacher names will not be released until verification forms are completed.

If you are a new student at Magnolia ISD and you already completed these forms, you do not need to complete this verification.

For students returning to MISD for the 2022-23 school year, please log in to the Frontline Parent Portal and complete the process. Visit our website for more information and instructions.

**Happening Now**

**Get Started**

## Transportation

Bus routes for the 2022 - 2023 school year will be available in early August. In order to view your child's bus route, visit Versatrans e-Link which can be found on our website.

Through the Versatrans My Stop© mobile app, parents can track their students' bus locations and arrival times, as well as receive notifications on delays. Parents can use a mobile device, tablet, or desktop to view this information through a web browser.

Download the app in the Apple App or Google Play store. You can find more information including how to find your bus route on the district website.

**Back to School**

## Stay Connected

The district utilizes several communication tools to stay connected to our parents and families.

Parents can view their child or children's schedule, attendance, assignments, grades, report cards, STAAR/EOC test scores, as well as complete the Annual Enrollment Verification. Coming soon, transportation information will also be available.

Students can also use Frontline to view their grades, attendance, and class assignments.

Digital platform where your child's learning and classroom resources combine. Configurations customize the users experience and provides you and your student easy to find links to stay connected.

This platform will replace Classlink.

Students will access Canvas and other digital learning tools through Clever.

Campus and district web-based newsletters

Digital flyer delivery; campuses can upload their own flyers for events, PTO, etc. Community users can submit their promotional and event flyers. The district can submit flyers for event and informational purposes.

Robo call, email, and text system utilized by the campus and district to communicate the latest news, announcements, events, and in the event of district-wide communication including school closings, and emergency messages.

### Find us on social media:

## Child Nutrition

Magnolia ISD knows that good nutrition and learning go hand-in-hand. A variety of affordable and appealing foods that meet health & nutrition needs are offered for breakfast and lunch daily. A la carte items and snacks are also available to students as well as gourmet items. Menus are available through MealViewer and are available on our website, campus websites, and through the MealViewer To Go app. MealViewer also provides the opportunity to create a student profile and set allergy restrictions as well as see nutritional information.

Parents can create a mySchoolBucks® account to pre-pay for their student's meals, snacks, and a la carte items. Preparing for meals helps the lunch lines move

faster and gives students more time to eat and relax. It also gives families the peace of mind to not worry about looking for lunch money every day or worrying about it getting lost, stolen, or used for something else.

mySchoolBucks® offers a mobile app to easily manage your child/s account. Through the app or on the mySchoolBucks® website, parents can create multiple student accounts, receive "low balance" notifications, see a history of what items have been purchased, and much more. Use the QR code below to learn more about mySchoolBucks®.

Child Nutrition

## Anonymous Alerts

Magnolia ISD promotes a safe and healthy environment for learning and participating in activities and uses Anonymous Alerts at our junior high and high school campuses allowing our students, parents, and community to quickly, easily, and anonymously report urgent information to school officials.

This system empowers users to report suspicious activity, bullying or other student-related issues anonymously or to provide their identity if they prefer to have a person-to-person discussion.

We diligently investigate each allegation and respond with appropriate interventions and/or consequences. Visit our website to learn more or to make a report.

## Football Tickets

2022 football season tickets are currently on sale to the public through Ticket Spicket. There will be five home games this year for both Magnolia High and Magnolia West.

General admission tickets will be on sale the week of each home game and online tickets are highly encouraged.

Visit Ticket Spicket for more information.

## Maroon Card

Are you 65 or older and live in the Magnolia area? You can get a Maroon Card and receive access to all of the district athletic events for free!

Pick up your Maroon Card at the Education Support Center located at 31141 Nichols Sawmill Rd. or at any ticket gate.
