Sports Report Athletic Boosters

10-10-22

Girls Tennis - The girls currently sit in a tie for 4th place with Ventura High School. They have a huge match tomorrow against Ventura at Rio Mesa. The first time they played at Ventura it was tied 9-9 and came down to games won. Ventura edged us out. The girls have had a great year especially since the addition of the three Santa Barbara schools has made the league one of the toughest leagues in the CIF Southern Section.

Boys and Girls Cross Country - Both teams have had some outstanding individual performances one was by Nicholas Weinerth who has ran the second fastest three-mile cross country time in the history of the school. Nicholas also won his race at the prestigious Woodbridge Invitational in Irvine with a time of 14 minutes and 50 Seconds.

Also, at this meet Anna Dahlquist won her heat. Coach Emily Hall compares her to one of the best runners in recent memory at Rio Mesa Sophia Godina. Anna is showing a ton of potential and is only a Sophomore.

Boys' Water Polo: The boys currently have an overall record of right around 500. They have a big game this Wednesday vs. Buena at Rio Mesa 3:15. They had a huge win over rival Camarillo in overtime a couple of weeks ago. They have been led by a well-balanced attack but two of their players have been named Athletes of the Week Noah Hernandez and James DeWitt. Coach Mike Lesueur has done an excellent job with the team as they compete in one of the toughest water polo leagues in the CIF Southern Section. Three of the schools are consistently ranked in the top 10 in Division 1 which is the largest division of CIF.

Football: Football has won two in a row and currently sits at 5-2 and 4-1 overall in league. The one loss came in overtime to a very tough Santa Barbara team. The final score was 7-6 as we got stopped going for two and the win. They defeated Oxnard last Friday night for homecoming by a final score of 24-7.

The big game is this Friday night at Pacifica at 7:00 PM. It should be a good game. Go online and get your tickets early.

Girls Golf: Practically a brand-new team with the exception of two players. They beat Pacifica a week ago and have Oxnard tomorrow. Sophomore MVP Claire Kim has a good chance to make it back to CIF Individuals this year. League finals will take place next Tuesday at River Ridge.
