

Hillsboro Independent School District
Hillsboro Junior High School
2022-2023 Campus Improvement Plan

Mission Statement

Preparing Today's Students for Tomorrow's World

Vision

Academic rigor, real-life relevance, positive social interaction, and healthy self-esteem stand as our foundational pillars for success. Our multi-disciplinary curriculum offers individualized learning within a group dynamic. Our teachers enthusiastically relate the information to real world uses. We believe that a primary role of HJHS is to provide students with the skills and attitudes necessary to actively engage in their own education. Therefore, our students learn by doing and thus become lifelong learners, develop strong character, and build a healthy self-esteem.

Ever committed to the real world, relevant education of our students, we demonstrate that school is an integral part of community. Students are encouraged to participate in activities outside the classroom and parents are encouraged to get involved in activities inside the classroom. Together, we give a balanced, academically challenging, and real-life relevant education to our students

Core Beliefs

Hillsboro Junior High School's KEY to success is the belief that Knowledge Empowers You. We believe that you can BE the CHANGE you want to see in the world. Students CHALLENGE themselves to be the best they can to be successful. Students and teachers set HIGH Expectations for the the year and work to reach those goals. HJHS is very ACCEPTING of all students and thrives on opportunities to hear Student Voice in making decisions. Students should NEVER give up on oneself and strive for excellence. GENUINE student ownership of their learning is essential for student success at HJHS utilizing a digital portfolio and student work samples. EVERYONE has Exceptional results when fully committed to being the change you want to see in the world.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Hillsboro Junior High is a 7th and 8th grade Title 1 campus with an enrollment of 275. Our largest campus subgroup is our Economically Disadvantaged at 68%, with our second largest being our Hispanic population at 60%. Our African American population is at 10% while our White subgroup is 25%. We serve 9% of our students in the ESL program and 11% through Special Education services. We maintain an attendance rate of 96.6% which is above the state average.

Demographics Strengths

Our hispanic and white subgroup are scoring above 70% overall for all tests. Our special education students are meeting their target in reading.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): HJHS faces the continuing challenges of meeting the academic, social, and emotional needs of our minority and economically disadvantaged students. **Root Cause:** Our staff needs more training on how to meet the needs of our minority and economically-disadvantaged students and parents.

Student Achievement

Student Achievement Summary

HJHS received an A rating from the state of Texas this year and earned 7 of 8 distinctions. Our campus utilizes research-based teaching strategies that focus on student engagement. Our goal is to provide students with personalized learning experiences that encourage critical thinking. Our 7th and 8th graders are 1:1 with Chromebooks which provides a technology rich environment where students can create products to demonstrate mastery. Teachers utilize CBA assessment results to monitor student progress and identify areas of intervention.

Student Achievement Strengths

All students met state and federal accountability standards in reading and math. HJH received an A for closing the gaps and academic growth on the STAAR assessment.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): Our AA students are consistently performing well below the target rate established by TEA. **Root Cause:** HJHS needs to provide targeted tier 2 instruction to our low performing AA students.

Problem Statement 2 (Prioritized): In all tested grade levels, EL students are scoring significantly lower than non-EL peers on assessments. **Root Cause:** Teachers do not have a deep understanding of linguistic needs and how to scaffold learning.

School Culture and Climate

School Culture and Climate Summary

HJHS embeds research-based design qualities and digital learning opportunities within the lesson framework to meet the needs of all learners. The district has built a culture of high expectations with embedded accountability that is of a positive nature.

HJHS supports the social and emotional development coupled with the academic growth of every child. Respect and acceptance are taught through the modeling of teachers. All students have a voice in setting the climate of the school by expressing new creative ideas, voicing concerns and discussing viable options, all while feeling comfortable and valuable.

School Culture and Climate Strengths

HJHS Culture and Climate Strengths

- A collaborative approach utilized in the decision making process allows for transparency among stakeholders, especially involving the students.
- Positive student/teacher collaboration on innovative projects and learning opportunities
- A continued focus on student progress helps build student self-esteem.

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1 (Prioritized): Not all stakeholders can verbalize the campus beliefs. **Root Cause:** Due to turnover and reprioritizing after COVID, campus is re-writing beliefs.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

District and campus administrators seek out only the best and brightest to work with and nurture HJHS students.

Developing and increasing the capacity of professional staff at all levels of the learning organization is a priority. Administrators and teacher leaders collaborate to deliver these academies each summer.

HJHS has developed a staff "Family" environment which promotes acceptance, collaboration, and allows for "risk taking" without feeling of failure.

Staff Quality, Recruitment, and Retention Strengths

- Quality new teacher induction program.
- 100% Highly Qualified staff.
- Quality administrators on each campus.
- Opportunities for collaborations and teamwork.
- Develop aspiring leaders through encouragement and opportunities to further their education.

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1 (Prioritized): HISD experiences limited applicant pool in all areas. **Root Cause:** Several more qualified personnel may not apply due to Hillsboro ISD being a rural district.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Based on research and best practice, the district continues to focus on the design of meaningful and authentic work aligned with the state standards. Rigorous coursework, and innovative strategies are an emphasis for our campus.

Intentional efforts have been made to increase the innovative use of technology in the classrooms across by adding the Digital Design class and grouping 1:1 with Chromebooks in 7th and 8th grade.

Data driven decisions are made for improvement through the adopted curriculum, effective instructional methodologies, walkthrough data, and assessment data. Continual monitoring and analysis of data will help to ensure curricular needs are being met.

Curriculum, Instruction, and Assessment Strengths

Departmental Chairs to guide teachers with lesson design, collaboration, and data analysis

Departmental Chairs also serve as instructional coaches

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1 (Prioritized): Students are not receiving daily instruction aligned to the depth of the state standards in TIER 1 instructional settings. **Root Cause:** Not a deep understanding of differentiated instruction and complexity of the state standards..

Problem Statement 2 (Prioritized): Assessment opportunities (formative and summative) using multiple modalities (on-line, hard copy) that integrates practice for pacing, stamina, and problem solving strategies. **Root Cause:** Misunderstanding of the importance of assessment data and its use to guide teaching and learning. Parent and Community Engagement

Parent and Community Engagement Summary

JHS strives to achieve family and community partnerships that positively impact the success of all students.

HJHS has family opportunities through these organizations and events: Meet the Eagles/Open House, Pep rallies, Fine Arts Showcases, athletic events, and awards assemblies. Parents are also involved as volunteers.

HJHS strives to communicate with the community and parents via multiple venues to reach as many as possible with daily, weekly and critical information via social media and parent square

Parent and Community Engagement Strengths

- Student Portal
- Social Media- Twitter, Facebook, District App.
- Connections Publications.
- Relationship with local newspaper and radio.
- HJHS campus website.
- Skyward Parent Access Portal.
- Provide translators at parent meetings and ARD's.
- Provide notes home in English and Spanish.
- Parent Square

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1 (Prioritized): Parental involvement and participation needs improvement. **Root Cause:** COVID affected open door policies so the new barrier is re-establishing norms on campus

School Context and Organization

School Context and Organization Summary

Our Junior High leadership team includes the Principal, Assistant Principal, Instructional Coach, and Counselor.

Weekly campus A-Team meetings are held after the Principal attends the district A-teaming. Our campus also has HJHS Design team meetings and faculty meetings each month. The change makers/beliefs committee is collaborating to establish campus beliefs.

School Context and Organization Strengths

- Strong administrative leadership at the campus.
- Positive learning environment.
- Teachers have a voice in decision making process and in identifying solutions via faculty meetings, design team meetings, DEIC, CIT, PLC's.

Technology

Technology Summary

Digital learning is a priority at HJHS with classrooms connected locally, nationally and globally through technology. Our Digital Design class is beneficial to integrating tech into our classrooms daily. Our 7th and 8th grade students are 1:1 Chromebooks. Students use a wide range of web resources in order to create, locate, store and share information through Google, Twitter, Facebook, and other educational applications.

Technology Strengths

- Administrative use of technology for campus organizations and communication.
- Emphasis on the use of technology and applications in the classroom.
- All facilities have wireless access.
- Classrooms are equipped with ceiling mounted projectors, document cameras, interactive TVs, and student access to various technologies and applications

Problem Statements Identifying Technology Needs

Problem Statement 1 (Prioritized): Teachers lack the knowledge to provide novel and multi-modalities for students to create products and show high levels of learning. **Root Cause:** Teachers lack necessary knowledge and/or buy-in to the importance of 21st century learning styles. Edit Associated Areas

Priority Problem Statements

Goals

Goal 1: Through collaborative efforts ensure a focus on the quality of work provided all learners.

Performance Objective 1: Engaging experiences which lead to profound learning result from the work of dedicated individuals working collaboratively throughout the district/schools to design meaningful experiences for their targeted audience.

Evaluation Data Sources: Campus administration will perform regular classroom walkthroughs to monitor meaningful experiences and document student engagement. Campus administration will attend and actively participate in curricular teacher trainings. CBA data will be monitored to track student progress and data analysis meetings will be led by campus administration.
