Nurturing the growth and development of children, family and community relationships through a continuum of early childhood educational experiences

Early Childhood Family Education

ECFE, for families with children birth-5 years, offers learning experiences that support, nurture and engage your family. In-person, virtual and extended age classes are available.

Early Childhood Screening

Screening helps ensure that all young children are well equipped for learning, and families are aware of resources in the school and community. The ideal age for screening is 3 years old. Interpreters provided. This is a free service. Complete a screening request form on the website or call 952-707-4117.

READY! For Kindergarten

This curriculum is included in your ECFE, Preschool and Ready to Grow/Ready to Learn classes. Watch for more information from your classroom teacher.

ECFE Early Childhood Family Education Registration begins November 15

Our classes provide families with warm and welcoming environments designed with the whole family in mind. Activity time is rich with play & learn stations geared towards engaging and stimulating activities that spark curiosity and exploration for parents and children.

Parent discussion time provides adults with support and information helpful for parenting in today's world. Meet new people and see old friends while spending focused and quality time with your child followed by Parent Time.

Two hour classes consist of a parent-child activity time and a separate time for adults to go to their own space to spend time with a licensed Family Educator and other adults for parent discussion. During 90 minutes classes, there may not be a formal parent discussion since families stay together the entire time.

[Tuition is based on a Sliding Fee Scale which is determined by income. See details on page 13.](#)

Registration Opens November 15 and is Ongoing

2023 ECFE Mixed Age Classes

INFANTS & TODDLERS **Newborn to Age 3**

Infant and toddler classes are set up with age appropriate activities in a safe environment geared toward building skills and confidence. Smaller age brackets offer parents the opportunity to meet other families with similar aged children while receiving support and information specific to the age and stage of their child.

Most classes are 90 minutes and are non-separating.

INFANTS

Come together to share in the joy and transition to parenthood. You've prepared for this journey, and now your baby has arrived. Explore the 4th trimester and beyond with the support of a licensed early childhood parent educator. Grow your supportive community in this space where the educator will provide resources and you bring your questions and experiences to share with one another.

EARLY CHILDHOOD SCREENING

3 years old... Time for an Early Childhood Screening visit with your school!

What is this free visit for?

This free visit helps us learn about you and your child, and can help your child prepare for kindergarten. It will last about one hour. It is important that all children are screened before the age of 4. Our warm and caring staff are eager to meet you and every family with young children in our district before they turn 4 years of age.

Why is this visit important?

Our brains grow the fastest during the early years. The sooner we see you, the more we can offer you. You'll receive free tools and resources during your screening appointment. Every child is different- we can help your child build on their strengths and get ready for school learning.

How does this visit help my family?

- ◆ Get their hearing, vision, height, and weight checked to make sure they are ready to learn
- ◆ Learn about how your child is growing and developing.
- ◆ Meet the friendly school staff in your district.
- ◆ Go home with advice, support, and resources.
- ◆ Make a plan together to help your child be the best they can be.

When your child is 3, call 952-707-4117 to make an appointment or visit our website communityed191.org

Diamondhead Education Center, 200 W Burnsville Pkwy, Burnsville. Enter through Door #11 on the lower level off of Pillsbury Ave & follow the signs to the Early Childhood Screening office.

If you have a child under the age of 3 and you have concerns about their development, Call ECSE at 952-895-6610.

Family Learning

Families with children 16 months-Pre K

Family Learning is a Community education partnership for adult and child learners. Classes take place Tuesday through Friday morning. Tuesday, Wednesday and Thursday includes English class for parents, preschool and child care.

Friday is Family Day. This class time is designed for parents and children to enjoy learning activities together as well as time to meet with other parents for support and education. Attendance is required four days per week.

Immunizations

Minnesota law requires children enrolled in early education programs to be immunized against certain diseases or file a legal medical or conscientious exemption. Immunizations must be on file PRIOR to the start date of class, current as appropriate to the child's age or in progress, in order to attend One91 Early Childhood Programs. This includes children attending Early Childhood Family Education (ECFE) classes that run 6 weeks or more, One91 Preschool, and Prekindergarten classes in ISD One91.

Submit your child's immunizations in one of the following ways:

1. If you have a current copy of your child's immunizations, please fax the record to the 191 Early Childhood Nurse, at 952-707-4166.
2. Call your pediatrician's office and request your child's immunization record be faxed to the 191 Early Childhood Nurse, at 952-707-4166
3. Print the Early Childhood Immunization Form from our website, then complete and mail or drop off at the Community Education office at Diamondhead Education Center, Early Childhood, 200 West Burnsville Parkway, Suite 100, Burnsville, MN 55337

ONE91 PRESCHOOL

Sparkling the Love of Learning

In preschool, Pathways learning is designed to spark the love of learning.

Our students widen their worlds and build foundational skills to continue their learning journey.

Children learn and grow best through play experiences. We embed skill-building into play to promote healthy development of the whole child throughout the classroom. For example, math skills show up at the snack table, the block corner, in cooking activities and more. For more information contact, preschool@isd191.org, or 952-707-4110.

Flexible Programs for Every Family

One91 Preschool provides flexible options for families based on schedule, location and cost. No matter which option, One91 Preschool is ready to spark curiosity, creativity, engagement, knowledge, and a love of learning in each child. Fees are based on income unless otherwise listed. Scholarships may be available for qualifying residents of ISD One91.

READY TO GROW & READY TO LEARN

Care for Young Children Year-round Monday-Friday, 7 am-5:30 pm

Ready to Grow/Ready to Learn is proud to have earned our Parent Aware Four-Star Rating! This Parent Aware Rating means we're using school readiness best practices to make sure the kids we care for are prepared for kindergarten. Flexible care schedules at Diamondhead Education Center. For more information or to schedule a tour for either Ready to Grow or Ready to Learn, contact Lyndsay at 952-707-4146, lgriffin@isd191.org.

Ready to Grow

Infant/Toddler Care 6 weeks to 3 years

You and your infant or toddler benefit from individualized care. Ready to Grow embraces the philosophy of primary care giving that allows for nurturing and attachment to and from your child's primary caregiver.

Ready to Learn

Care & Education 33 months to 5 years

The Ready to Learn curriculum focuses on school readiness in the areas of language and literacy, science and math, creative art and music, dramatic play and movement as well as health and nutrition. We believe play is a central component to the curriculum.

We've earned the highest rating... 4 Stars!

EVERY CHILD COUNTS IN 191!

Every year, all families enrolled in an early childhood program should complete an Application for Educational Benefits. By completing an application you help to ensure that the District receives much-needed state and federal funding it deserves.

Applications are available online at isd191.org/enroll/application-for-educational-benefits or ask your teacher for a paper copy.

Learn more about how young children develop!

Help Me Grow has many resources for parents and professionals, including information on developmental milestones, caregiver strategies to support development, and how screening and evaluation can benefit young children.

Four Seasons of Learning...

Our Outdoor Classroom Connects Children with The Natural World Year Round

The outdoor classroom is more than just a play space. Its purpose is to provide children with more connection and experiences with the natural world. Research shows many benefits to learning with nature, including stress reduction, higher concentration skills, improved fitness, increased social interaction, creativity and enhanced overall development.
