

Holy Spirit Elementary Advent Service Project 2022

Dear Families,

We are collecting pajamas for The Closet of the Foster Network. The Foster Network is a local nonprofit organization that services children in the foster care system and their foster families. The largest program in their network is the clothing closet. The Closet provides clothes to children when they first enter the foster care system and during times of season changes and size changes. The closet serves an average of 40-60 kids a month. One of the items a child receives on their first visit to the closet is a welcome bag. The welcome bag includes pajamas.

If you would like to donate, please bring a pair of new pajamas to school by Friday, December 2nd. The pajama sizes can be from infant to adult 4X. The most needed sizes are of size 10 and up. We will have a pajama day at school on Friday, December 2nd. (Preschool 3's will wear their pajamas on Thursday, December 1st).

Thank you,

Holy Spirit Elementary Advent Committee
