

# High School Course Guide Changes

November 17, 2022

Kristine Schaefer, Assistant Superintendent

A large yellow circle is partially visible at the top center of the slide.

## **Tonight we will review the following items:**

- Policy 613, Graduation requirements
  - High school registration process
  - High school course catalog
  - Timeline and process to submit and approve new courses
  - Final list of courses approved for the 2023-2024 school year
- 
- Two overlapping circles are located in the bottom right corner: a larger beige circle and a smaller red circle overlapping its right side.

(Approved June 2021)

- **Four years** (12 trimester credits) of **language arts**
- **Three years** of **mathematics** (9 trimester credits)
- **Three years** (9 trimester credits) of **science**
- **Three and one-half years** (10 trimester credits) of **social studies**
- **One trimester credit** each of **health** and **physical education**;
- **Two trimester credits** in the **fine arts**
- A minimum of **22 elective trimester credits**

**Total of 66 credits**

# High School Course Guide

Provides information to help students plan their coursework for a successful high school career.
