**TOMBALL ISD**

(ERI) Earl Reading Indicator Codes

(KG, 1st, and 2nd ONLY) –

When a student is coded an **(ERI – 01)** on the **(146 PEIMS Demographics (Program) Screen)**. Then the registrar has to code the **(At-Risk indicator)** on the **(146 PEIMS Demographics (Program) Screen)**, and the **(900 At-Risk Screen)** under **(Failed Readiness)**. **(Failed Readiness)** must have a start and end date on the **(900 At-Risk Screen)**.
(This coding is for 1 year only)

Registrars do not determine this. This comes from the Reading Specialist.
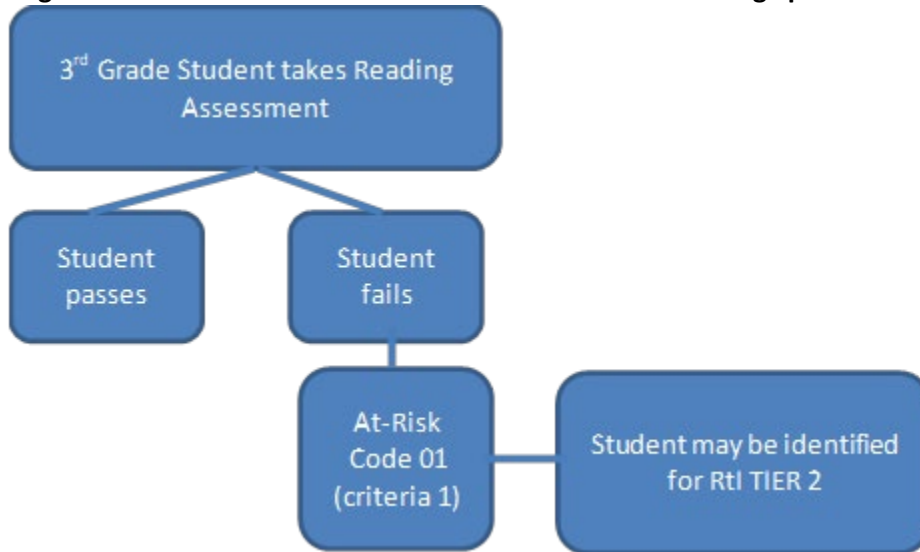

Failed Readiness

3rd Grade –

 Then the registrar has to code the **(At-Risk indicator)** on the **(146 PEIMS Demographics (Program) Screen)**, and the **(900 At-Risk Screen)** under **(Failed Readiness)**. **(Failed Readiness)** must have a start and end date on the **(900 At-Risk Screen)**.
(This coding is for 1 year only)

Registrars do not determine this. This comes from the Reading Specialist.

```
3rd Grade Student takes Reading
         Assessment
        /              \

                  At-Risk
                  Code 01  —  Student may be identified
                  (criteria 1)        for RtI TIER 2
```

Failed Math

KG, 1st, 2nd, & 3rd Grade –

Then the registrar has to code the **(At-Risk indicator)** on the **(146 PEIMS Demographics (Program) Screen)**, and the **(900 At-Risk Screen)** under **(Failed Readiness)**. **(Failed Readiness)** must have a start and end date on the **(900 At-Risk Screen)**.
(This coding is for 1 year only).

**Registrars do not determine this. This comes from the Specialist.**

```
K,1,2,3 Grade Student takes Math
          Assessment
