

2nd Grade Snow/Remote Plan 2022-2023

Practice each of the following:

- *Practice this week's sight words
- *Practice this week's spelling words
- *Read the Dolch Word List that is on the back of this sheet.
- *Go over your math facts that are located in your folder. Pick one set and quiz yourself on how many you can get correct in one minute!
- *Read something for 15 minutes. It can be your library book, a book at home, an interesting article to you from the internet....anything!
- *Write three sentences about what you read. Be sure to include what you read, what it was about, and if you enjoyed it or not, and why.

Optional/Extra Practice:

- *Write a 5 sentence narrative story. It can be about what you did today, or a story that you make up!
- *If you have a ruler around your house, measure two objects and then tell what you measured, which object was the longest, and how much longer that object was.
