ELECTRONIC SURVEILLANCE**Policy**

The BUUSD recognizes the value of electronic surveillance for monitoring activity on school property. It is the policy of the Barre Unified Union School District (BUUSD) to use passive electronic surveillance to assist with the safety and security of the school community.

All video recording is subject to District policies and state and federal law, including the provisions of the Family Education Rights and Privacy Act (FERPA).

Use

Electronic surveillance is used to deter crime and enforce violations of the District's rules and policies, as well as state and federal law. Security devices and measures such as, but not limited to, video cameras, motion detectors and alarms may be installed in any or all school buildings, or in school transportation vehicles to protect school property. Outside lighting and/or video surveillance devices may be installed and maintained at each school building to provide illumination and observation of the immediate grounds.

Camera Placement

The security camera system will be installed in public areas only. These areas may include school buses, grounds, athletic areas, exterior entrances or exits to school buildings, stairwells, corridors, cafeterias, and lobbies. Security camera usage is prohibited in any space where there is a reasonable expectation for privacy, such as restrooms, locker rooms, private offices, and nurse's offices.

Security

Only a designated employee or agent of the BUUSD will install surveillance cameras. Only designated school officials shall have access to the camera equipment and software. Only these school officials shall handle the software or copies of video segments. Video copies shall be stored in a secure area until the end of the current school year, or until the statute of limitations has been reached for a specific policy or law. Video copies may never be sold, publicly viewed or distributed in any other fashion except as approved for by this policy and state and federal law.

Viewing of Live Video

Video monitors used to view live video should not be located in a position that enables public viewing. Live video may only be viewed by school administrators, school officials, school staff members, or school resource officers with a legitimate need, as required by their position and role. This also includes employees or agents responsible for the technical operations of the system (for technical purposes only). Central Vermont Career Center (CVCC) administrators and office staff may view live video of CVCC supervised areas.

Video Recordings

Video recordings may only be viewed by school administrators, school officials, or school staff members with a direct involvement with the recorded contents of the specific video recording. This also includes

employees or agents responsible for the technical operations of the system (for technical purposes only). Law enforcement personnel and parents and guardians, and CVCC administrators may be permitted to view video recordings on a case-by-case basis, consistent with the requirements of state and federal law.

Use of Video Recordings for Disciplinary Action

Video recordings may be used as a basis for disciplinary action consistent with District policies and state and federal law.

Retention of Video Recordings

A copy of a video recording shall be made and maintained until resolution of an incident which results in a long-term suspension, student injury, or there is a prospect of a legal claim against the district. The copy of the video recording shall be sent to the Superintendent or designee to be kept in a secure location. The district shall comply with all applicable state and federal laws related to record creation, retention, and destruction.
