

## **Bus Registration Required for 2022-23 School Year**

**Dear Mead School District Families -**

***Did you know that you must register your student to ride the bus each year?*** We've got the 2022-23 bus registration information below so you can check off one task for the next school year before summer break even begins. It also helps Transportation Services plan their routes, drivers and service for next year, so thank you in advance! You may have heard directly from your school with 2022-23 bus registration information, so if you took care of it already, then you're good to go!
