International Baccalaureate Programme

Carrollwood Day School is honored to partner with the International Baccalaureate Organization (IBO). Carrollwood Day School is the only school on the West coast of Florida to offer the full five-year Middle Year Programme (MYP) curriculum. CDS has been an IB World School since March 2005 and was the sixth school in the United States fully authorized to offer the continuum of Primary Years Programme (PYP) - Middle Years Programme (MYP) - Diploma Programme (DP) curricula and the first IB World School in Florida to achieve this distinction. IB at CDS begins with the PYP in the Lower School with students in preschool through grade 5. The PYP emphasizes the interrelatedness of knowledge and skills through a transdisciplinary program of inquiry providing a strong foundation for the rigor of the MYP and DP programmes in grades 6 through 12.

Middle Years Programme (MYP): Grades 6 - 10

The MYP helps students develop learning attitudes and skills that will enable them to participate actively and responsibly in society. Learning how to evaluate information critically is as important as learning facts. The students' experience with the MYP culminates in their sophomore year with a yearlong Personal Project where students choose and explore a topic of their choice that showcases their unique interests and talents.

Diploma Programme (DP): Grades 11 - 12

The IB Diploma Programme is a rigorous pre-university course of studies that meets the needs of highly motivated secondary school students. Unlike most IB schools, at CDS the IB Diploma Programme is designed to be inclusive so a student can register as a full IB Diploma Candidate, an IB Course Candidate, or a CDS graduate based on his or her individual needs for academic rigor.

Requirements of the IB Curriculum

9th and 10th Grades (Middle Years Programme):

- Minimum of 8 courses (5 core) per semester
- At least 25 hours of community service per year
- Completion of the Personal Project consisting of a process journal, a final product and a personal statement
- The study of at least 2 languages (language of instruction and additional language of choice) as well as design technology and fine arts courses each year

11th and 12th Grades (Diploma Programme):

- Minimum of 6 core courses per semester
- **Extended Essay (EE):** 4,000-word research essay on a topic of special interest
- **Theory of Knowledge (TOK):** 1-credit Philosophy course with a required presentation and 1,600-word essay
- **Creativity, Activity, Service (CAS):** 18 months of continuous hours in artistic pursuits, athletics, and/or community service work for appreciation of life outside the classroom
