PARKWAY PANTHER PRESS

It is good practice to keep an extra sweater or sweatshirt at school to

guard against rapid weather changes in the fall and spring months. Children should dress in layers during the winter months, especially when the weather is a variable.

Students are expected to go outside for recess unless the weather is inclement or below zero. All students need snow boots, snow pants, hats, and mittens in the winter. In the event that your student forgets their winter clothing, we have additional winter gear available for students to borrow. If you have gently used or new clothing that you would like to donate to Parkway, please feel free to drop it off in the main office. If you need warm winter clothing for your student and/or you know of a family in need of additional clothing, please contact Dr. Smith via phone at: 414-351-7190 ext. 2002 or via email at haydee.smith@gdrh.

This year, Parkway partnered with Nicolet High School to collect food donations for this year's annual Thanksgiving Food Drive. Nicolet has partnered with Feeding America Southeastern Wisconsin and will be donating food baskets to Faith Santa Fe Lutheran Church and United Migrant Opportunity Services. These organizations serve many Spanish-speaking citizens of Milwaukee. The goal this year is to collect 20,000 non-perishable food items and to also raise \$5,000. Friday, November 18, 2022 is the last day for students to bring in food items.

- November 21-22, 2022: FAMILY CONFERENCES
- November 21-25, 2022: NO SCHOOL FOR STUDENTS

Recreational Activities

After School Art Studio with Ms. McGuire!

K5, 1st, 2nd & 3rd Graders

After School Music Theatre Club with Ms. Scharnick!

1st Grade, 2nd & 3rd Graders

Hot Chocolate & Games Club with Dr. Smith!

1st, 2nd & 3rd Graders

We are so excited to offer multiple clubs and activities during Trimester II this year.

These are amazing opportunities for students to stay at school an extra hour while participating in engaging, staff-led activities here at Parkway. Even better...these clubs and activities are FREE :). See the list below of clubs/activities, dates they will be running and a description. Please note, caregivers will be responsible for pick-up at 4:00 pm. Please be on time.

After School Science Club with Ms. Assenheimer!

K5, 1st & 2nd Graders

After School P.E. Club with Ms. Lingard & Ms. Starsky

2nd & 3rd Graders

After School Maker Club with Ms. Gallitz

2nd & 3rd Graders

EDUCATIONAL TOYS

for elementary kids

Oftentimes families will ask us if we have recommendations for educational toys and/or gifts around the holiday season. Within this edition of our Family Newsletter, our math coaches came together to provide families with lists that include interactive and engaging toys for kids.

MATH BOARD GAMES

Parkway Families,

As the holiday season approaches, we wanted to share some fun board games that work on developing number sense. Playing board games are a great way to develop stronger math skills in an engaging way and enjoy time with family. If you're looking for some new games to play with your family, please consider the following recommendations.
